AUDITORS' REPORT

The Warden and Council of the County of Peel.

Gentlemen:—

Your Auditors for the year ending December 31st, 1919, be leave to report as follows:—

We have gone over and checked closely the books and account of your Treasurer, being mindful of the sources of revenue. As to th expenditure, we have checked the vouchers in the shape of returne cheques and receipted accounts. In Good Roads Account we hav accepted the reports of your Good Roads Committee, which ar prepared by your Engineer and signed by the Chairman of the Goo Roads Committee.

In the examination of your Treasurer's accounts we find tha he has seven sets of books with the same number of bank account which must of necessity require careful accounting.

We find that the total receipts from all sources amount to th sum of $312,335.62, with disbursements amounting to $284,293.1 leaving a balance to the credit of the County of $28,042.46. Of thi balance $22,723.96 will be required to meet Good Roads debenture and coupons, and $6,633.39 patriotic debentures and coupons fallin due this year. This shows a debit balance in the County's Genera Account of $1314.89.

We find a difference of $14.01 existing between the Treasurer and the bank's balance, which is accounted for by several small ou standing cheques.

Patriotic Fund

Balance on hand, January 1st, 1919 .....$ 6641 1

No claims or payments have been made on this account sinc March of last year, and the balance to the credit of the accour amounting to $7236.02 has been transferred to the County's Genera Account, thereby winding up the Patriotic Fund Account.

Goods Roads

In the Good Roads Account we find receipts amounting to.$133251 6
With disbursements of 121417 5

Leaving a balance of .....$ 11834 0

Non-Resident Land Tax

The non-resident land tax collected by the Treasurer in 1919 amounted to $1744.18. This amount has been paid to the Treasurers of Toronto and Caledon Townships to which they belong, leaving no balance.

House of Refuge Account

The Peel and Halton House of Refuge Accounts have verified and show receipts amounting to ..... $ 8408 22
With disbursements of 8141 32

Leaving a balance of ..... $ 266 90

The bank account shows the same amount. The accounts of the House of Refuge have been printed in pamphlet form and can be obtained at the Treasurer's Office.

Public School Account

The receipts for this account amount to ..... $ 8177 54
The payments 8169 53

Leaving a balance (accumulated interest) of ..... $ 8 01

Children's Aid Society

Credit balance, January 1st, 1919 ..... $ 57 35
Receipts during the year 982 00

Total ..... $ 1039 35

With disbursements 1029 40

Balance ..... $ 9 95

Which balance has been transferred to the County's General Account, and this account is closed. The Children's Shelter being settled in Milton, the accounts will be kept there.

Canada Temperance Account

Cash on hand, January 1st, 1919 ..... $ 43 18
Collected in fines 450 00

County of Peel	50 0
Bank interest	5 2
	$ 548 3
Paid Dominion Bank, License Act	482 5
Balance	$ 65 8

Your Auditors desire to express their thanks to the Treasure for his kindly assistance and also to commend the very admirabl manner in which his accounts are kept.

All of which is respectfully submitted.

Council Chambers, Jan. 29, 1920.

W. D. BOWLES, Warden.

JOHN SPEERS, Auditors.

ENGINEER'S REPORT

To the Warden and Council of the County of Peel.

Gentlemen:—

I beg to submit herewith a statement of the moneys expende in accordance with the regulations of the Department of Highway on the Peel County Roads System, for the year 1919; together wit the tabulated statements, declarations, etc., necessary to be forwarc ed to the Minister of Public Works with your petition for the Gov ernment Subsidy.

I recommended in my report to your Honourable Body one yea ago the construction of an improved type of surfacing on some c our main through roads, but owing to the excessive cost of all kinc of material and labor, your County Roads Committee, after conside ing the matter and getting prices on some of the work, decided tha owing to the difficulty in financing, it would not be wise to unde take the improvements at that time.

I would again bring this matter to your attention, as the in provements are very much needed and a beginning should be mac at once. The suggestions made last year covered the following:- Dundas Street from Cooksville to the Etobicoke Bridge, a type c road such as an asphalt macadam or concrete would be required Hurontario Street from Port Credit to Brampton should be resu faced with a bituminous binder; and from Brampton to Orangevil

to be surface treated with liquid asphalt, tarvia or oil. The Clarkson Road from the Railway to the Toronto-Hamilton Highway is subject to very heavy traffic and should have a concrete or other permanent pavement; and the Dixie Road from Dundas Street to the Toronto-Hamilton Highway should be improved. Besides there are other roads that it would be economy to give a surface treatment of oil, such as Dundas Street West of Cooksville, the Streetsville Road from Streetsville to Dundas Street, and the Brampton Side Road.

Four tank cars of asphaltic road oil costing $2500.00 were used on the roads in Toronto Township last year. As the County of Peel does not own an oil distributor, we had to depend on a borrowed one for applying the oil, which was not at all satisfactory. I consider that to continue this work and get the best results it will be necessary to purchase two approved distributors for County use. With the distributors and the experience of last year, there is no doubt we would be able to show satisfactory results.

For some years past I have advocated, in addition to our present organization for carrying on the work, at least one permanent road gang, consisting of a foreman, machinery operator, teams and men, for construction work. This gang would be employed for the season, would be supplied with a steam road roller, grader, scarifier, and all other necessary machinery, and would take charge of work requiring a machinery outfit in any part of the County. This would not interfere with our present organization for repair work, which is working out fairly well in most places, but would enable the patrol men with local labor to give more attention to repairs and maintenance. Our construction work has been greatly retarded by not having a permanent gang, as we have been unable to get local labor and terms when required, and I consider we have now got to the time when there is an absolute necessity for some change along the lines suggested if the work is to be successfully carried on.

All of which is respectfully submitted.

Orangeville, January 26th, 1920.

C. R. WHEELOCK, Engineer Co. Peel.

PEEL COUNTY ROADS

Statement of Work and Expenditure for the year 1919

CONSTRUCTION WORK

Provincial County Road No. 1—Hurontario Street, from Port Credit to Orangeville

Work done in Caledon Township:—

A guard rail 400 feet in length, consisting of trimmed cedar

posts with two lines of 2" x 6" Georgia pine rails planed on one side, was built on the west side of the road at Sligo Hill, opposite lot No. 2; and 5 iron culverts were put in.

The cost was as follows:

Two iron culverts were placed. Cost	93 60
A 14-ft span reinforced concrete bridge with 20-ft clear roadway was built near Port Credit, north of railway tracks. This bridge has been opened for traffic, but is not altogether completed. Fifty dollars has been retained to do the necessary finishing. The amount paid on account is	856 51
Total expenditure for construction on Provincial County Roads	$ 1605 86

County Road No. 6—The Five Side Road, Chinguacousy and Toronto Gore Townships

Work done in Chinguacousy Township:—

The big fill over the stone arch culvert in the 4th Concession, W.H.S., about 350 feet in length, was widened and raised in places. Guard railing consisting of cedar posts with two lines of 2"x6" rails, was built on both sides of the fill. About 700 feet of railing was built at this place, also about 90 feet at the Huttonville bridge.

Two iron culverts were placed, one in the 2nd Concession, W. H.S., and the other in the 5th Concession, E.H.S.

Summary of cost:—

Labor and teams, filling hollow and constructing guard railing	$ 972 65	
Material for filling	45 00	
Material for guard railing	125 39	
Blacksmith bills	6 80	
	$ 1149 84	
Culverts	238 10	
		$ 1387 94

Work done in Toronto Gore Township:—

The filling over the concrete arch culvert in the 8th Concession was completed and gravelled.

One iron culvert was placed east of the River in the same Concession.

Summary of cost:—

Labor and teams, filling and hauling gravel	$ 217 40	
Gravel at pit	64 75	
Tools	1 05	
	$ 283 20	
Culvert	46 70	
		$ 329 90

County Road No. 7—The 17 Side Road, Chinguacousy Township

The 2nd Concession, E. H. S., was graded and made ready for gravel. The gravel work was commenced but only a short piece of the road was done. Considerable cutting and filling were done to bring the hills to an easy grade.

Five iron culverts were placed East of Hurontario Street.

Summary of cost:—

Labor and teams, grading and hauling gravel	$ 1628 00	
Gravel	22 60	
Blacksmith bills, etc.	2 80	
	$ 1653 40	
Culverts	314 20	
		$ 1967 60

The 2nd Concession, W. H. S., was graded and made ready for metal.

Nine iron culverts were placed west of Hurontario Street.

Summary of cost:—

Labor and teams, grading and placing culverts	$ 957 90	
Blacksmith bills, etc.	1 70	
Culverts	549 60	
		$ 1509 20

County Road No. 8—The 10 Side Road in Albion Township

Two iron culverts were placed in the 4th Concession. Cost 149 40

County Road No. 9—The 15 Side Road in Caledon Township

The 5th Concession, E.H.S., was graded and made ready for gravel. About 60 rods at the westerly end were gravelled.

Cost:—		
Labor and teams, grading	$ 321 75	
Labor and teams, hauling gravel	166 00	
Gravel at pit	17 10

Coal	33 69	
Tools	6 10	
		$ 2700 35

County Road No. 14—The Orangeville and Alton Road, Caledon Township

The work of cutting hills, grading and gravelling on the 2nd Line, which was commenced in 1918, was completed from the 25 Side Road southerly to the C. P. Railway, a distance of about one-half mile. South of the railway a small hill was cut down and the material used for widening the road in the adjoining swamp.

One iron culvert was placed opposite Lot No. 28. Cost:—

Labor and teams	$ 3707 93	
Blacksmith bills, tools, etc.	6 55	
	$ 3714 48	
Culvert	32 40	
		$ 3746 88

The 3rd Line was graded opposite Lots Nos. 16, 17 and 18, and metalled with crushed stone opposite Lot No. 16. Local stone crushed near the road was used. The stone was delivered on the road at $2.35 a cubic yard.

Four iron culverts were put in. Cost:—

Labor and teams	$ 2014 32

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Committee on Printing and Contingencies beg leave to report as follows:

We have received an account from the Municipal World for Assessment and Collectors' Rolls, stationery, etc., for $176.40, and recommend payment of same.

We also recommend payment of $6.05 to Joseph Doust for supplies for Sheriff.

We received a tender from The Conservator for the printing of eight hundred copies of minutes, reports, by-laws, etc., of the County of Peel for the current year at a rate of $1.75 per page, and recommend that this tender be accepted.

All of which is respectfully submitted.

D. B. KENNEDY, Chairman.

(Adopted)

W. D. BOWLES, Warden.

FIRST REPORT OF COMMITTEE ON EDUCATION

Brampton, January 29th, 1920.

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Committee on Education beg leave to submit their first report.

1. We have before us the claims from the High Schools for which the County is liable and recommended that the following amounts be paid:

Brampton High School	$4446 00
Georgetown High School	576 07
Streetsville High School	1725 00

2. We have the resignation of Mr. John Weylie as a member of Streetsville High School Board, and recommend that the same be accepted.

3. We recommend that Mr. D. H. McCaugherty be appointed a member of Streetsville High School Board for 1920-21-22.

4. We have the resignation of Mr. Darius McClure as a member of Brampton High School Board, and recommend that the same be accepted.

5. We recommend that James Laidlaw be appointed a member of Brampton High School Board for 1920-21 to fill the balance of Mr. McClure's term.

6. We recommend that D. L. Heggie be reappointed a member of Brampton High School Board for 1920-21-22.

FIRST REPORT OF FINANCE COMMITTEE

Brampton, January 30th, 1920.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Committee on Finance beg leave to submit their first report.

1. We have a communication from the Sick Children's Hospital, asking for a grant. We recommend that the usual grant of $30.00 be made.

2. We have examined the Treasurer's statement in detail, showing the receipts and expenditures under the different headings, the same being shown in a concise manner. We therefore submit the same for the inspection of the Council.

3. Pursuant to the report of the Treasurer we recommend that a By-law be introduced to authorize the Warden and Treasurer to borrow money for the current expenses of the year.

4. We received a communication from the Public School Inspector informing us that the amount of $200.00 allowed for travelling expenses is entirely inadequate. Your committee find that the By-Law allowing this amount was passed some thirty years ago. After giving the matter serious consideration we would recommend that the amount be increased to $350.00, to make the allowance for the above purpose more in keeping with present conditions.

5. We received a communication from the Village of Streetsville asking that the County Treasurer be instructed to take steps to have all land on which taxes remain unpaid sold in accordance with the statutes pertaining thereto. We recommend that the Council take action in this matter.

6. We have another communication from John Phillips, caretaker, asking for an increase of $200.00 in salary. This is asked for owing to the high cost of living. We recommend that this matter be taken up by the Council as a Whole. In Council it was decided that a bonus of $150.00 be granted the caretaker for the year 1920, same to be paid in quarterly instalments.

7. We have received no tenders for the supplying of bread and meat for the County Gaol, and would recommend that the Gaoler be instructed to make the best possible terms in the meantime or until the next regular meeting of Council.

All of which is respectfully submitted.

R. M. PARKINSON, Chairman.

(Adopted)

W. D. BOWLES, Warden.

Brampton, Ont., June 15th, 1920.

To the Warden and Council of Peel County.

Gentlemen:

I herewith submit a statement of the first quarter of the current year, also the estimates for the year 1920.

We commenced the year with a deficit in our general account of $1315.00. I have not borrowed any money from the Bank this year to this date. I have borrowed $24,000.00 from Good Roads Account

to date and have paid the running expenses out of these loans and have paid for Debentures and coupons maturing since April 1st $17,442.70, leaving a balance owing on Debentures due in July $11,835.24. Our County rates for 1919 were $50,000.00, which was $15,300.00 below my estimates. I have left the estimates for Bridges blank until I could get some figures from the Council. I would advise making the County rates sufficiently high to give us a credit balance at the end of the year. I have received a statement from the Metropolitan Life Insurance Coy, of surrender values of policies returned to the Company, also a cheque for $1486.29, covering the same.

Your Obedient Servant,

R. CRAWFORD, Treasurer.

To the Warden and Council of the County of Peel:
Gentlemen:

Your special Committee appointed to inspect the County Boundary Line bridges beg to submit the following report:

Your committee, after having carefully inspected all bridges where new structures or repairs were said to be necessary, would recommend as follows:

(1.) That a reinforced concrete bridge, 22 foot span, be built to replace the old wood bridge (Schedule No. 99) on the boundary line between the Townships of Chinguacousy and Toronto opposite the w. h. of the 4th Concession E. H. S. as the abutments and superstructure are in bad condition and the bridge dangerous for heavy traffic.

(2) That a reinforced concrete bridge, 12-foot span, be built to replace the wood culvert (Schedule No. 7) on the boundary line between Toronto and Etobicoke Townships. We found gravel on the ground at this culvert ready for building and it is quite probable that arrangements were made last year for rebuilding, but we were not able to get any information as to this although we made inquiries of a farmer living within a hundred yards of the bridge.

(3.) That a reinforced concrete culvert, 8-foot span be built to replace the old wood culvert (Schedule No. 11) on the boundary line between the Townships of Toronto Gore and Etobicoke opposite Lot 6 of the Gore. The present culvert is in a dangerous condition for traffic.

(4) That a reinforced concrete culvert, 6-foot span, be built to replace the old wood culvert (Schedule No. 21) on the boundary between Albion and Vaughan at the south-easterly corner of Albion. This culvert is in a dangerous condition.

(5) That a reinforced concrete bridge, about 30 feet in span, be built to replace the old wood bridge over the Credit River (Schedule No. 42) and that Mill Creek be diverted about 200 feet and made pass through the new bridge thus doing away with the necessity for a bridge over Mill Creek (Schedule No. 43).

(6.) That the old log culvert (Schedule No. 52) on the boundary line between the Townships of Caledon and Erin be replaced by a corrugated iron culvert.

Your Committee would further recommend the following repairs:

Schedule No. 1: A concrete truss bridge over the Etobicoke on

the Middle Road, Toronto Township; the washout in west approach to be filled.

Schedule No. 4: A steel truss bridge over the Etobicoke on the Burnhamthorpe Road; a new plank floor, 75'x16' with 150 feet of 4"x 4" top pieces and 20 new stringers, 12"x4"x16" is required. Some of the old plank may be used to repair the guard railing.

Sechdule No. 29: A wood bridge between the Townships of Albion and King opposite Lot 10; one additional round cedar stringer, at least 9 inches at the small end and 18 feet long, and 2 new planks for the floor, 10"x3"x14', are required.

Schedule No. 34: A steel beam bridge with concrete floor and abutments, between Albion and Adjala. The superstructure is in good condition, but the abutments are wearing with the action of the water and ice and should be repaired.

Scehdule No. 36: A short span with steel I beams and concrete floor and abutments between Albion and Adjala. The top of walls holding the gas pipe railing require to be repaired, also the abutments.

Schedule No. 73: A steel truss bridge over the Credit River at Norval; hole in southerly approach filled and the guard railing repaired.

Schedule No. 76: A four foot corrugated iron pipe between Chinguacousy and Esquesing; concrete ends and guard railing should be built on this pipe.

Schedule No. 81: A small culvert with dry stone walls between Toronto and Trafalgar; about three feet of walls to be rebuilt at easterly end.

To the Warden and Council of the County of Peel.

Gentlemen:

Your Committee on the Children's Shelter beg to submit their first report.

That I have visited the said Shelter twice, namely, on April 15th and June 8th, and do hereby report that I have found things pertaining to the Shelter in good order and working with harmony.

And recommend that the Committee be paid 2 days' commission, $10.00, and mileage $7.60.

All of which is respectfully submitted.

W. N. RIDDELL, Chairman.

(Adopted.)

W. D. BOWLES, Warden.

THIRD REPORT OF THE COMMITTEE ON EDUCATION

Brampton, June 15th, 1920.

To the Warden and Council of the County of Peel.

Gentlemen:

Your Committee on Education beg leave to submit their third report as follows:

We are in receipt of a statement of claim for maintenance of Peel County pupils attending Orangeville High School for the year 1919, amounting to $951.20 and would recommend that the same be paid.

We have also received an application for maintenance of one Peel County pupil attending Fergus High School for the year 1919, amounting to $23.55, and recommend payment of same.

We have received a communication from W. M. Morris, Sec.-Treas., Ontario Educational Association, re the organization of a County Educational Association and would recommend that the same be filed for the present.

All of which is respectfully submitted.

O. R. CHURCH, Chairman.

(Adopted.)

W. D. BOWLES, Warden.

SECOND REPORT OF COMMITTEE ON COUNTY PROPERTY

June 15th, 1920.

To the Warden and Council of the County of Peel.

Your Committee on County Property beg to report as follows:

1. Your Committee have inspected the work done in connection with the renovation of the Court House and find the same has been carried out in a very satisfactory manner and in accordance with the specifications governing the work. The tender price was $1245.00 and the contractor has been paid $1000.00 on account. We recommend that the contractor, James Harmsworth, be paid the balance owing him under contract amounting to Two Hundred and Forty-Five Dollars ($245.00).

2. Your Committee have purchased the supply of coal for the County Buildings all that the buildings will accommodate. We recommend that the balance of account for coal supplied, owing to The People's Fuel Co., amounting to $350.00, be paid.

THIRD REPORT OF FINANCE COMMITTEE

June 24th, 1920.

To the Warden and Council of the County of Peel:

Your Committee on Finance beg to report as follows:

We have before us a communication from the Provincial Secretary's Department with estimate of expenses made by the Board of License Commissioners, re enforcement of the Canada Temperance Act, and submit same to the Council as a whole.

We have a communication from the Department of Public Highways enclosing a copy of an Order-in-Council authorizing payment to the County of Peel for the sum of $35,512.26, being forty per cent. of the amounts properly expended on County Roads. This amount has been received and placed to the credit of the County.

A letter or tender was received from A. L. Marshall for bread at 8 cents per lb. from March 31st, 1920. We, your Finance Committee, recommend no action be taken as bread up to the present time has been purchased in the open market at the best possible price.

Your Treasurer has received the sum of $1,486.29, being the cash surernder values on policies from the Metropolitan Life Insurance Co., and placed the monies to the General Account. We now submit the report of same for approval.

We wish to present the statement of the First Quarter of the current year as submitted by the Treasurer for the consideration of the Council as a whole.

Your Committee has received an application from the County

Treasurer re increase in salary. We would recommend that an increase be made but that the said amount be left for the consideration of the Council as a whole. Council recommended a bonus of $200 for the year 1920.

We would also recommend that the application for an increase in the Clerk's salary be referred for the consideration of the Council as a whole. Council recommended that a bonus of $200.00 be granted to the Clerk for the year 1920.

We also recommend payment of the following account:
L. H. Willis, stamps, express, etc. .....$ 13 75

All of which is respectfully submitted.

R. M. PARKINSON, Chairman.

(Adopted.)

W. D. BOWLES, Warden.

FIRST REPORT OF COMMITTEE ON AGRICULTURE

Brampton, June 17th, 1920.

To the Warden and Council of the County of Peel.

Gentlemen:

Your Committee on Agriculture beg leave to submit their first report.

We have received a communication from Robert Bowman, Secretary Toronto Gore Agricultural Society, asking for the usual grant of $40. We have also received a communication from Miss K. McIntosh, Secretary-Treasurer Peel Women's Institute, asking for the usual grant of $25.00 and we recommend that these grants be made.

Your Committee would recommend that the usual grants to Agricultural Societies and Fairs be made, namely: Cooksville, Brampton, Streetsville, Caledon and Bolton.

With reference to the communication from Mr. Carroll, Agricultural Representative, asking that the grant for School Fairs be increased to $150.00. We recommend that this sum be granted.

Regarding the address of Mr. R. W. Wade, re the elimination of scrub bulls, we recommend that this be left for the consideration

of the whole Council. In Council a resolution was passed endorsing the action taken by the District Representative for the elimination of the scrub bull.

All of which is respectfully submitted.

G. WILEY, Chairman.

(Adopted.)

W. D. BOWLES, Warden.

FIRST REPORT OF HOUSE OF REFUGE COMMISSIONERS

Brampton, June 15th, 1920.

To the Warden and members of the County Council.

Gentlemen:

Your Commissioners for the House of Refuge for the Joint Counties of Peel and Halton beg to submit their first report as follows:

1. The following persons have been received as inmates since the January Session of the Council:

From Peel County—George Wiley.

From Halton County—David McLaren, Elizabeth Hatton, Mrs. Shingler and Margaret Snowball.

2. The resignation of the Superintendent and Matron has been tendered to your Commissioners, the same to take effect on July 1st, 1920. Your Commissioners see fit to accept the same and have advertised in the papers of Peel and Halton Counties for applications for the position made vacant, the applications to be in by June 21st. It will be necessary that the two County Councils of Peel and Halton make the appointment some time before the 1st of July, and your Commissioners have requested the Halton Council now in session to appoint a day sometime next week when the two Councils may meet in session and make the appointment and pass the necessary By-law.

3. Your Committee submit the following estimates to meet the requirements for maintenance and repair for the current year.

Salaries	$ 2000 00
Stock	400 00

Dry goods, boots and shoes	375 00
Capital expenditure	500 00
Supplies	2500 00
Miscellaneous	400 00
Insurance heat and light	2300 00
Total	$ 8475 00
Peel's share	$ 4300 00

We would ask the Council to make the necessary provision to meet the above in making the levy for the year.

All of which is respectfully submitted,

W. D. BOWLES,
A. H. MILNER, Sec.
Commissioners for Peel.

(Adopted) W. D. BOWLES,
Warden.

SECOND REPORT OF THE CHILDREN'S SHELTER COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on the Children's Shelter beg to report as follows:

That we attended the annual meeting of the joint Committees of the Gordon Home on Thursday, November 18th.

The financial statement for the year ending October 30th, 1920, shows receipts of $5815.69. The expenditure was $5562.60, leaving a balance on hand of $253.09.

The Committees decided to raise the Matron's salary from $35.00 to $45.00 per month. They thought the Matron was giving excellent service and deserved more money.

The salary of Inspector Stewart also came up for discussion and it was recommended that he be given an increase of $400, the present salary being $1200 per year. Each County pays $360 and the Government $480 towards his salary. (Council recommended that no action be taken re increase in Inspector's salary.)

During the year $440.00 was received in cash donations from individuals and various societies.

There are at present 14 children in the Home, 10 boys and 4 girls. Five of these are babies. There is now an epidmic of whooping Five of these are babies. There is now an epidemic of whooping

The rumor has been circulated to the effect that the Councils of the two Counties were paying the whole cost of maintaining the Home and that private donations were not needed. This impression should be corrected for while the Counties pay for the upkeep of the institution donations are always acceptable to provide clothing and other necessaries for the children.

A vote of thanks was tendered Drs. Gowland and King for their services to the children which were given entirely without charge.

All officers have been re-elected for the ensuing year with Mr. T. W. Duggan President.

We personally inspected the property. Repairs are necessary in connection with the septic tank and a new roof should be put on part of the building. These repairs will be attended to by the Committee.

It has been estimated that it will require $6000 to finance the Home for the coming year.

We recommend that a suitable photograph of the Home be procured and hung in the Peel County building.

A summary of the Treasurer's report is included in this report.

The Inspector requested the Committee to place a table and chair in his office.

The Committee thought that some person might make a donation of these articles and save the Committee purchasing them. If not the Committee would buy them.

We recommend that the following accounts be paid:

W. N. Riddell, 1 day at Milton and mileage	$ 6 60
O. R. Church, 1 day at Milton and mileage	6 60

All of which is respectfully submitted.

W. N. RIDDELL, Chairman.

Roads and Bridges

To the Warden and Council of the County of Peel.

Gentlemen:

Your Standing Committee on Roads and Bridges beg to submit the following report:

Your Committee, following the directions received from this Council at the June Session, have had the following work done:

A 25-foot reinforced concrete bridge (Schedule No. 99) built on the boundary line between the Townships of Toronto and Chinguacousy opposite the w. half of the 4th concession E. H. S. The contract price amounts to $1695.00 and there is a balance of $736.15 due to the Contractor which we recommend to be paid on the order of the County Engineer.

The 8-foot span wood culvert (Schedule No. 11) on the boundary between the Townships of Toronto Gore and Etobicoke was repaired, the bills in connection with the same which we recommend to be paid, and one-half of which is to be recouped by Etobicoke, were as follows:

W. H. Taylor, hauling material and covering culvert ....$	7 00
Treasurer of Toronto Gore, plank	21 84

The 6 foot wood culvert (Schedule No. 21) on the boundary between Albion and Vaughan was repaired under directions of the Vaughan representative, but the bills for Peel's share have not yet been received.

Plans and specifications were prepared for a new reinforced concrete bridge over the Credit River (Schedule No. 42) on the boundary between Caledon and Orangeville, the contract was let to John Kidd, but the bridge has not yet been built.

The old log culvert on the boundary between Caledon and Erin was replaced by a corrugated iron pipe. The cost of the pipe was $155.54 and work $37.10, in all $192.64, one-half of which is to be recouped by the Township of Erin.

A small bridge (Schedule No. 89) with masonary abutments and wood top, on the boundary between Toronto and Trafalgar was repaired by the Trafalgar representative, but the bill for our share of the cost has not yet been received.

The washout in the approach on the westerly side of the steel truss bridge between Toronto and Chinguacousy (Schedule No. 95) was filled and the railing repaired. We recommend the payment of the cost of same, amounting to $252.46.

A small wood truss bridge between Toronto and Chinguacousy (Schedule No. 100) was repaired, the cost was: For timber $60.11, spikes $3.20, work $17.20, all of which has been paid.

The bridge over the Etobicoke River on the Burnhamthorpe Road was repaired, but as this bridge is now included on the County roads the bills have been charged to the Roads account.

The bridge on the Toronto-Hamilton Highway at Port Credit, we understand, is now completed, but we have as yet received no official notice of the same, the bridge has therefore not yet been inspected by your Committee and nothing has been paid to the Highway Commission. The accounts received to date for the work amount to $8190.00, but these accounts have not yet been approved.

Your Committee have carefully considered the bills and accounts laid before them and recommend payment of the following:

W. H. Stephens, Inspector	$ 90 00
John Anderson, Commissioner	15 00
W. D. Bowles, Commissioner	20 00
Geo. Wiley, Commissioner	5 00
E. A. Orr, Commissioner	25 00

FOURTH REPORT OF THE EDUCATION COMMITTEE

Brampton, Nov. 19th, 1920.

To the Warden and Council of the County of Peel:

Your Committee on Education beg to report as follows:

We have received a communication from Mr. Maybee, Chairman Pt. Credit Continuation School, showing amount due said school by this County and would recommend that the County Treasurer be authorized to issue his cheque to the Treasurer of Port Credit Continuation School for the sum of $73.55, being an equivalent to the Government grant to said School.

In reference to the request of the County of Peel Educational

Association for a grant of $300.00 for educational purposes, we recommend that a grant of $50.00 be made to the Association.

All of which is respectfully submitted.

O. R. CHURCH, Chairman.

W. D. BOWLES, Warden.

FOURTH REPORT OF THE FINANCE COMMMITTEE

Brampton, Nov. 19, 1920.

To the Warden and Council of the County of Peel:

Your Committee on Finance beg to report as follows:

1. We have a communication from the Navy League of Canada asking your Council for a grant of $2000.00 to be donated to the following objects of the league:

1. To establish and complete an endowment fund.
2. To continue every Sailors' Home institute.
3. To continue training 2000 Canadian lads for sea.
4. To continue therefore the development of trade.

Your Committee would recommend that no action be taken at this Session.

2. We would recommend that the account of L. H. Willis, Clerk, for $8.65, be paid, the same being for stamps, express, etc.

3. We have also the Treasurer's statement of the finances of the County and would recommend the same for the careful consideration of the Council.

4. We would also recommend that no further grants be made owing to the state of the money market and the Banks refusing to allow any overdrafts.

All of which is respectfully submitted.

R. M. PARKINSON, Chairman.

TREASURER'S STATEMENT OF THE FINANCES OF THE COUNTY

Brampton, Nov. 16, 1920.

To the Warden and Council of Peel County.

Gentlemen:

I desire to place before you the financial standing of our County at this date.

We had a debit balance to begin the year in our County of $1314.89. Your Warden and Treasurer have borrowed from the Merchants Bank to this date $80,000.00. I have also borrowed from Good Roads Account $34,000.00 up to July. I have paid this all back to Goods Roads and have loaned Good Roads $30,000.00 since Sept. 7. This amount is still due the County from Good Roads, which will be taken from the taxes levied for Good Roads in the current year. The County rates are $50,000.00 and due by Good Roads $30,000.00, will make a total of $80,000.00. This will retire the $80,000.00 of notes in the Bank. I have a balance to the credit of the County at this date of $5,650.00. We have all grants to the Fairs and salaries on December 31st, Jury and Court expenses for December Court, also County Council expenses and some for Roads and Bridges. These will amount to about $3500.00, exclusive of the Hamilton Highway bridge at Port Credit for which we have bills now to be paid of $8,190.00. If these accounts are paid out of County funds we will have a deficit at the end of the year of $6,000.00.

In the good Roads account we are debtor to the Bank at this date for $7,290.00. Streetsville owes the County Good Roads at this date $8,009.33. We estimate it will take $10,000.00 to pay Good Roads bills in December. This will leave us a balance in our Good Rads account of about $10,000.00 at the end of the year.

The House of Refuge is provided for to the end of the year for Peel's share.

Canada Temperance Act has sufficient to carry over to the New Year.

The Children's Shelter will require say $500.00 to provide for coal and other bills and Port Credit School has to get $873.55, equivalent to Government grant. Bolton School has to be paid $129.21, equivalent to Government grant.

You will see by this statement that you have no money to make any grants for anything that has not been provided for and the

Bank won't allow any overdrafts. You will, therefore, govern yourselves accordingly.

Your obedient servant,

Robt. Crawford, County Treasurer.

3RD REPORT OF THE COUNTY PROPERTY COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on County Property beg to report as follows:
Your committee have met in regular session at each quarter during the year and have passed the accounts properly certified.

There has been considerable expense incidental to the necessary repairs in connection with the renovating of the Court House, but other expense in connection with the other public buildings has been comparatively small.

We are glad to report that the general condition of the buildings is quite satisfactory, although some expense may be necessary for certain improvements and repairs on the gaol and registry office.

We recommend that the following account be paid:
R. W. Hall, repairs to Court House .....$ 92 90

All of which is respectfully submitted.

A. H. MILNER, Chairman.

REPORT OF THE PHYSICIAN TO HOUSE OF REFUGE

To the Warden and Council of the County of Peel.

Gentlemen:

This report dates from Nov. 20th, 1919, to the present.

During this period I have visited the House of Refuge seventy-two times. There have been four deaths, viz.:

Alexander McArthur, aged 77 years, died from anaemia on January 9th, 1920.

Richard Fleming, aged 101 years, died from kidney trouble on March 13th, 1920.

James Stewart, aged 83 years, died from stoppage of the bowel on August 4th, 1920.

John Mitchell, aged 68 years, died from heart disease and dropsy on September 22, 1920.

There are two old men who should have a paid attendant to look after them as they require a great deal of attention.

The new Caretaker and Matron are getting along fine and the old folks are comfortable and happy.

I have the honor to be your servant,

R. G. EDWARDS.

SPECIAL COMMITTEE RE COMMON GAOL FOR COUNTIES OF HALTON, DUFFERIN AND PEEL

Brampton, Nov. 16th, 1920.

To the Warden and Council of the County of Peel.

Gentlemen:

Your Committee appointed to confer with representatives from the Counties of Halton and Dufferin, with a view to having one gaol serve the three counties, beg leave to reports as follows:

Your Committee with representatives from each of the other Counties met in the Court House at Brampton during the month of July. The representatives from Halton County did not approve of the idea of having them joiin with Dufferin and Peel their argument being that the County of Halton having more centres of population and some of the larger towns being situated in the lower part of the County which placed them at a disadvantage in conveying prisoners back and forth for arrest and trial. They submitted statistics on the number of prisoners placed in the gaol at Milton, which they claimed justified the maintainance of a gaol for the County of Halton. Your representatives submitted that the gaol at Brampton was sufficient to accommodate the requirements for all three counties and that a "lock-up" in the towns was all that was necessary. It seemed to be generally admitted that if a common gaol was to serve the three counties that Brampton was the logical centre for such. The representatives from Dufferin seemed of the opinion that one gaol at Brampton would serve Peel and Dufferin Counties, but that, owing to the small number of prisoners admitted to their gaol, that any union of the two counties for gaol purposes

should be based on a per diem basis for he prisoners committed from Dufferin to Peel gaol. The outcome of this meeting was that Halton decided not to carry on further negotiations so far as Halton's entering into the agreement. Peel and Dufferin representatives met again on the day of the session of the Ontario Public Service Commission in Brampton. The result of this meeting was that a committee from Dufferin Council should appear before the Peel County Council in session in November with some concrete proposal as to the terms upon which they would join with Peel. Your committee thought the basis of such an agreement should be the same as that between Peel and Halton in the matter of the House of Refuge, but Dufferin were firm in their opinion that the only basis upon which they would consent to a common gaol should be a daily charge for each prisoner committed from Dufferin County.

Your Committee are strongly of the opinion that the continuance of separate gaols in these Counties is altogether unnecessary, both in the matter of service and expense, and trust that the object of this committee may be accomplished.

We recommend the payment of the following commissions:

E. A. Orr, 1 day and mileage	$ 6 80
W. D. Bowles, 1 day and mileage	6 30
A. H. Milner, 2 days	10 00

All of which is respectfully submitted.

A. H. MILNER, Chairman.

FOURTH REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel:

Your Committee on Good Roads beg to report as follows:

1. That we have received a communication from Jos. Watson, of the Township of Caledon, re damages to buggy which occured some years ago, and we would recommend that no action be taken.

2. We have received a communication from the Department of Public Highways, notifying us that Hurontario was vested in the

Crown on July 22nd, 1920, and would recommend that the same be filed.

3. We have received a communication from W. C. H. Swinburne, Solicitor for T. T. Lundy, re water flooding his farm, and would recommend that no action be taken.

4. We have received a claim from James Sheehan for damages sustained when his auto went over an embankment on 15 sideroad, and would recommend that he receive the sum of $12.50 in full of his claim.

5. A notification from the Department of Highways informs us of an Order-in-Council approving of By-laws Nos. 541, 542, 552, 554, 556, 557, and would recommend that same be filed.

6. We have a communication from D. H. Barrett, re damages to auto on 17 sideroad, Chinguacousy, and would recommend that no action be taken. This clause be referred to Good Roads Committee.

7. We have a communication from A. G. Davis, Solicitor for E. Wild, re damages to auto on Hurontario Street in Caledon, and would recommend that Mr. Wild's claim be paid.

8. We have a communication from Hiram Gibson, of Palgrave, re damages to his threshing outfit and would recommend this to the consideration of the whole Council.

Referred to Good Roads Committee.

All of which is respectfully submitted.

AUDITORS' REPORT

The Warden and Council of the County of Peel:

Gentlemen:—

Your Auditors for the year ending December 31st, 1920, beg leave to report as follows:—

We have gone over and checked closely the books and accounts of your Treasurer, being mindful of the sources of revenue. As to the expenditure we have checked the vouchers in the shape of returned cheques and receipted accounts. In Good Roads Account we have accepted the reports of your Good Roads Committee, which are prepared by your Engineer and signed by the Chairman of the Good Roads Committee.

In the examination of your Treasurer's accounts, we find that he has five sets of books, with the same number of bank accounts, which must of necessity require careful accounting.

We find that the total receipts from all sources amount to the sum of $322,648.10 with disbursements $304,246.19, leaving a balance to the County $18,437.91. Of this balance $22,723.96 will be required to meet Good Roads debentures and coupons, and $6,633.39 patriotic debentures and coupons falling due this year. This shows a debit balance in the County's General Account of $10,919.44.

GOOD ROADS

In the Good Roads Account we find receipts amounting to	$211600 65
Disbursements	204375 08
Leaving a balance of	$ 7225 57

NON-RESIDENT LAND TAX

The non-resident land tax collected by the Treasurer in 1920, amounting to $488.58. This amount has been paid back to Caledon, Streetsville, Port Credit, Toronto Township, leaving no balance.

HOUSE OF REFUGE ACCOUNT

The Peel and Halton House of Refuge Accounts have been verified and show receipts amounting to	$ 9669 08
Disbursements of	9624 27
Balance of	$ 44 81

PUBLIC SCHOOL ACCOUNT

The receipts of this account amount to	$ 9281 31
Disbursements same	9281 31

Leaving no balance.

CANADA TEMPERANCE ACCOUNT

Cash on hand, January 1st, 1920	$ 65 80

County of Peel	400 00
Bank interest	4 60
	$ 1070 40
Paid Dom. Bank License Acct.	972 53
Balance	$ 97 87

Your Auditors desire to express their thanks to the Treasurer for his kindly assistance and also to commend the very admirable manner in which his accounts are kept.

All of which is respectfully submitted.

JOHN SPEERS,
ALEX. McFARLANE, Auditors.

JOHN SPEERS,

ALEX. McFARLANE, Auditors.

R. CRAWFORD, Co. Treasurer.

ROAD SUPERINTENDENT'S REPORT

To the Warden and Council of the County of Peel.

Gentlemen:—

I beg to submit herewith a statement of the moneys expended in accordance with the regulations of the Department of Highways on the Peel County Roads System for the year 1920; together with the tabulated statement, declarations, etc., necessary to be forwarded to the Minister of Public Works, with your petition for the Government subsidy.

In presenting my first annual report to your Honourable Body, I would call your attention to the change in the County Road System. 40½ miles of the Provincial County Roads are now Provincial Highways, on which the County pays 20% of all expenditures on the road itself. Owing to a number of roads being added to the System, the County now has 146 miles of County Road and 2½ miles of Provincial County Road. Half of this mileage is still to be improved and many of the improved roads need resurfacing.

Mr. Wheelock planned most of the work started during the months of May and June and the work on the whole followed his plan. Mr. Wheelock advised in his Report on the work done in 1919 the addition to the present organization of one or more permanent construction gangs with suitable machinery. This advice still holds good, and I would suggest that owing to the distance it is necessary to haul road metal in many cases and the excessive cost and unsatisfactory delivery of any metal transported by railroad that the Council consider the use of trucks in hauls longer than two miles.

It would also be economy to use some form of road oil or tar roads like the Brampton Sideroad.

All of which is respectfully submitted.

Brampton, January 27th, 1921.

N. L. POWELL,

County Road Superintendent.

PEEL COUNTY ROADS

Statement of Work and Expenditure for the year 1920

CONSTRUCTION WORK

Provincial County Road No. 1—Hurontario Street

The only construction work on this road was to complete the

14-foot bridge near Port Credit. Fifty dollars was retained in 1919 to finish this work, which cost:

JANUARY SESSION

Council Chamber, Brampton, Jan. 25, 1921.

The Council met at 2 p.m. in accordance with the Municipal Act, the clerk presiding.

The following named members, having filed their certificates, answered to their names as representing the several municipalities:

For the Township of Albion: J. Anderson, Reeve; W. N. Riddell, Deputy Reeve.

For the Township of Caledon: Thos. Quinn, Reeve; Jas. F. McDonald, Deputy Reeve.

For the Township of Chinguacousy: T. H. Elliott, Reeve; Jas. Bovaird, Deputy Reeve.

For the Township of Toronto: E. A. Orr, Reeve; D. J. Lammy, 1st Deputy Reeve; J. R. Kennedy, 2nd Deputy Reeve.

For the Township of Toronto Gore: Geo. Wiley, Reeve.

For the Town of Brampton: A. H. Milner, Reeve; Wm. Warr, Deputy Reeve.

For the Village of Bolton: D. B. Kennedy, Reeve.

For the Village of Port Credit: R. M. Parkinson, Reeve.

For the Village of Streetsville: O. R. Church, Reeve.

The members were informed that their first duty was to elect a Warden for 1921.

Moved by Mr. Kennedy (J. R.), seconded by Mr. Church, that the mode of procedure for the election of a Warden for the County of Peel for the year 1921 shall be as follows:

1. That ten minutes shall be allowed for nominations.

2. That the member of this Council who has filed his certificate of election under the Municipal Act receiving a majority of the votes of the members present shall be declared elected. Carried.

Nominations for the office of Warden were then asked for.

Moved by Mr. Anderson, seconded by Mr. Orr, that R. M. Parkinson, Reeve of Port Credit, be Warden for the year 1921.

Moved by Mr. Kennedy (D. B.), seconded by Mr. Warr, that A. H. Milner be Warden of the County of Peel for the year 1921.

No other nominations being made within the allotted time, a vote was taken on the motion that Mr. Parkinson be Warden. Yeas: Messrs. Anderson, Church, Elliott, Kennedy (J. R.), Lammy, Orr, Parkinson, Riddell and Wiley—9.

On the motion that Mr. Milner be Warden the yeas were: Messrs. Bovaird, Kennedy (D.B.), McDonald, Milner, Quinn and Warr—6.

On motion of Mr. Milner the election of Mr. Parkinson was made unanimous.

Mr. Parkinson was escorted to the chair by his mover and seconder, subscribed to the declaration of office, addressed the Council, thanking them for the honor conferred and entered upon his duties.

Minutes of last day of November session read and adopted.

The following communications were received and read, viz.:

PUBLIC SCHOOL INSPECTOR'S REPORT

Public School Inspector's Office,

Brampton, January 28th, 1920.

To the Warden and Council, County of Peel.
Gentlemen:—

I have the honor to submit herewith my report on the Public Schools in the County of Peel for the year 1920.

It is a pleasure to me to be in a position to report again that the work of the teachers and pupils of the County has been very satisfactory, and that in most cases good progress has been made.

A comparison with the report presented to you a year ago shows a gain of 6.4 per cent. of the total enrolment of the pupils in the county. It is particularly gratifying to note that whilst the gain in enrolment in the urban municipalities is 7, the gain in the rural sections is 160. This would indicate that, in this county at least, rural depopulation has ceased for the present. The following table shows the gains and losses in the several municipalities:

Rural	1919	1920	Gain	Loss
Albion	374	385	11	
Caledon	571	561		10
Chinguacousy	588	621	33	
Toronto	1000	1116	116	
Toronto Gore	141	150	10	
	2674	2838	170	10
Urban				
Brampton	828	801		27
Bolton	160	166	6	
Port Credit	344	338		6
Streetsville	165	199	34	
Total	1497	1504	40	33
Grand Total	4170	4338	210	43

There is, however, another aspect of the matter of attendance, which is somewhat disappointing. The greatest efficiency is obtained only when the percentage of attendance is highest. The lowering of the percentage may, in part, be attributed to the extreme severity

of the weather and the condition of the roads during the winter of 1920. The percentages are given below:

	1919	1920	In-crease	De-crease
Albion	61	56		5
Caledon	59	54		5
Chinguacousy	63	58		5
Toronto	57	51		6
Toronto Gore	67	57		10
Brampton	69	70	1	
Bolton	70	73	3	
Port Credit	65	60		5
Streetsville	60	60		6

It is only fair to state that the percentages are based upon the supposition that the total number of pupils enrolled are in constant attendance throughout the entire year, but as a matter of fact, the numbers of pupils entering the schools at Easter and in September will reduce the number in actual attendance by probably 20 per cent. When this is taken into account, it will be found that the percentage of pupils in regular attendance will be about one-fourth greater than shown above. The School Attendance Officers appointed by your Councils in January last have been new to their duties, but from reports submitted to me I am led to believe that they have done very effective work, and that with the experience they have gained will bring about even better results during the ensuing year.

Number of School Days

The legal number of days that a public school should have been open during the year is 196. This number is arrived at by deducting the two days for the meeting of the County Teachers' Institute, Thanksgiving, and other Municipal holidays from 199 the possible number of teaching days in the school year. The above number should have been used in determining the average attendance. The average number of days the schools were open during the year was, in rural schools 184, and in urban 190. Thus it is seen that the rural schools lost throughout the County 876 days and the urban 162.

SCHOOL HOUSES

There are in the Inspectorate 82 school houses, 74 in rural sections and 8 in urban municipalities. Of these 63 are brick, 6 stone, 3 concrete, and 10 frame. Several of these are not in every respect altogether suitable for the purpose for which they are used.

New Buildings

Notwithstanding the high cost of material and the scarcity of

labor, the school boards in S.S. Nos. 2 and 9, Toronto, caused to be erected new buildings. In S. S. No. 2 the school population had so increased that additional accommodation became a necessity, and now the section has one of the most up-to-date three-roomed buildings in the Province. The cost approximated $36,000.00. The building in S. S. No. 9 is a one-roomed structure but it is constructed on approved plans and is fully equipped with furnace, Kaustine closet, teacher's private room and library. When the board carries out the plan for the improvement of the grounds the section will have a school property of which it may well be proud.

Improvements

Several boards have made more or less extensive improvements, including the installation of furnaces and sanitary lavatories. Special mention may be made of S. S. No. 10, Albion, where in addition to a complete remodelling of the class room a Kaustine system of closets has been installed. In No. 6 in the same township the trustees had their school house brick-clad, and intend renovating the interior of the class room during the coming year.

Changes of Teachers

The degree of permanency of tenure of position has not made any appreciable change. In this county owing to the proximity of the City of Toronto we have to compete with the better conditions and the higher salaries paid to teachers. I have frequently urged the improvement of the conditions in the rural sections and the payment of better salaries, and now I am pleased to be able to report that during the past year there has been a fairly satisfactory response to my appeal.

Salaries of Teachers

During the past two years there has been in formation a league of the teachers not only in Ontario, but in the other provinces with a view to an increase of remuneration that will compare more favorably with that received by persons in other avenues of life. The result of their efforts in this county is shown in the statement below:

Salaries paid in	1919	1920	Increase
Albion	$ 685	$ 946	$ 261
Caledon	730	928	188
Chinguacousy	722	952	230
Toronto	723	1015	292
Toronto Gore	662	900	238
In all rural schools	708	960	254
Brampton	857	1060	203
Bolton	757	950	193
Port Credit	904	975	71
Streetsville	708	967	259

In all urban schools	833	1045	212
In the County	738	975	237

There were in all 45 changes of teachers during the year, including those made at the close, or 40 per cent. of the entire staff. Of these changes 38 took place among the 82 rural departments and 7 of the 27 teachers employed in the urban schools. In addition to these changes I have to report a reduction of the staff of Caledon East school, and additions in Brampton, and Nos. 2 and 6, Toronto. Preparations have been made for further additions in Nos. 6 and 7, Toronto. In my opinion it was a serious mistake to reduce the staff of the Caledon East school. Instead of this reduction to a one-roomed school it would have been better to establish a Fifth Form in which the many young people of the vicinity who are now attending a Continuation School in another county and increasing this county's expenditure for educational purposes might receive adequate instruction in the subjects of the first and second years of the High School course. The establishment of a similar class in the Inglewood School where the erection of a two-roomed school is in contemplation would serve a large number of students.

Classification of Pupils

At the close of the year the pupils of the several schools were classified as follows:

Primer	1033
First Book	555
Second Book	898
Third Book	909
Fourth Book	903
Beyond the Fourth Book	40
	4338

Certificates of Teachers

First Class	6
Second Class	102
Third Class	1
	109

Entrance Examinations

In this Inspectorate it has not been deemed expedient or advisable to make recommendations for Junior High School Entrance certificates on the report of the teachers alone. Written examinations were held at the centres named below on the 20th, 21st, and 22nd of June, 1920, with the following results:

	Number of Candidates	Number Passed
Brampton	79	66
Bolton	36	22
Caledon	39	31
Port Credit	46	31
Streetsville	23	20
	213	170

These results compare very favorably with those of the other inspectorates where a similar scheme is adopted.

Agriculture in Schools

For several years the successive Ministers of Education have strongly urged the teachers in the rural schools to spend a small portion of their time in giving instruction in Agriculture, not farming, with practical work either in school gardens or home plots, preferably the former. In order that teachers may qualify themselves to carry on this work intelligently, special classes have been conducted every summer in Guelph in connection with the Ontario Agricultural College. A teacher is required to attend two summer sessions of about five weeks each in order to obtain a certificate. Expenses incurred in travelling and for board are refunded to the teachers satisfactorily completing the course. To give further encouragement to the undertaking of this very essential work, grants are made to the teachers. These grants are based on the standing of the teacher and the plan adopted, school gardens or home plots. Advantage of these grants was taken in 23 of our rural schools in 1920, and the following grants were paid to school boards and teachers:—

No. of School	Grant to Board	Grant to Teacher
No. 6, Albion	....	15 00
No. 8, Albion	....	15 00
No. 4, Caledon	....	50 00

No. 13, Chinguacousy	5 70	15 00

No. 13, Toronto	10 00	15 00
No. 15, Toronto	15 00	20 00
No. B	9 00	15 00

I may here explain that a teacher having not lower than a Second Class certificate, but not having attended the classes at Guelph, adopting the home plot plan receives $15.00, and the school garden $20.00. A teacher holding a certificate obtained by attendance at the summer sessions is paid $40.00 or $50.00 according to the plan adopted.

REPORT OF THE DELEGATES TO THE ONTARIO GOOD ROADS ASSOCIATION 19TH ANNUAL CONVENTION

Brampton, March 16th, 1921.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your delegates to the 19th Annual Convention of the Ontario Good Roads Association beg to report as follows:

The Convention was held in the Assembly Hall of the Veterinary College, Toronto, on March 2nd, 3rd and 4th. Over four hundred delegates being present. Addresses of welcome were given by the Lieutenant-Governor on behalf of the Province and Con-

troller Maguire on behalf of the City of Toronto.

The most interesting addresses were given by Hon. F. C. Biggs, who stated that 196 townships had asked for grants on a total expenditure of $1,800,000, and that up to the end of 1919 for a period of 18 years the total County expenditure was 17 million dollars with a grant of 7 million dollars, while during 1920 the expenditure was 7 million dollars with a grant of $3,200,000.

K. W. McKay showed a number of slides illustrating a uniform system of accounting for Counties and Townships, comprising 14 different forms.

The following resolutions were passed:

1. That Section 460 of the Municipal Act be amended so as to give Municipalities and County Officials the right to place road materials on the roads during the winter months.

2. That the Ontario Legislature be petitioned to amend the Municipal Act so that a Municipality be obliged to keep only a specified minimum width of road in a condition for vehicular traffic and disallow any claims for damages on a highway in a reasonable state of repair.

3. That the Ontario Legislature be petitioned to make a grant towards the construction and maintenance of County Bridges not now included in the Highways Act.

An enjoyable dinner at the King Edward Hotel featured Thursday evening.

We would recommend the payment of the following expenses of your Committee:

E. A. Orr, 3 days	$ 15 00
T. H. Elliott, 3 days	15 00
A. H. Milner, 2 days	10 00

REPORT OF DELEGATES TO CONFERENCE OF COUNTY ROAD SUPERINTENDENTS AND ENGINEERS

Brampton, March 17th, 1921.

To the Warden and Council of the County of Peel.
Gentlemen:

Your delegates appointed to attend the Annual Conference of County Road Superintendents and Engineers beg to submit the following report:

The meeting was held in the Veterinary College, Toronto, on February 28th, March 1st and 2nd, and was attended by about 100 delegates.

Owing to the growth of Highway Organization throughout the Province the attendance at the meeting was restricted to municipal officials directly associated with the work of road improvement, and in view of the provision now being made for uniform methods of road accounting the attendance of County Clerks and Treasurers was specially invited.

Mr. F. W. McKay, Clerk of the County of Elgin, presented an address on Road Accounting, in which he outlined the features of any satisfactory road accounting system as simple, easy to understand, easy to apply. Under existing arrangements County Treasurers and Superintendents use different methods of keeping records, but in Mr. McKay's opinion much benefit would result from their being standardized.

The forms shown were 14 in number and Mr. McKay emphasized the value which a proper cost-keeping system would have, and advocated clerical assistance for the Superintendent.

It was thought by some present that the forms were too complicated and involved too much effort on the part of the official.

Mr. W. A. McLean, Deputy Minister of Public Highways, was of the opinion that the system outlined by Mr. McKay was not at all complicated, and stated that it would interfere with existing systems but in time uniformity would be obtained.

Answering the protest that too much work was being placed on the Superintendent, he made it clear that the Superintendent should be in charge of all road work, shoulder responsibility for its success and have all information easily accessible.

The views of several Clerks and Treasurers were given, each holding that his method was the best.

Mr. Orr moved payment of the expenses of the delegates as follows:

N. L. Powell, 3 days	$ 15 00
R. Crawford, 2 days	10 00
L. H. Willis, 2 days	10 00

All of which is respectfully submitted.

(Adopted) R. M. PARKINSON, Warden.

SECOND REPORT OF COMMITTEE ON GOOD ROADS

Brampton, March 17th, 1921.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Committee on Good Roads beg to report as follows:

1. We have received a communication from the Department of Highways re the vesting of Hurontario Street south of Cooksville in the Crown, and would recommend that same be filed by the Clerk. Carried.

2. We have received a claim for damages from Geo. McDonald and would recommend that Messrs. Elliott, Quinn, Anderson and the County Road Superintendent be a committee to investigate the claim. Carried.

3. We have received a communication from the County of Elgin and would recommend that no action be taken. Carried.

4. We have received a communication from the Board of Railway Commissioners re crossing on Dundas Street and would recommend same to the consideration of the whole Council. (To be filed).

5. We have received two bills for damages to autos on County Road between Peel and Simcoe and would recommend same to consideration of the whole Council. Messrs. Anderson and Powell were empowered to investigate.

6. Mr. Powell, County Road Superintendent, has applied for an increase in salary and we would recommend his request to the consideration of the whole Council. In Council it was decided that the salary be $3,000, and that a by-law confirming this be passed in June and this amount to cover car and expenses.

All of which is respectfully submitted.

JOHN ANDERSON, Chairman.
(Adopted),
R. M. PARKINSON, Warden.

REPORT OF MR. QUINN, RE CLAIM OF W. F. R. STUBBS

Brampton, March 17th, 1921.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your commissioner appointed to investigate the claim of Dr. Stubbs re damage to auto on 15 Side Road, 3rd Concession west,

Township of Caledon, beg leave to report as follows:

The accident happened under the bridge, over which the C. P. Railway crosses the said Highway. Mr. Stubbs states that he was driving at a reasonable rate of speed, and did not notice the hole until the car dropped into it. He claims $7.50, the amount paid by him for fixing his car. The Railway Company repaired the road after the accident.

I would recommend that the Clerk write the C. P. Railway and ask them to forward the amount of this claim to the Treasurer of the County of Peel.

Moved by Mr. Orr, seconded by Mr. Elliott, that the Clerk be instructed to write Mr. Stubbs stating that this County is not liable for his account. Carried.

All of which is respectfully submitted.

THOS. QUINN, Commissioner.

(Adopted),

R. M. PARKINSON, Warden.

SECOND REPORT OF COMMITTEE ON FINANCE

Brampton, March 17th, 1921.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Committee on Finance beg to report as follows:

We would recommend that the Reeve and Treasurer be empowered to borrow an amount not exceeding $100,000.00 and beg leave to introduce a by-law to borrow this amount.

We have received a tender from A. L. Marshall for bread for the jail at 7½ cents per lb., also a tender from Mr. Burton for meat at 15 cents and 20 cents per lb. and leave this to the consideration of the whole Council. In Council it was decided to leave this matter in the hands of Committee on County Property.

All of which is respectfully submitted.

THOS. QUINN, Chairman.

(Adopted),

SECOND REPORT OF COMMITTEE ON EDUCATION

Brampton, March 17th ,1921.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Committee on Education beg to report as follows:

We have received an application from Bolton Continuation School for a grant of $1000 to assist them to equip their school in a manner to satisfy the requirements of the regulations of the Department of Education. We feel that the amount asked for is rather high and would recommend that the Bolton School Board be granted the sum of Five Hundred Dollars, and that the same be paid over to the Treasurer of said School Board upon requisition.

All of which is respectfully submitted.

O. R. CHURCH, Chairman.

(Adopted),

R. M. PARKINSON, Warden.

SECOND REPORT OF COMMITTEE ON COUNTY PROPERTY

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Comittee on County Property beg to report as follows:

1. We have had placed before us the Report of the Inspector for gaols, on the County Gaol of Peel. We have carefully considered the report, made an inspection of the gaol, and submit the following recommendations.

That the inside of the wall surrounding the gaol yard be pointed and placed in a proper condition of repair, and made more secure against the escape of prisoners.

That the ceilings, where the plaster is broken, be repaired and the walls decorated where your committee deem it necessary, also that the floors be painted and the work on same be done by prison labor.

That the ceiling of the hall and the kitchen, and kitchen walls, in the living apartments of the Caretaker of the Court House be properly repaired and painted or papered where necessary.

All of which is respectfully submitted.

First Report of Committee on Children's Shelter

Brampton, Nov. 23rd, 1921.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Committee on the Children's Shelter beg to report as follows:

1. That we attended a meeting at Milton on May 10th, regarding the disposition of the $5000.00 left to the Gordon Home. The question of building a sun room in connection with the Home was discussed. The Chairman was instructed to secure specifications and estimates on the same. The architect provided plans and specifications suggesting the whole building needed a new roof, which with installing a new heating system would cost about $6,000.00. As this figure was $1,000.00 more than the amount at our disposal, the Society decided to let the matter stand over until next year, when it is hoped wages and material will be much cheaper and the building can be completed within the $5,000.00.

2. The Committee regret to report the death of the Matron, Miss Holloway, which occurred in August, but the Society has secured the services of Miss Holloway's mother to take charge of the institution.

3. The County Treasurer reports that he has issued cheques to the Treasurer of the Shelter for $1,900.00 this year and reports that it will require $300.00 more to carry on until the end of the year.

4. We recommend that the following accounts be paid:
W. N. Riddell, 2 trips to Milton .....$ 12 60

O. R. Church, 2 trips to Milton 12 60

All of which is respectfully submitted.

W. N. RIDDELL, Chairman.
(Adopted),
R. M. PARKINSON, Warden.

Brampton, Nov. 25th, 1921.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Committee on Good Roads beg to report as follows:

1. We have received a communication from the Dept. of Public Highways re By-laws Nos. 569 and 570, and recommend that same be filed.

2. We have received a communication from the Dept. of Public Highways, approving of By-law No. 567, and recommend that same be filed.

3. We have received a communication from the Clerk of the County of Renfrew, and recommend same to the consideration of the Whole Council. (In Council no action was taken.)

4. We have received a statement from the Dept. of Public Highways, re expenditure on Provincial Highways in the County for 1920, and in consideration of the fact that the municipalities interested have agreed to the payment of the same, we recommend that the Treasurer charge same to the said municipalities.

5. A Committee composed of Messrs. Orr, Elliott and County Road Superintendent were appointed to go to Brantford to interview the Waterous Engine Works Co. re reducing a bill for repairs to one of the County road rollers, and the Committee having secured a reduction of $500.85 in the bill. We recommend the payment of the expenses of the Committee to the consideration of the whole Council. (In Council the Committee were granted $25.00 for expenses.)

All of which is respectfully submitted.

JOHN ANDERSON, Chairman.

Report of the Commissioners for Peel and Halton House of Refuge

Brampton, Nov. 23rd, 1921.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Commissioners for Peel and Halton House of Refuge beg to report as follows:

During the course of the year the Councils of the two Counties saw fit to alter the By-law, to have the Commissioners meet monthly during the year, and we believe that this change has worked out to the advantage of the Counties in the administration of the Institution.

We are very pleased to report that the general condition of the House is highly satisfactory. There is every evidence of comfort and contentment among the inmates. We cannot speak too highly of the efficiency of the Superintendent and Matron in the discharge of their duties, which is endorsed by the report of the Inspector of Prisons and Public Charities, dated July 19th, 1921.

Your Commissioners would recommend that the salary of the Superintendent and Matron be increased to Twelve Hundred Dollars ($1200.00), the same to take effect from July 1st, 1921.

We submit herewith an inventory of all property and chattels belonging to the House, together with the statement of the number of inmates and the average cost of maintenance of the Institution.

Report of Committee on County Roads and Bridges

To the Warden and Council of Peel County:
Gentlemen:

Your Committee on County Bridges beg leave to submit the following report:

1st. In 1920 your Committee met a Committee of Orangeville Council and decided to build a bridge on the boundary line between

Caledon and Orangeville. This bridge was not built until this summer and was engineered by C. R. Wheelock. It cost $2493.46. On the order of the Chairman, Peel's share $1246.73, was paid to the Treasurer of Dufferin. Your Committee had repairs made to the Dracass bridge at Streetsville, and the following are the bills that have been paid by our Treasurer on said repairs:

D. H. McCaugherty	$ 9 00
A. Jamieson	6 00
Joseph Burton	3 00
W. McCracken	5 00

We also had repairs made to Churchville Bridge for which we paid H. Burton $21.60, as per bill. We paid J. B. Smith & Sons, bill for lumber for bridges, $388.35. We received a bill from Esquesing for repairs on the Race Bridge at Norval, $47, amounting to $114.35. We recommend the payment of half the bill, $57.18, to be paid to C. E. Bosfield as per bill. We also had a bill from Geo. Cartwright, for work done on Etobicoke bridge, with York, for $10.00. We also recommend the payment of this bill, one-half to be paid by York to the Treasurer. We had before us a bill from Toronto Township for half cost of a culvert between Etobicoke and Toronto Township, No. 7, for $273.30. This account has been paid on the order of the chairman. The bill of J. B. Smith & Sons, for $388.35, which has been paid by our Treasurer. Mr. Orr now informs the Committee that the last item on the Smith bill of $163.80 was material purchased for Toronto Township. We therefore recommend that our Treasurer collect from the Treasurer of Toronto Township $163.80, the same being due to Peel County.

We further recommend the payment to the Treasurer of the Township of Albion, the half cost of repairing a culvert on the Albion and King Town Line, Schedule No. 22, amounting to $61.80.

Your Committee as authorized by resolution passed at the June Session interviewed the Minister of Public Works respecting the bill rendered by the Toronto-Hamilton Highway Commission for the construction of the 36-foot span reinforced concrete bridge at Port Credit. The total cost of this bridge was $19,207.34, and the County of Peel's share 63 per cent., amounting to $12,100.62, which has in the first place to be paid by the County, but 40 per cent. of the County's share will be afterwards repaid by the Government. At the interview with the Minister, Mr. Hogarth, Chief Engineer of the Highway Department was present, at the request of Mr. Wheelock. Mr. Hogarth and Mr. Wheelock had previously called upon the Chief Engineer of Toronto-Hamilton Highway Commission and had gone thoroughly into the account. After hearing the report of Mr. Hogarth and Mr. Wheelock, the Minister expressed his opinion that the cost of the bridge was most excessive, but the letting of the con-

tract was entirely in the hands of the Commission and as they had taken the legal steps in connection therewith he did not think we would be successful in having the amount reduced upon an application to the Ontario Railway and Municipal Board.

Your Committee would therefore recommend the payment of the balance of this account amounting to $3,910.62, made up as follows:

Peel's share of total cost	$12,100 62
Amount previously paid	8,190 00
Balance due	$ 3,910 62

Your Committee would further recommend payment of the following bills and expenses:

C. R. Wheelock, County Engineer, re Port Credit bridge	$ 105 70
Other services	16 00
Robert Parkinson, 3 days	15 00
Thomas Elliott, 3 days	15 00
John Anderson, 2 days	10 00
Geo. Wiley, 2 days	10 00
E. A. Orr, 3 days	15 00
E. A. Orr, Conveyance	20 00

All of which is respectfully submitted.

E. A. ORR, Chairman.

BY-LAW NO. 922

OF THE CORPORATION OF THE TOWNSHIP OF TORONTO

A By-law for the formal establishing of a highway as already made and used in parts of Lot 5, Range 2, Credit Indian Reserve and of a Sub-division of part of the said Lot 5 and for the stopping up and selling of part of the original allowance for Concession Road between Ranges 2 and 3 Credit Indian Reserve, both in the Township of Toronto.

WHEREAS owing to the construction of the power line of Toronto and Niagara Power Company Limited for the conveyance of electric current and of a line of railway upon part of the original allowance for road between Ranges 2 and 3, Credit Indian Reserve, Township of Toronto, as hereinafter mentioned and described, a deviation from the said original allowance became necessary and has been made and used as a highway in lieu of the said part of the said original allowance for road, which said deviation passes over lands the property of Toronto and Niagara Power Company Limited as hereinafter mentioned and described;

AND WHEREAS it is expedient formally to confirm and to establish as a highway the said deviation as already made and used over lands belonging to Toronto and Niagara Power Company Limited and to stop up that part of the original allowance for road above referred to and as hereinafter described and to convey the same to Toronto and Niagara Power Company Limited for the consideration and upon the terms as hereinafter set out;

AND WHEREAS Toronto and Niagara Power Company Limited has agreed to convey to the said Municipal Corporation of the Township of Toronto for the purpose of a public highway or road its said lands as hereinafter described and now used for a highway in consideration of and in return for a conveyance to it by the said Municipal Corporation of the said part of the said original allowance for road hereinafter described and now used as part of the right of way of the said Company and has further agreed to indemnify and hold harmless the said Municipal Corporation from all damages, liabilities, actions, causes of action, suits, claims and demands (including damages to lands injuriously affected) which the said Municipal Corporation may become liable for or which it may have to pay to any person or persons for or as a result of the passing of this By-law or of the closing of that portion of the present public highway closed or intended to be hereby closed or on account of the deviation of the highway as provided for herein;
to the deviation and has agreed to close against public use and to convey the said part of the said original allowance for road hereinafter more particularly described to Toronto and Niagara Power Company Limited for its own use absolutely and has agreed to accept in lieu thereof for the purpose of a public highway or road the lands already used for a highway as hereinafter described;

AND WHEREAS all notices required by the provisions of the Municipal Act Revised Statutes of Ontario, 1914, Chapter 192, and amendments thereto have been posted up and published for the required period and full opportunity has been given to all persons to be heard either in person or by their solicitors, counsel or agents with respect to any claim that their lands would be prejudicially affected by the passing of this By-law;

BE IT THEREFORE ENACTED by the Municipal Council of the Corporation of the Township of Toronto as follows:

1. THAT, ALL AND SINGULAR, that certain parcel or tract of land and premises situate, lying and being in the Township of Toronto, County of Peel, and being composed of part of the Concession Road between Ranges 2 and 3, Credit Indian Reserve, and being more particularly described as follows:—Commencing at the point of intersection of the northerly limit of said Concession Road with the easterly limit of the Stave Bank Road; thence southerly along said easterly limit 68 feet more or less to the southerly limit of the said Concession Road; thence easterly along said southerly limit 1,110 feet more or less to a point distant 18 feet measured northerly at right angles from the northerly boundary of Block "B" as shewn on Plan No. B-09 registered in the Registry Office for the said County of Peel; thence north 33°, 59 ft. east along the north-easterly production of a line parallel to the north-westerly boundary of said Block

"A" and Block "B" 560 feet more or less to the northerly limit of said Concession Road; thence westerly along said limit of Concession Road 1690 feet more or less to said point of commencement. Said parcel as above described containing by admeasurement 2.12 acres more or less and being shewn coloured pink on the plan attached hereto; be and the same is hereby declared to be stopped up and closed against all public use forever.

2. THAT the Reeve and Clerk of the said Municipal Corporation of the Township of Toronto are hereby authorized and empowered to sell to the said Toronto and Niagara Power Company Limited and to execute and deliver to the said company upon behalf of the said Municipal Corporation and under its corporate seal a conveyance in fee simple free from encumbrance of the said parcel or tract of land as mentioned and described in paragraph 1 of this By-law (being that portion of the said public highway or road stopped up and closed against further public use) forthwith upon obtaining the following:

(a) The execution and delivery by the said Toronto and Niagara Power Company Limited of a good and sufficient covenant from it to the said Municipal Corporation to indemnify and hold harmless the said Municipal Corporation from and against all damage, liabilities, actions, causes of action, suits, claims and demands (including damages to lands injuriously affected) which the said Municipal Corporation may become liable for or which it may have to pay any person or persons for as a result of the passing of this By-law or of the closing of that portion of the present highway stopped up hereby or on account of the deviation of the said highway as provided for herein;

(b) The payment by the said Toronto and Niagara Power Company Limited of the costs, charges and expenses that the said Municipal Corporation may pay or become liable for in connection with or incidental to the passing or carrying out of this By-law to its Solicitor or otherwise.

(c) The delivery by the said Toronto and Niagara Power Company Limited by way of consideration for the said lands to it conveyed by the said Municipal Corporation. of a good and sufficient conveyance to the said Municipal Corporation in fee simple free from all encumbrances of—

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Toronto, County of Peel and being composed of part of Lot 5, Range 2, Credit Indian Reserve and part of Blocks "A," "B" and "K" as shewn on Plan No. B-09 registered in the Registry Office of the County of Peel and being a subdivision of part of said Lot 5, the whole being

that portion of the lands of the said Toronto and Niagara Power Company now used as a highway and being more particularly described as follows:—Commencing at a point on the easterly limit of the Stave Bank Road, distant 18 feet measured north-westerly at right angles from the north-westerly boundary of said Block "A"; thence north 33° 59 feet east and parallel to the said north-westerly boundary of Block "A" 1070 feet more or less to the southerly limit of Concession Road between Ranges 2 and 3, Credit Indian Reserve; thence north 39° 47 feet east along said limit of Concession Road, 618 feet more or less to a point distant 48 feet measured at right angles from said north-west boundary of Block "A" produced north-easterly; thence south 39° 59 feet west and parallel to said boundary of Block "A"; 1640 feet more or less to the said easterly limit of Stave Bank Road; thence north-westerly along said limit 67.1 feet more or less to said point of commencement. Excepting therefrom any portion of the road allowance shewn between said Blocks "B" and "K" which may be included in this description.

Said parcel as above described containing by admeasurement 2.05 acres more or less and being shewn coloured green on plan attached hereto.

3. That the said parcel of land secondly herein described in paragraph two of this By-law and already used as a public highway shall be and it is hereby formally established as a public highway and that the said deviation thereby comprised shall be and it is hereby established and confirmed.

4. That due compensation be made to all persons (if any) entitled, as a result of the passing of the By-law to the payment of compensation under the provisions of Section 473 of the Municipal Act.

5. That the Reeve and the Clerk of the said Municipal Corporation of the Township of Toronto are hereby authorized and empowered to do all such further acts as may be necessary to render valid and to give full effect to the enactments contained in this By-law.

6. That this By-law shall take effect from and after the passing thereof.

PASSED this 4th day of December, A. D. 1920.

TREASURER'S STATEMENT OF ACCOUNTS FOR 1921

To the Warden and Council of the County of Peel

Gentlemen:—

I beg leave to report that the Accounts for the year ending December 31st, 1921, have been prepared in detail, and have been audited by your Auditors.

The receipts from all sources in the General Acct. are ...	$390967 42
And the Disbursements	358208 20
Leaving a balance to the credit for the County, Jan. 1st, 1922	$ 32759 22
This balance belongs to the following accounts:	
Good Roads debentures and coupons payable in April, June and July	$ 22723 96
Patriotic debentures payable in July	6633 39
Making a total	$ 29357 35
This leaves a balance to the credit of the General Account of	$ 3401 87
As compared to a deficit last year of	10919 44

There were two grants made by last year's Council that were overlooked in the old year and were not paid until applied for in this month. One was to the Gravenhurst Sanitarium for $1000.00, and the other to Miss K. McIntosh, $500.00, balance for school nurse. These two accounts belong to 1921, and if they had been paid, would leave our net balance in the General Account, $1901.87.

The Non-Resident Taxes have all been paid over to the Township Treasurers entitled to the same, leaving no balance.

The Public School Grants are all paid, leaving a balance to the credit of Public Schools Account of $3.98. This balance is accrued bank interest on deposits.

The Canada Temperance Act is closed. When the O.T.A. came in force, that relieved the County from any further grants.

The fines now go to the Government, and the Government pay for Administration of Justice, and also pay the License Inspector. The balance to the credit of the Canada Temperance Act Account was transferred to the County General Account, $150.82.

I find that the Mothers' Pensions is a new charge on the Coun-

ty, beginning with 1921. I paid to this account for the past year $3,407.50, and in this month I paid for December, 1921, $374.50, making a total for the year of $3,782.00. This account is likely to reach $4,000.00 a year.

The County bridges have cost the County an average for the past six years of $10,640.00. As far as I can learn, the County bridges have nearly all been built or repaired, and $1000.00 a year should cover this expenditure for some years. This will make a big saving, and we should be able to reduce our County rates to $40,000.00 for the current year.

Your obedient servant,

R. CRAWFORD,
County Treasurer.

AUDITORS' REPORT

The Warden and Council of County of Peel.

Gentlemen:—

Your Auditors for the year ending December 31st, 1921, beg leave to report as follows:—

We have gone over and checked closely the books and accounts of your Treasurer, being mindful of the sources of revenue. As to the expenditure, we have checked the vouchers in the shape of returned cheques and receipted accounts. In Good Roads Account we have accepted the reports of your Good Roads Committee, which are prepared by your Engineer and signed by the Chairman of the Good Roads Committee.

In the examination of your Treasurer's accounts, we find that he has five sets of books, with the same number of bank accounts, which must of necessity require careful accounting.

We find that the total receipts from all sources amount to

the sum of	$390967 42
With disbursements	358208 20
Leaving a balance to the county.	$ 32759 22

Good Roads

In the Good Roads Account we find receipts amounting to	$254518 69
Disbursements	254395 95
Leaving a balance of	$ 122 74

Non-Resident Land Tax

The Non-Resident Land Tax collected by the Treasurer in 1921 amounted to $1447.13.

This amount has been paid back to Caledon, Toronto and Chinguacousy Townships.

(Adopted)

E. A. ORR, Warden.

House of Refuge Account

The Peel and Halton House of Refuge Accounts have been verified and show receipts amounting to	$ 10640 68
Disbursements	10584 91
Balance of	$ 55 77

Public School Accounts

The receipts of this account amount to	$ 23078 22
Disbursements	23074 24
Balance, interest	$ 3 98

Canada Temperance Account

Cash on hand, Jan. 1st, 1920	$ 97 87
Collected in fines	350 00
Bank interest	3 35
	$ 451 22
Paid Dominion Bank License Account	300 40
Leaving a balance transferred to General Account	$ 150 82

In going over the books we note the enormous amount of cheques issued since July. Good Roads Account, a typewritten statement of this has to be sent to the Government of all money paid for Good Roads. We got Miss Beatty to do so, at a cost of $10.00, to be paid by the Good Roads Account.

Your Auditors desire to express their thanks to the Treasurer for his kind assistance, and also to commend the very admirable manner in which his accounts are kept.

All of which is respectfully submitted,

ALEX. McFARLANE,

JNO. SPEERS, Auditors.

ROAD SUPERINTENDENT'S REPORT

To the Warden and Council of the County of Peel.

Gentlemen:—

I beg to submit herewith a statement of the moneys expended in accordance with the regulations of the Department of Public Highways on the Peel County Road System for the year 1921; together with the tabulated statement, declarations, etc., necessary to be forwarded to the Minister of Public Works and Highways, with your petition for the Government Subsidy.

These statements show that twenty-five miles of road have been metalled, twenty-three with gravel and two with stone macadam, and twenty-two miles have been graded, fourteen of which were where the road was metalled and eight in preparation for the coming season.

The cost of stone roads at $7,500.00, and the average cost of gravel at $2,700.00 shows a big margin in favor of the gravel road. This average cost for gravel is for one load of one and one-half cubic yards in a place and to make a road requires as much more in the next two or three years.

Many of the roads are badly rutted. This condition will continue until the roads are made wider than the present minimum width of eight feet, and traffic gets away from following the one track.

To enable the work to get started on time, it will be necessary to decide not later than the March session the amount that you will raise during the present year for Good Road purposes and I would also recommend that the steel bridges be painted. This work has been neglected and many of these bridges are badly rusted.

On many of the County Roads the grade is not up to standard width and the road between fences in places is not over fifty to fifty-five feet, and some action should be taken, especially where the road is to be graded.

All of which is respectfully submitted.

Brampton, January 26th, 1922.

N. L. POWELL,
County Road Superintendent.

PEEL COUNTY ROADS

Statement of Work and Expenditure for the year 1921

County Roads Nos. 1, 2 and 3 are now Provincial Highways, and no money was expended on them during 1921, under my supervision.

The section of Road No. 1 from Cooksville to Port Credit was taken over in March, 1921; the remainder during 1920.

Construction Work

County Road No. 4—Lower Middle Road, Toronto Township

This road was graded with a tractor. Cost $280.00.

County Road No. 7—The 17 Sideroad, Chinguacousy

The 4th, 5th and the west half of the 6th concessions E. H. S. were graded, a tractor being used. The corners at the jog in the 5th concession were cut off to give a better turn. The hollow in the east half 4th concession filled, and a start made cutting the big hill at the centre of the 6th concession. Two new culverts, two extensions and two entrance culverts were placed.

COST—

FIRST REPORT OF COMMISSIONERS ON HOUSE OF REFUGE

Brampton, March 23, 1922.

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Commissioners on the Peel and Halton House of Refuge beg to report as follows:—

Your Commissioners on the suggestion of the Superintendent have considered the advisability of renting the fifty acres farm lands immediately adjoining the House of Refuge and which is owned by Miss Newhouse.

Our Superintendent advises us that this property can be worked with little or no additional cost of labor and that this land will be of value in improving our present property for production purposes.

We recommend that the property be rented on the terms of the lease submitted herewith.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Adopted),

E. A. ORR, Warden.

REPORT OF THE DELEGATES TO THE ONTARIO GOOD ROADS ASSOCIATION 20TH ANNUAL CONVENTION

Brampton, March 23, 1922.

To the Warden and Council of the County of Peel.

Your Committee on Delegates to the 20th Annual Convention of the Ontario Good Roads Association beg to report as follows:—

The Convention was held in the Assembly Hall of the Veterinary College on March 1st, 2nd and 4th, with an attendance exceeding any previous Convention. An address of welcome was given by the Lieutenant-Governor and a very interesting address by Hon. F. C. Biggs, who mentoned particularly the rapid strides being made by the Townships in improving the roads and the fact

that the expenditure on County Roads exceeded that on Provincial Highways, the grant in 1921 for County Roads being $4,750,000.00. He also spoke of the importance of proper maintenance and good drainage and assured the Delegates of the Department's desire to assist the Counties and Townships in any way possible.

Mr. McLean, the Deputy Minister of Highways, followed Mr. Biggs and urged the Townships to improve their organizations.

The various papers presented caused interesting discussions, but the one on "Provincial Highways, How Should They Be Paid For?" introduced by Warden Richardson of Ontario County, after a long and varied expression of opinion, produced the only resolution of the Convention, reading as follows:—

"Resolved, that in the opinion of this Convention, a Commission should be appointed to consider and report on all matters pertaining to Assessment for benefit due to the construction of improved County and Provincial Highways."

An amendment as follows:

"That the report of the Committee on Resolutions be amended to read that the Government assume the whole responsibility of building and maintenance of all provincial highways and that a vote of the delegates here present be taken on the above question."

—was defeated and the original resolution adopted.

On Thursday evening at the dinner at the King Edward Hotel, enjoyable addresses were given by Hon. E. C. Drury, G. H. Ferguson, F. W. Hay, F. C. Biggs and others.

The discussion on Township roads on Friday brought out many interesting points.

We would recommend the payment of the following expenses of your Committee:—

E. A. Orr, 3 days	$ 15 00
T. H. Elliott, 3 days	15 00
Geo. Wiley, 3 days	15 00
Thos. Quinn, 2 days	10 00
W. N. Riddell, 3 days	15 00
A. H. Milner, 2 days	10 00
D. B. Kennedy, 3 days	15 00
O. R. Church, 1 day	5 00
N. L. Powell, 2 days	10 00

All of which is respectfully submitted.

T. H. ELLIOTT, Chairman.

(Adopted),

E. A. ORR, Warden.

REPORT OF COMMITTEE ON EQUALIZATION

Brampton, March 24, 1922.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Committee on Equalization have considered the Assessments of these Municipalities of the County and would recommend that the attached schedule be the Equalized Assessment for the year 1922 and would further recommend that a By-law be introduced to confirm the same.

All of which is respectfully submitted.

T. H. ELLIOTT, Chairman.

FIRST REPORT OF COMMITTEE ON CHILDREN'S SHELTER

Brampton, March 24th, 1922.

To the Warden and Council of the County of Peel.
Gentlemen:—

Your Committee on the Children's Shelter beg to report as follows:—

That in reference to the expenditure of amount received by the Children's Aid Society in building an addition to the said Shelter, at an estimated cost of $6,000.00, your Committee recommend that the building be erected and improvements carried out as advised by Mr. Duggan, Chairman of the joint committees and Mr. Redfern, Architect, and that this County Council assume their share of the extra cost of said improvements, not to exceed $500.00.

All of which is respectfully submitted.

W. N. RIDDELL, Chairman.

(Adopted),

E. A. ORR, Warden.

SECOND REPORT OF COMMITTEE ON EDUCATION

Brampton, March 24, 1922.

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Committee on Education beg to report as follows:

We have received a report from the Public School Inspector, which we consider a very concise and comprehensive survey relative to the system in the County of Peel.

We recommend that this report be incorporated in the proceedings of this Council.

We have received claims from the following schools and recommend payment of the same, except in the case of Weston High School, which show some inaccuracies, and we recommend that the Clerk write them relative to the same.

Streetsville High School	$	2415 62
Brampton High School		8749 92
Port Credit Continuation School		1675 00
Georgetown High School		945 37
Alliston High School		25 00
Tottenham Continuation School		1445 63

All of which is respectfully submitted,

R. M. PARKINSON, Chairman.

(Adopted)

E. A. ORR, Warden.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Adopted)

E. A. ORR, Warden.

PUBLIC SCHOOL INSPECTOR'S REPORT

Public School Inspector's Office,
Brampton, Ont., March, 1922.

The Warden and Council, County of Peel,

Gentlemen:—

I beg to submit herewith my report on the Public Schools of the County for the year 1921.

Enrolment of Pupils

As compared with the preceding year the enrolment shows but a very slight advance, there being enrolled during 1921, 4378 against 4338 in 1920. In Albion, Caledon, Chinguacousy, Toronto Gore, Bolton, and Streetsville, there was a decreased attendance, but Brampton, Port Credit and Toronto Township show gains. Notwithstanding the very small increase in pupils, it was found obligatory upon trustees in S. S. Nos. 4, Chinguacousy, 1, 2, 6 and 7 Toronto and in Brampton and Port Credit, to make additions to their teaching staffs. No. 1, Albion, which had been closed for some time, was re-opened at Easter. No. 11, Toronto, was closed from January to June inclusive, but work was carried on during the autumn term. At the close of 1920 there were employed 109 teachers and in December, 1921, the entire staff of the inspectorate numbered 117.

To accommodate the classes taught by the additional teachers new buildings were erected in S. S. No. 4, Chinbuacousy, Brampton, and in No. 7, Toronto. The building in No. 4, Chinguacousy, is of a temporary character and the trustees have promised to build, in the near future, a modernly appointed two-roomed school. Brampton added six rooms to the four-roomed building erected a few years ago. The cost of the additional rooms amounted to about $36,000, the low cost being accounted for by the existence of adequate entrances and corridors in the original building. The school is a credit to the town. S. S. No. 7, Toronto, caused to be constructed a splendid two-roomed building which, however, was found insufficient to accommodate all the children of the section and in consequence the old building is still in use. The accommodation is quite inadequate in Nos. 1 and 2, Toronto, and in Port Credit, but I have no doubt but that during the year, 1922, all the children will be properly housed.

Attendance in Pupils

In my report of last year I pointed out that in determining the percentage of attendance, it was assumed that every pupil enrolled

was in constant attendance throughout the entire year, in determining the figures given below, regard is had to the relation the actual aggregate attendance bears to the possible. Where the percentage falls below 80 the conditions cannot be regarded as entirely satisfactory, and teachers and the officers, whose duty it is to secure the highest possible degree of regularity, are strongly urged to increase their efforts to secure better results. When it is thoroughly understood that the measure of a teacher's efficiency depends largely upon the degree of regularity with which the pupils present themselves at school, the vast importance of emphasizing this feature of our work is seen. The following figures show a fairly satisfactory condition and whilst the percentage falls slightly below 80 in two of the municipalities, the result must be attributed to the difficulties of reaching the schools, rather than indifference to the interests of the children.

Municipality	Percentage of Attendance
Albion	79 26
Caledon	78 96
Chinguacousy	85 33
Toronto	89 1
Toronto Gore	86 25
All rural schools	84 78
Brampton	92 15

School Grants

The revenue of the public schools is mainly derived from Municipal and Legislative grants and from taxes levied upon the taxable property of each section. There are two Municipal grants, the township and the county grants, both of which have at least doubled during the past three years. The township grant varies with the assessment of the muicipality, the highest to the individual section being $600 and the lowest $150. Where, according to the equalized assessment, the assessed value of all the taxable property of the public school supporters in such a township is at least equal to an assessment of $100,000 for each section therein, the council shall each year levy and collect by assessment upon the taxable property of the public school supporters of the whole township the sum of at least $600 for every principal teacher and the additional sum of at

least $400 for every assistant teacher. In all the rural municipalities in this inspectorate the average assessment of the school sections exceeds $100,000. The county grant is a sum equal to that apportioned out of the funds of the legislature and is distributed on the basis of the character and value of the equipment. The Legislative grant is divided into a general and a supplementary grant. The distribution of the former is based upon the assessment of the individual section, the salary, the certificate, and the length of experience of the teacher. The supplementary grant was first given in 1919 with the view of enabling trustee boards to pay adequate salaries. Its distribution is based upon the assessment of the section and the amount of salary paid.

This grant is not paid to urban municipalities where the populations exceeeds 1500. The amount of the legislative grant paid to this inspectorate in 1921 was $23,284.66 against $11,304.93 in 1920.

It is universally conceded that the future prosperity of this country depends primarily upon its production which is the source of wealth, and that production depends upon knowledge and skill in its application. This being true the importance of adequate provision for the acquirement of the needed knowledge and the skill in applying it to production becomes apparent. In the past 90 per cent. of the pupils left school at the age of fourteen, poorly equipped for the struggle in life. The Adolescent School Attendance Act of 1919 seeks to lengthen the period of instruction to 16 instead of 14 years of age. Whilst attendance at school during the years 14 to 16 is compulsory, exemption may be obtained in cases where the services of the child are urgently needed in the support of himself or of some one dependent upon him. This exemption is obtainable only from the Attendance Officer, who on investigation finds that the case is urgent, may grant a permit to work either at home or in the employ of another. Officers are requested to administer this Act in such a manner as to cause as little inconvenience as possible.

Our public schools, as organized, cannot supply the need created by the Adolescent Act, and therefore if the Act is to be enforced, schools must be established at convenient points wherein instruction can be given in the work of at least the first and second years of the High School and in addition in such subjects as Agriculture and Homemaking. The large attendance at the three months' course conducted by the Department of Agriculture at Bolton, commencing in December, is abundant evidence of the need of schools in which vocational training is given and where the work is not only academic but technical. Rural Continuation Schools are being considered in many localities and will fill a great need if carried on as referred to above. Only about 10 per cent. of the boys and girls

have the opportunity of continuing their studies beyond the public schools and throughout the country are to be found many willing to attend a school in which they may receive a training of a practical nature.

In conclusion I am pleased to be able to report that educational problems are engaging the attention of people especially in the rural portions of Ontario to a degree never before even thought of. Much good must of necessity arise from the discussions that are taking place. Every encouragement should be given to the younger portion of our population to study the questions that must soon engage their efforts to solve in the best interests of the comunity in general.

I have the honour to be, Gentlemen, your obedient servant,

W. J. GALBRAITH,
Public School Inspector.

SECOND REPORT OF THE COUNTY PROPERTY COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on County Property beg to report as follows:

After making a thorough inspection of the gaol, your Committee found that a number of necessary improvements should be made and the living apartments of the gaoler should be renovated throughout.

The gaoler's apartments have been papered and decorated, and now present a sanitary and improved appearance.

The corridors, cells, halls, basement and kitchen have all had the plaster replaced where broken and all the walls whitewashed and the woodwork painted. The labor of painting and whitewashing was done by the prisoners in the gaol, under the supervision of the newly appointed gaoler.

We also found it necessary to replace certain dilapidated lavatories, which were unsanitary and which the Sheriff reported could be taken to pieces and used as dangerous weapons in the hands of the prisoners.

Carrying out authority given us under a previous report of the Committee adopted by Council we have had the inside of the walls

surrounding the gaol yards all tuck-pointed. This will afford better protection from escape by the prisoners and will greatly preserve the walls. The outside of the walls will have to be tuck-pointed next year.

The whole of this work has been carried out with a very reasonable expense, the total expenditure involved amounting to a little less than Four Hundred and Forty Dollars ($440.00), and the condition of repairs and general appearance of the gaol is such as will be classed as the best kept institution of its kind in the Province, and we would ask the Council to visit the institution to make an inspection of the work done.

Your Committee would like to speak a word of praise to the new gaoler, Mr. O'Neill, because of the interest and work which he has given in the improvements which have been carried on.

We have had the broken glass in the doors of the corridors in the Court House replaced with heavy plate-glass, which should prove more serviceable. We also had one bedroom used by the Caretaker of the Court House papered and painted. This was a much-needed improvement as it had never been papered, although in use by the Caretaker daily ever since his appointment as such.

We recommend the payment of the following accounts:

The People's Fuel, 1 ton coal for gaol	$ 16 00
P. Warr, tuck-pointing gaol walls	132 40
Field & Davis, electrical work at gaol	3 15
Higgins & Large, lavatories and repairs	126 64
R. Blain, paints, etc.	16 40
Jas. Harmsworth, paper, paints, etc.	55 72
Jas. Harmsworth, plate-glass, paper, etc.	44 99
McKillop & McIntyre, linoleum for gaol	14 35
G. R. Anderson's Sons, supplies for Court House	8 70
Wm. Bovaird, 2 cords wood	19 00

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Adopted),

E. A. ORR, Warden.

THIRD REPORT OF THE EDUCATION COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Education beg to report as follows:

1. We have received a request from Weston Board of Education relative to the grant sent them by the County and asking that a cheque be sent them for the full amount instead of the eighty per cent. paid. Your Committee would recommend that the Clerk write the Secretary, informing him that the County has paid its full obligation as determined by the School Act, 1921.

2. We have received an appeal against the By-law of the Council of the Township of Caledon, passed on 1st day of May, 1922, altering boundaries of School Section No. 4. This petition was signed by ratepayers. After considering this appeal carefully we recommend that it be dealt with by the Council as a whole.

Council decided that no action be taken.

3. We have a communication from the Department of Education of Ontario, asking that a representative be chosen to attend a conference to be held at the Parliament Buildings, Toronto, July 5th and 6th at 10 o'clock a.m. for the purpose of facilities for secondary education in the rural districts. We would recommend that a member of the County Council be appointed to represent the County of Peel at this Conference.

James McDonald, of Caledon, be the representative.

All of which is respectfully submitted.

R. M. PARKINSON, Chairman.

(Adopted),

E. A. ORR, Warden.

THIRD REPORT OF COMMITTEE ON GOOD ROADS

Brampton, June 7th, 1922.

To the Warden and Council of the County of Peel.
Gentlemen:

Your Committee on Good Roads beg to report as follows:

We would request that this County Council would memorialize

the Provincial Government, asking them to assume full cost of the Provincial Highway as suggested by the County of Waterloo. Carried.

Having received a communication from the Secretary of the Good Roads Association asking that a Committee of our Warden, County Engineer and Road Superintendent and Chairman of the Good Roads Committee be delegates appointed to attend the Good Roads Tour of the roads of our Province, we would recommend same to be left to a Committee of the Whole Council. No action.

Having received a bill from F. Barber, Consulting Engineer, checking plans of Port Credit bridge for the amount of $157.50, we recommend that this be left to the whole Council for consideration. (In Council it was decided that this account should be paid.)

We have received a communication from the Department of Public Highways re expenditure on Provincial Highways for 1921 amounting to $84,854.87, and we recommend same to the consideration of the whole Council. (In Council it was decided to issue Debentures for $80,000.00 for ten years, to pay the 20% for construction on said Provincial Highways.)

That whereas a resolution was passed at the March meeting appointing a Committee to inspect the Cedar Mills Subway, that the Committee met on May 10 and considered the road in a dangerous condition. We then made arrangements to meet at Bolton village to secure all the information we could re the construction of same. With the information received from this meeting we decided to bring same before the Minister of Public Works and secured a promise from him that the Minister would visit the said Subway the first week in July to advise as to the best course to pursue.

A deputation of the Ratepayers of Albion and Bolton Municipalities having waited on the Council asking that the 7th line Albion be taken over as a Provincial County Highway, we recommend this to the whole Council for consideration. (It was decided to refer this to the Minister of Public Works for his opinion. Same to be considered at next meeting of Council.)

All of which is respectfully submitted.

T. H. ELLIOTT, Chairman.

(Adopted),

E. A. ORR, Warden.

THIRD REPORT OF THE FINANCE COMMITTEE

To the Warden and Council of the County of Peel.

Gentlemen:

Your Committee on Finance beg to report as follows:

We have received a communication from Royal Agricultural Winter Fair Association asking for a grant to their Winter Fair. As your Committee has not had time to consider this, we would recommend this to be left over until November session. Carried.

We have received a communication from the Peel Women's Institute stating that they have not received their grant for years 1921 and 1922. We understand that this Institute previous to this has always received a grant of $25.00. We would recommend that they receive this amount. Carried.

We have also before us a claim from the Town of Brampton for the sum of $152.19 for maintenance of boys at the Industrial School in the years of 1910, 1911, 1912, 1913 and 1916. We have obtained from the Crown-Attorney his advice as to their legal position and refer account to Council as a whole. (In Council it was decided that this account should be paid.)

We have received from the City of Toronto claim for $48.10 in connection with inquest of John G. Mitchener, death having resulted from auto accident at Clarkson on Sept. 17, 1921. We recommend this amount to be paid.

We have received from the Treasurer the estimates for the current year and would submit the same to consideration of the whole Council.

We have received a communication from Mr. R. Crawford, Treasurer, relative to his present salary and we would recommend this communication to be referred to the whole Council. (It was decided to leave this matter until November session.)

Relative to changing County of Peel account from the Bank of Montreal to Union Bank of Canada at Brampton, we would recommend that the change be made not later than the first of July, 1922, said change to be made on conditions that all cheques be payable at par in the County of Peel.

We recommend that the request of the Peel Women's Institute for a grant for School Nurse be laid over until November session.

All of which is respectfully submitted.

D. B. KENNEDY, Chairman.

(Adopted),

E. A. ORR, Warden.

SECOND REPORT OF COMMITTEE ON AGRICULTURE

To the Warden and Council of the County of Peel.

Your Committee on Agriculture beg to report as follows:

We would recommend that the usual grants be made to the different Agricultural Societies and Fair Biards in the County as different Agricultural Societies and Fair Boards in the County as Streetsville, $150.00; Cooksville, $75.00; Toronto Gore, $50.00. (This was laid over until November session.)

We have received an application on behalf of Peel County School Fairs from Mr. Carroll asking for a grant of $300. Carried.

All of which is respectfully submitted.

GEO. WILEY, Chairman.

(Adopted),

E. A. ORR, Warden.

THIRD REPORT OF THE PRINTING AND CONTINGENCIES COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Printing and Contingencies beg to report as follows:

We recommend payment of the following accounts:

A. F. Dick, for printing letterheads	$ 7 50
Mitchell and Hunter	9 50
F. W. Needham, supplies	5 08
Charters Publishing Company	68 27

Carried.

All of which is respectfully submitted.

D. J. LAMMY, Chairman.

(Adopted),

E. A. ORR, Warden.

SECOND REPORT OF THE PEEL AND HALTON HOUSE OF REFUGE COMMISSIONERS

To the Warden and Council of the County of Peel.

Your Commissioners on the Peel and Halton House of Refuge beg to report as follows:

Since the January session of the Council eleven persons have been admitted as inmates to the House of Refuge, as follows:

From Peel County

Geo. Vary, Brampton
R. McLaughlin, Toronto Twp.
Mrs. S. Gilkinson, Brampton
Mrs. Hore, Albion

From Halton County

Mrs. J. Cook, Esquesing
Jas. Robinson, Oakville
David McLaren, Nelson
Mrs. Coxon, Burlington
Chas. Leybourne, Acton
John Cook, Esquesing
Bob Neelands, Esquesing

There have been several deaths and some of the inmates have been discharged. The total number of inmates at the present time is Forty (40).

Your Commissioners on the advice of the Inspector of Public Institutions have let a contract for the installation of a fire escape on the women's quarters of the Institution. This with the necessary alterations for installing the same will cost about Four Hundred Dollars ($400.00).

We have also found it necessary to have all the exterior woodwork of the House painted, and after calling for tenders we have accepted the tender amounting to Five Hundred and Forty Dollars ($540.00).

We estimate that the amount of money required to provide for Peel County's share of cost of maintenance and repair will be Forty-eight Hundred Dollars ($4800) and would recommend that this amount be placed in the estimates in the By-law for levying a rate for this year.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Adopted),

E. A. ORR, Warden.

FOURTH REPORT OF PRINTING AND CONTINGENCIES COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Printing and Contingencies beg to report as follows:

We recommend payment of the following accounts:

Charters Publishing Co., printing for Sheriff	$	11 96
Adams & Scott, supplies for Registry Office		11 70
Mitchell & Hunter, printing for Crown Atty.		9 50
F. W. Needham, supplies		3 00

All of which is respectfully submitted.

D. J. LAMMY, Chairman.

(Adopted Nov. 22, 1922)

E. A. ORR, Warden.

SECOND REPORT OF THE COMMITTEE ON CHILDREN'S SHELTER

To the Warden and Council of the County of Peel.

Your Committee on Children's Shelter beg to report as follows:

The new wing to the Shelter has been completed and makes a splendid improvement to the building.

The contract for the addition was given to Mr. Henson, of Milton, and for the heating to Mr. Earle.

The total cost was about $5900.00, and after deducting the amount received from the Mrs. Hyman estate, $5000.00, with interest accrued, there will be some $900.00, to be paid by Peel and Halton equally.

The old boiler was discarded and a new heating system installed.

Your Committee attended two meetings at the Shelter, and recommend that the following accounts be paid:

W. N. Riddell, 2 meetings and mileage	$	12 80
O. R. Church, two meetings and mileage		10 40

All of which is respectfully submitted.

W. N. RIDDELL, Chairman.

(Adopted Nov. 23, 1922)

E. A. ORR, Warden.

THIRD REPORT OF THE COMMITTEE ON MISCELLANEOUS MATTERS

To the Warden and Council of the County of Peel.

Your Committee on Miscellaneous Matters beg to report as follows:

We have received a communication from H. P. Moore, P.M., Acton, who was recently given jurisdiction over Peel County, in addition to Halton County, in reference to Peel County Council paying half the cost of supplies, rent, etc., for his office as Police Magistrate.

This request is in accordance with an Act passed by the Legislative Assembly in the present year.

We recommend that this County assume a proportionate share of the expenses of maintaining Mr. Moore's office. (In Council the Clerk was instructed to communicate with Mr. Moore re this matter).

All of which is respectfully submitted.

O. R. CHURCH, Chairman.

(Adopted Nov. 24th, 1922)

E. A. ORR, Warden.

FOURTH REPORT OF THE COMMITTEE ON FINANCE

To the Warden and Council of the County of Peel.

Your Committee on Finance beg to report as follows:

We received a statement from C. H. Burgess & Co., re sale of

debentures for $80,000. Amount of money received, $79,700.00, and interest, $289.32. Total received, $79,989.32. Bank exchange, $50.18.

We received an account from L. H. Willis for $10.00, for two days in Toronto re debentures, and recommend payment of same.

We have received an account from Millar, Ferguson and Hunter for $40.00, in re Orr vs. County of Peel, and refer this bill to a Committee of the Whole Council. (In Council it was decided to pay this account).

With reference to grant for School Nurse, we refer this to a Committee of the Whole Council. (In Council a grant of $1000.00 was made).

Re grant to Relief Fund of Northern Ontario sufferers, we refer this to the careful consideration of the Whole Council. (In Council the following resolution was passed:—Moved by Mr. Milner, seconded by Mr. Elliott, that in the opinion of this Council it is necessary that a contribution of one-half mill on the equalized assessment in common with the other Counties of the Province, be made to the relief of the fire sufferers of North Ontario, and that a temporary grant of three thousand dollars be now paid by this Council). Carried.

We have a statement from the County Treasurer showing the financial standing of the County up to the present time, and refer this to the Whole Council. To be filed.

We would recommend that the Warden sign all cheques after January 1st, 1923.

Re request of His Honour Judge Justin for a library of reference books. We also refer this to the consideration of the Whole Council. (In Cuncil it was decided that this matter be laid over for the next year's Council).

All of which is respectfully submitted.

(Adopted Nov. 24, 1922).

E. A. ORR, Warden.

D. B. KENNEDY, Chairman.

THIRD REPORT OF THE COUNTY PROPERTY COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on County Property beg to report as follows:

Since the last meeting of the Council your Committee have found it necessary that the inside of the Registry Office should be cleaned and decorated, so as to be made more sanitary and in keeping with a County building. This work has been done at a cost of about sixty dollars ($60.00), and is quite satisfactory to your Committee.

We find that the system of filing of maps in the Registry Office is very unsatisfactory, and is causing the destruction of these maps. We would recommend that your Committee be authorized to make the purchase and installation of a steel filing rack for these maps.

It will be necessary to make some alterations next year in the construction of the Registry Office to provide sanitary conveniences.

Owing to the scarcity of coal this season your Committee have not been able to put in the usual winter's supply, but we have secured sufficient to meet the demands, and believe that we will be supplied with sufficient to meet our requirements for the winter.

Your Committee have found upon inquiry that the amount of Insurance on the County's buildings is $5000.00 on the gaol, and $10,000.00 on the Court House. We believe that the interests of the County demand that a further amount of $15,000.00 should be placed on the Court House, and would recommend that the Committee be authorized to place this additional insurance.

We recommend the payment of the following accounts:

R. Blain	$ 1 25
W. E. Anthony	1 63
D. H. Cowling	35 81
L. C. O'Neil	20 00
A. H. Milner (2 days com.)	8 00

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Adopted Nov. 24, 1922)

E. A. ORR, Warden.

PHYSICIAN'S REPORT, COUNTY HOUSE OF REFUGE

To Members of County Council of Peel.

Gentlemen:—

This report is from November 24, 1921, to the present. During this period I have visited the Home once each week, and many weeks four of five times.

There have been eight deaths and two births since last report:

Obadiah Chambers died Oct. 17, 1921, aged 76, from uraemia;

Mary McCartie died Feb. 18, 1922, aged 76, from cerebral hemorrhage, second attack;

SECOND REPORT OF THE COMMITTEE ON ROADS AND BRIDGES

To the Warden and Council of the County of Peel.

Your Committee on Roads and Bridges beg to report as follows:

1. That whereas complaints from York County have been received by this Committee of the unsafe condition of the bridge over the Cold Creek on the town line between Albion and King Townships, east of the Village of Bolton, and that whereas a deputation consisting of the Road and Bridge Committees of Peel and York met at the bridge, it was decided that the bridge be repaired under the

supervision of the Reeve of Albion. This was done at a cost of $143.00. This amount we recommend to be paid, and that York County pay half.

2. That whereas the County bridge on the Indian line, south of Claireville between Etobicoke and Toronto Gore, has been repaired at a cost of $40.85, we would recommend that this amount be paid and that York County pay half.

3. Also the County bridge in the Village of Bolton, over the Humber River needed a new plank covering. This has been covered at a cost of $106.80. We would recommend this amount be paid.

4. There was also a culvert placed between Halton and Peel Counties, opposite lot 15, Chinguacousy, at a cost of $100.00, Halton County to pay half this amount.

We would also recommend that the Committee receive the following amounts for services rendered:

W. N. Riddell	$ 4 60
T. Quinn	5 50
T. H. Elliott	5 50
G. Wiley	5 20

All of which is respectfully submitted.

W. N. RIDDELL, Chairman.

Nov. 25, 1922. (Adopted)

E. A. ORR, Warden.

REPORT OF THE EDUCATION COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Education beg to report as follows:

We have had before us an appeal from the Trustees of School Section No. 5 against the formation of a new section in the Lorne Park district in Toronto Township, composed of Part of S.S. No. 5; the boundaries of which were defined by the Board of Arbitrators in their award under date of May 20th, 1922, said Board being appointed by the Toronto Township Council.

We would recommend that this appeal be referred to the County

Judge for opinion as to whether this appeal is properly before this Council or not, also to define as to whether the description of the boundaries as set out in the award are correct according to map of the Township of Toronto.

As to the request of the deputation from the continuation school at Inglewood that a grant be made by the County towards the purchase of equipment for the school now under construction. We would recommend that a grant be given, but that the said amount be taken up in Council of the Whole. (In Council a grant of one thousand dollars was made for equipment of said school).

All of which is respectfully submitted.

(Signed)

R. M. PARKINSON.

FOURTH REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Good Roads beg to report as follows:

1. We have received a communication from Hon. F. C. Biggs, Minister of Public Highways, acknowledging receipt of a copy of Resolution, asking that the Seventh Line in Albion be made a Provincial County Road, and recommend that same be filed.

2. We have received from the Dept. of Public Highways a copy of Order-in-Council approving of By-law No. 569; also a letter acknowledging receipt of copies of By-laws Nos. 586 and 588 and recommend that they be filed.

3. We have received a letter from the Department of Public Highways a letter enclosing a questionaire re revision and consolidation of the Motor Vehicles Act, and recommend same to the consideration of the whole Council.

4. We recommend that the request of the deputation from the Mississauga Road in Toronto Township for an improved road of cement concrete or other good surfacing be approved of by this Council if satisfactory arrangements can be made.

5. We also recommend that the account of the Canadian Fairbanks-Morse Company for roller parts said to be supplied in 1919 to County roller be referred to C. R. Wheelock, County Road Supt. at that time, and if certified correct by him to be paid at the next meeting of this Committee. (The Clerk was instructed to communicate with Mr. Wheelock re above).

All of which is respectfully submitted.

T. H. ELLIOTT, Chairman.

BY-LAW NUMBER 585

A BY-LAW AUTHORIZING THE ISSUE OF DEBENTURES OF THE COUNTY OF PEEL TO THE EXTENT OF $80,000.00

WHEREAS the Government of the Province of Ontario has taken over certain highways which run through the County of Peel known as Dundas Street and Hurontario Street, and have made the said highways provincial roads under the control of the said Government, under the Provincial Highway Act, Ontario Statutes, 7 George V., and amendments thereto:

AND WHEREAS the said Province of Ontario has expended on the said roads in the year 1921 the sum of $402,910.96, as shown by their statement transmitted to the County of Peel:

AND WHEREAS the County of Peel is liable to the said Province of Ontario for twenty per cent. of the amount so expended by the said Province of Ontario as aforesaid, towards construction of the said Highways:

AND WHEREAS by the Report of the Good Roads Committee of the County Council of the County of Peel, dated the 8th day of June, instant, which said report was duly adopted by the said Council in Session on the Eighth day of June, instant, the said Good Roads Committee did recommend that the said sum of ($80,000.00) Eighty Thousand Dollars be raised by debentures of the said County of Peel:

AND WHEREAS for the purposes aforesaid it will be necessary to issue debentures of the said County of Peel for the sum of $80,000.00 as hereinafter provided, which said sum of $80,000.00 is the debt intended to be created by this By-law:

AND WHEREAS it is desirable to make the principal of the said debt payable by yearly sums during the period of ten years, being the currency of the said debentures, said yearly sums being

of such respective amounts that the aggregate amount payable in each year for principal and interest of said debt shall be as nearly as possible equal to the amount so payable in each of the other nine years of the said period:

AND WHEREAS the total amount required by the Municipal Act to be raised annually by special rate for paying the said debt and interest as hereinafter provided, is a sum sufficient to discharge the instalment of principal and interest accruing due on the said debt for each year as shown in the fourth column of Schedule "A" hereto annexed:

AND WHEREAS the amount of the whole rateable property of the County of Peel according to the last revised and equalized assessment roll is $17,933,500 (Seventeen Million, Nine Hundred and Thirty-three Thousand Five Hundred Dollars);

AND WHEREAS the existing debenture debt of the said County is the sum of $266,521.39, of which no principal or interest is in arrear;

NOW THEREFORE THE MUNICIPAL CORPORATION OF THE COUNTY OF PEEL BY THE COUNCIL THEREOF ENACTS AS FOLLOWS:

1. THAT the said sum of $80,000.00 shall on the First day of October now next be paid to the Government of the Province of Ontario for the said expenditure on the said roads of which the said County of Peel is liable to the said Province of Ontario as aforesaid; and for the purpose of raising the said sum debentures of the said County of Peel, to the amount of $80,000.00, in sums of not less than $100.00 each shall be issued by the said County of Peel, and said debentures shall be dated on the day of the issue thereof, and shall be payable within ten years thereafter.

2. Each of the said debentures shall be signed by the Warden of the said County and countersigned by the Treasurer and Clerk of the said County and the Corporate Seal shall be attached thereto.

3. The said debt and the debentures issued therefor shall bear interest at the rate of five and one-half (5½) per cent. per annum from the date thereof and the said debentures both as to principal and interest shall be payable annually, the first payment in one year from the date of the issue, at the Union Bank, at the Town of Brampton, and shall have attached to them coupons for payment of said interest, which coupons shall be signed by the Warden and Treasurer of the said County of Peel.

4. During the currency of the said debentures there shall be raised annually by special rate on all the rateable property in the

County of Peel the sum required for the purpose of paying the amount due in each of the said years for principal and interest in respect of the said debt as shown in Schedule "A" hereto annexed:

5. That the moneys raised by the issue of the said debentures as aforesaid shall be applied solely for the purpose hereinbefore set out and shall not be used in paying any part of the current or other expenditure of the said Corporation, or for road repair or maintainence.

THIS By-LAW shall come into force and effect from and after the date of the passing thereof.

PASSED in open Council this Tenth day of June, A.D., 1922.

BY-LAW NO. 588

A BY-LAW TO AMEND BY-LAW NO. 553 AND TO REPEAL BY-LAW NO. 582

WHEREAS the Municipal Corporation of the County of Peel by the Council thereof deem it necessary to amend By-law No. 553 and to repeal By-law No. 582 of the said Corporation:

THEREFORE THE MUNICIPAL CORPORATION OF THE COUNTY OF PEEL BY THE COUNCIL THEREOF ENACTS AS FOLLOWS:

1. That Clause Two of the said By-law No. 553 be amended by striking out all of the said clause after the word "salary" and substituting the following: "Of $3,000.00 per year from April first, 1922, this amount to cover travelling and car expenses. The County to purchase and own the car and retain the sum of $25.00 per month out of the above salary to cover the cost of replacing said car each spring." Said salary to be paid in monthly instalments.

2. THAT By-law No. 582 is hereby repealed.

TREASURER'S STATEMENT OF ACCOUNTS FOR THE COUNTY OF PEEL FOR THE YEAR 1922

To the Warden and Council of the County of Peel.

Gentlemen:—

I beg leave to report that the accounts for the year ending Dec. 31st, 1922, have been prepared in detail, and audited.

The Receipts from all sources in the General Account are	$413579 84
and the Disbursements	369062 54
Leaving a balance to the credit of the County on Jan. 1st, 1923, of	$ 44517 30
This balance belongs to the following accounts:—	
Good Roads Debentures and Coupons from Apr. 3rd to Oct. 1st	$ 33337 38
Patriotic Debentures and Coupons, payable July 1st	6633 39
	$ 39970 77
This leaves a balance to the credit of the General Account of	$ 4546 53
Last year the balance was	3401 87

There were three grants made by the Council at the November session which properly belonged to 1922. These have not been paid yet. These grants are:—

$3000.00 to the Northern Relief Fund.
$1000.00 to Miss K. McIntosh for School Nurse.
$1000.00 to Inglewood School for equipment.

The non-resident Land Taxes collected by your Treasurer have all been paid over to the Treasurers entitled to the same; leaving no balance.

The Public School Grants were all paid in 1922; leaving a balance of $20.28. This balance is accrued bank interest on deposits.

The Mothers' Pensions or Allowances paid to the Provincial Treasurer for the past year were $4332.50, as compared with the year 1921, which was $3782.00. This shows an increase on the year 1921 of $550.50.

In my last year's report I showed that County Bridges have cost the County an average of $10,640.00 for the past 6 years, and I also stated that I believed $1000.00 a year should cover this expenditure for some years, as the County bridges were now in good repair.

I find this has come true. The total payments for County bridges in 1922 were $1050.19.

I find that we borrowed from the Bank for all purposes for the past year $60,000.00, and the interest paid for said loans was $475.95, and we received from the Bank interest on our deposits $224.21. This shows a total cost to the County for interest paid for Loans for the year 1922 of $251.74, as compared with the previous year which was $1777.17. This saving was made by borrowing from Good Roads Account instead of from the Bank.

Your obedient servant,

ROBERT CRAWFORD,

County Treasurer for Peel.

AUDITORS' REPORT

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Auditors for the year ending December 31st, 1922, beg leave to report as follows:—

We have gone over and checked closely the books and accounts of your Treasurer, being mindful of the sources of revenue. As to the expenditure, we have checked the vouchers in the shape of returned cheques and receipted accounts. In Good Roads Account we have accepted the reports of your Good Roads Committee, which are prepared by your Engineer and signed by the Chairman of the Good Roads Committee.

We find the receipts from all sources in the General Account are $306983 99
With disbursements 262466 69

Leaving a balance to the County ..... $ 44517 30

In the County General there is still $5.00 to credit of County in Bank of Montreal to meet an outstanding cheque of same amount.

Good Roads

In the Good Roads Account we find receipts amounting to	$175339 45
Disbursements	166764 17
Leaving a balance of	$ 8575 28

In Good Roads account there is still in Bank of Montreal $6.00 to credit of County, and cheque outstanding to same amount.

Non-Resident Land Tax

The Non-Resident Land Taxes collected by your Treasurer have all been paid over to the Treasurers entitled to the same, leaving no balance.

House of Refuge Account

The Peel and Halton House of Refuge accounts have been verified and show receipts amounting to	$ 10212 80
Disbursements	10198 03
Balance	$ 14 77

Public School Accounts

The receipts of this account amount to	$ 27833 46
Disbursements	27813 18
Balance	$ 20 28

Your auditors desire to express their thanks to the Treasurer and Engineer for their kind assistance and to commend the Treasurer for the very admirable manner in which his accounts are kept. Through all his books we found only $1.50 difference between his books and bank books, and this was to the Treasurer's credit in Good Roads account.

ALEX. McFARLANE,

JOHN SPEERS, Auditors.

ANNUAL REPORT OF EXPENDITURE ON PEEL COUNTY GOOD ROADS SYSTEM —1922—

ROAD SUPERINTENDENT'S REPORT

To the Warden and Council of the County of Peel.
Gentlemen:—

I beg to submit herewith a statement of moneys expended in accordance with the Regulations of the Department of Public Highways of Ontario on the Peel County Good Roads System for the year 1922; together with the tabulated statements, declarations, etc., necessary to be forwarded to the Minister of Public Highways with your petition for the Government Subsidy.

These statements show that twenty-one miles of road have been gravelled, twenty-eight miles resurfaced with gravel, twelve and one-half miles graded, two bridges and three concrete culverts built.

There are several points that should be brought to your attention and consideration.

1. Many of the roads built in former years have narrow and dangerous grades and culverts; these roads should be widened and the culverts lengthened so that the road conforms to the standard set by the Govt. Regulations and is safe for traffic. The width of right of way in some cases is only fifty feet and interferes with grading the road, adding to the cost where there is any amount of cutting or of fill. I would recommend that an Ontario Land Surveyor determine the line on some of the narrowest roads where no line can be located and the fence interferes with the grading.

2. The Dept. of Highways has recommended a Cost System and at any time may insist on it being followed. They pay the usual grant of 40% on the cost of this including the salary of an office assistant. At the present time the costs are not as detailed as they should be and are a month behind the work—that is, I cannot give a definite cost of any work in progress closer than from two weeks to a month or more depending on the time of the month. At present it takes three to four days a month of my time on the accounts and this is just at the time I should be on the road. While a good cost system as recommended means an office assistant and some other

expenditure, it is all necessary for an accurate check on the work and would save more than the amount expended on it in knowing definitely the cost of stripping gravel, grading roads and general repair work.

3. For years your former superintendent and also myself have recommended permanent gangs for the road work; this is especially needed in the Townships of Toronto and Toronto Gore. By permanent gang I mean putting a gang on as soon as possible in the spring and keeping them at the work all season, instead of the present system of tying the work up for haying and harvest just at the best season for the work.

All of which is respectfully submitted.

Brampton, Jan. 26, 1923.

County Road Supt.

PEEL COUNTY ROADS

STATEMENT OF WORK AND EXPENDITURE FOR THE YEAR 1922

CONSTRUCTION WORK

County Road No. 4—Lower Middle Road—Toronto Township

Gravel was placed on this road consisting of two inch screened gravel from Summerville at a cost of $3.30 per cubic yard delivered on the road. An endeavor was made to get the use of an adjacent siding to put stone on but we were unable to get any closer unloading point than Clarkson—about two miles average haul. This road will require a wearing surface of finer gravel.

Cost: Gravel and hauling	$ 3546 60	
Labor	180 33	
		$ 3726 93

County Road No. 6—The Five Sideroad—Chinguacousy and Toronto Gore Townships

The only construction work on this road was a concrete culvert across the First Line East between Brampton and Chinguacousy. This culvert is 25 ft. clear roadway with a 2 ft. high by 6 ft. wide waterway. Built by contract at $16.50 per cu. yard.

Cost		$ 412 71

County Road No. 7—The 17 Sideroad, Chinguacousy

The fourth, fifth and sixth concessions west was gravelled and the grade trimmed up, three new culverts placed and four lengthened.

MINUTES

JANUARY SESSION

Corporation of the County of Peel,
Council Chamber, Brampton, Jan. 23rd, 1923.

The Council met at 2 p.m. in accordance with the Municipal Act. The Clerk presiding.

The following named members-elect, having filed their certificates, answered to their names as representing the several municipalities:

For the Township of Albion—W. N. Riddell, Reeve; G. E. Taylor, Deputy Reeve.

For the Township of Caledon—J. F. McDonald, Reeve; W. J. Wilson, Deputy Reeve.

For the Township of Chinguacousy—T. H. Elliott, Reeve; Wilbur Little, Deputy Reeve.

For the Township of Toronto—L. H. Pallett, Reeve; Joseph Burton, 1st Deputy Reeve; Geo. Duck, 2nd Deputy Reeve; Jno. Jamieson, 3rd Deputy Reeve.

For the Township of Toronto Gore—N. S. Lindsay, Reeve.

For the Town of Brampton—F. W. Wegenast, Reeve; J. E. Fullerton, Deputy Reeve.

For the Village of Bolton—D. B. Kennedy, Reev.e

For the Village of Port Credit—R. M. Parkinson, Reeve.

For the Village of Streetsville—O. R. Church, Reeve.

The Clerk informed the members that their first duty was the election of a Warden.

Moved by Mr. Elliott, seconded by Mr. Burton, that the mode of precedure for the election of a Warden for the County of Peel shall be as follows:

1. That ten minutes shall be allowed for nominations.

2. That the member of this Council who has filed his certificate of election under the Municipal Act, receiving a majority of the votes of the members present, shall be declared elected. Carried.

Nominations for the office of Warden were then asked for.

Moved by Mr. Duck, seconded by Mr. Parkinson, that O. R. Church be Warden for the year 1923.

Moved by Mr. Kennedy, seconded by Mr. McDonald, that W. N. Riddell be Warden for the year 1923.

Moved by Mr. Wilson, seconded by Mr. Little, that T. H. Elliott be Warden for the year 1923.

Nominations being closed, a vote was taken and resulted as follows:

First Division

For Mr. Church—Messrs. Burton, Church, Duck, Fullerton, Jamieson, Pallett, Parkinson and Wegenast.

For Mr. Riddell—Messrs. Kennedy, Lindsay, McDonald, Riddell and Taylor.

For Mr. Elliott—Messrs. Elliott, Little and Wilson.

Mr. Elliott then withdrew and a second division resulted as follows:

For Mr. Church—Messrs. Burton, Church, Duck, Fullerton, Jamieson, Pallett, Parkinson and Wegenast.

For Mr. Riddell—Messrs. Elliott, Kennedy, Lindsay, Little, McDonald, Riddell, Taylor and Wilson.

The vote being a tie, it was decided by the statutory provision of the Municipal Act, which gives the Reeve of the municipality having the highest equalized assessment, a second or casting vote. Toronto Township having the highest equalized assessment, Mr. Pallett, the Reeve of Toronto Township, gave a second or casting vote in favor of Mr. Church, who was then declared elected.

The Warden-elect was then conducted to the chair by his mover and seconder, subscribed to the statutory declaration of office before Robert Crawford, J.P. He briefly addressed the Council and thanked them for the honor conferred, and enered upon his duties.

Minutes of the last day of November Session were read and adopted.

REPORTS

REPORT OF COMMISSIONERS OF THE HOUSE OF REFUGE

The Wardens and Councils of the County of Peel and Halton.

Gentlemen:—

Your Commissioners on the Peel and Halton House of Refuge beg to submit the following report:

It is with feelings of sorrow that we have to report that, following a prolonged illness extending over some twelve months, death has removed from us a much respected and highly efficient servant in the person of Mrs. Partridge, the Matron of the Home. She was much beloved by the inmates of the Home. Her death will necessitate the appointment of a new Matron, and we believe we have been most fortunate in securing the acting Matron, Mrs. Ellen McCurry, for this position. Mrs. McCurry has had considerable experience as a nurse, and is of a disposition as commends her very highly for the position. We would recommend that a By-law amending the By-law appointing a Matron be introduced at this Session and that Mrs. Ellen McCurry be made Matron at a salary of Six Hundred Dollars per annum, to be paid in monthly installments of $50.00 each.

We feel that we cannot speak too highly of the manner in which the Institution has been conducted under the present Superintendent, Mr. Partridge. He has been very faithful and industrious in the discharge of his duties and the general conditions in regard to the management also the feeling of contentment and satisfaction among the inmates reflects great credit upon the Superintendent.

Owing to a request from the authorities that the statement should cover the calendar year, we were not able to give our report at the November Session, and submit herewith the report showing the inmates admitted and the average cost per inmate for the year.

ROAD SUPERINTENDENT'S REPORT

To the Warden and Council of the County of Peel,

Gentlemen:—

I beg to submit herewith a statement of moneys expended in accordance with the Regulations of the Department of Public Highways of Ontario on the Peel County Good Roads System for the year 1922; together with the tabulated statements, declarations, etc., necessary to be forwarded to the Minister of Public Highways with your petition for the Government subsidy.

These statements show that twenty-one miles of road have been gravelled, twenty-eight miles resurfaced with gravel, twelve and one-half miles graded, two bridges and three concrete culverts built

There are several points that should be brought to your attention and consideration.

1. Many of the roads built in former years have narrow and dangerous grades and culverts; these roads should be widened and the culverts lengthened so that the road conforms to the standard set by the Government regulations and is safe for traffic. The width of right of way in some cases is only fifty feet and interferes with grading the road, adding to the cost, where there is any amount of cutting or of fill. I would recommend that an Ontario land surveyor determine the line on some of the narrowest roads where no line can be located and the fence interferes with the grading.

2. The Dept. of Highways has recommended a cost system and at any time may insist on it being followed. They pay the usual grant of 40% on the cost of this, including the salary of an office assistant. At the present time the costs are not as detailed as they should be and are a month behind the work; that is, I cannot give a definite cost of any work in progress closer than from two weeks to a month or more, depending on the time of the month. At present it takes three to four days a month of my time on the accounts, and this is just at the time I should be on the road. While a good cost system, as recommended, means an office assistant and some other expenditure it is all necessary for an accurate check on the work and would save more than the amount expended on it in knowing definitely the cost of stripping gravel, grading roads and general repair work.

3. For years your former superintendent, and also myself, have recommended permanent gangs for the road work; this is especially needed in the Townships of Toronto and Toronto Gore. By permanent gangs I mean putting a gang on as soon as possible in the spring and keep them at work all season instead of the present system of tying the work up for haying and harvest just at the best season for the work.

All of which is respectfully submitted.

N. L. POWELL, County Road Supt.

FIRST REPORT OF COMMITTEE ON GOOD ROADS

To the Warden and members of Peel County Council:

Your Good Roads Committee submit to you for adoption their first report as follows:

1. Following the discussion re Good Roads audit, we recommend that all vouchers, paysheets, etc., be audited each month by the County Auditors before being passed by the Good Roads Committee.

2. That the County Road Supt. do not work on Township systems without the consent of Committee.

3. That report of County Road Supt. be adopted excepting that part referring to a cost system being adopted, said clause to be referred back for further consideration.

All of which is respectfully submitted.

Adopted January 26th, 1923.

L. H. PALLETT, Chairman.
O. R. CHURCH, Warden.

FIRST REPORT OF COMMITTEE ON AGRICULTURE

To the Warden and Council of the County of Peel:

Your Committee on Agriculture beg to report as follows:

We received a communication from the Peel Poultry Association asking for the usual grant of $25.00 to assist in financing the show. Your Committee would recommend payment.

Your Committee also received a request from Mr. Carroll asking for a grant of $80.00 for the Short Course held at Streetsville.

We recommend the payment of this.

We also received bills from the following named members of the Advisory Council of Agriculture:

James Hillyard, Caledon	$ 13 00
W. A. Shook, Clarkson	6 60
Robt. Gardhouse, Malton	11 40
J. M. Dolson, Brampton	11 60
	$ 42 60

All of which is respectfully submitted.

Adopted January 27th, 1923.

W. J. WILSON, Chairman.
O. R. CHURCH, Warden.

REPORT OF EDUCATION COMMITTEE

To the Warden and Council of the County of Peel:

Your Committee on Education beg to report as follows:

We have received claims from the following schools for the cost of education of pupils resident in the County of Peel:

Orangeville High School	$ 2298 53
Streetsville High School	3005 78
Brampton High School	9656 64
Inglewood Continuation School	350 40
Cottenham Continuation School	1058 20
Georgetown High School	903 05
Erin Continuation School	293 80
Weston High School	923 09
	$ 18489 49

We would recommend payment of the above amounts.

The amount for the Continuation School at Erin includes the years 1920, 1921 and 1922, the claim not having been presented for payment before the present year.

We have, at the time of making this report, no claim from Port Credit or Bolton Continuation Schools.

We have received a circular relative to Education Week for the Province of Ontario and the Dominion of Canada, to be held in Convocation Hall, Toronto, April 2nd to 5th. We recommend that this be discussed in Committee of the Whole.

It was decided in Council that Messrs. Jamieson and Taylor be representatives.

We have received a communication from Caledon East Continuation School Board for a grant towards assisting to equip this school. Also your Council has heard a deputation relative to the grant. Your Committee would recommend that a grant be given, but that the same be left to the Council as a whole. (In Council a grant of Seven Hundred Dollars was made.)

We recommended that D. H. McCaugherty be reappointed trustee of Streetsville High School for the years 1923, 1924 and 1925, and that J. R. Fallis be appointed trustee of Brampton High School for the same three years.

All of which is respectfully submitted.

Adopted January 25th, 1923.

R. M. PARKINSON, Chairman.
O. R. CHURCH, Warden.

REPORT OF THE FINANCE COMMITTEE

To the Warden and Council of the County of Peel:

Your Committee on Finance beg to report as follows:

1. We have examined the Treasurer's Statement showing the receipts and expenditures under the different headings which are given in a very simple and concise manner. We therefore recommend that this report be taken up by the Council as a whole.

2. We have received a communication from C. H. Burgess, Police Magistrate, Port Credit, for desk room and quarters at the Muncipal Council Chambers Port Credit, at a rental of $10.00 per month. As this complies with and is in accordance with the Statutes of 1922, we recommend that his request be granted, but that this question be discussed in Committee as a whole. (Laid over.)

3. We have also received a communication from H. P. Moore, Police Magistrate of Acton, Ont., requesting office quarters and furniture. This is also in accordance with the Statutes of 1922. We would therefore recommend that the same consideration be given to his request as Magistrate Burgess' and leave the matter to the consideration of the Council as a whole. (Laid over).

4. We have a communication from the Canadian National Institute for the Blind asking for a grant. We would recommend that this receive the consideration of the Council as a whole. (Laid over.)

5. We have letters from the Northern Ontario Fire Relief Committee and would recommend that the same be read in Council as a whole.

6. We would recommend that the grant of $1000.00, granted to the school nurse at November Sessions, be paid quarterly. (Carried.)

7. We have received an account from S. R. Hart & Co. for $91.66 for printing ordered by John Clark. As we think this account not in accordance with past procedure, we would recommend that the same be taken up in Council as a whole. (In Council, Mr. Fullerton was instructed to check this account and report at the March Session.)

8. We would recommend that the Treasurer be authorized to send a cheque of $15.00 to the Secretary-Treasurer of the Ontario Good Roads Association for membership fees. Carried.

All of which is respectfully submitted.

PUBLIC SCHOOL INSPECTOR'S REPORT

Brampton, February 5th, 1923.

The Warden and Council,
County of Peel.

Gentlemen:—

In accordance with the Statute governing the duties of Public School Inspectors, I have the honor to present herewith my Annual Report for the year 1922.

I have the honor to be, gentlemen,

Faithfully yours,

W. J. GALBRAITH,
Public School Inspector.

Visits

With a single exception I visited all the schools in the Inspectorate twice during the school year and spent the required time on each occasion. Illness on the part of one teacher prevented my making a visit near the close of the year.

School Attendance

The enrolment of pupils in the schools, rural and urban, throughout the Inspectorate may be regarded as a fairly accurate indication of the increase or decrease of the total population in the several municipalities. Comparing the past year with the year 1910, the year in which I took up my present work, it is found that, in the rural portions of the county the enrolment in the four purely rural municipalities of Albion, Caledon, Chinguacousy and Toronto Gore, there was a falling off in attendance of 364 or about 18 per centum, but notwithstanding this decrease in the total in attendance, the average attendance increased by 50. This is very encouraging

and shows that the better enforcement of the Attendance Act i producing satisfactory results. In the rest of the Inspectorate gain of 1045 was made, nearly 60 per centum; in the county as unit the gain amounted to 681, about 17 per centum of the enrol ment of the year 1910.

Teachers

Last year 122 teachers were employed, an increase over the pre ceding year of 6; of these teachers 10 were males and 112 females 9 held First Class certificates and 113 Second Class. For the firs year in my experience I was not asked to seek the validation of certificate lower than a Second Class. I might here remark tha except in S.S. No. 19, Caledon, where there is a very low assessmen a certificate lower than a Second Class is not accepted as lega qualifications. The salaries paid show a very slight increase; i 1921 the average salary for the whole inspectorate was $1022; i 1922, $1052. The male teachers received in 1921 an average salar of $1381, which was increased to $1382 last year; the female teach ers lost $2.00 each, their average salaries being in 1921, $1003.00, an in 1922, $1001.00. The average salary of all teachers last year wa $1052.00.

School Accommodation

Owing to the formation of new sections and to the growth o the school population, building operations were unusually activ In S.S. No. 1, Toronto Township(Dixie), the trustees obtaine from the ratepayers permission to erect a four-roomed school wit a commodious auditorium in the centre. This room is lighted fro the roof. By opening the doors between the auditorium and tw class rooms seating accommodation for six hundred people is pr vided. The auditorium is provided with a platform, and a room fo a moving picture machine. The school will be heated by steam an lighted by electricity. The class rooms are well ventilated an sanitary lavatories are installed. In addition to the above there a two private rooms for the use of the principal and the assistan teachers. When completed this will be one of the most convenien and up-to-date schools in the province. Its cost is about $45,000.

In S.S. No. 4, Toronto Township (Erindale), a two-roome school house is well on the way towards completion. This buildin will be well heated, properly ventilated and provided with sanitar lavatories and a teacher's room. It will cost about $18,000.

The trustees in S.S. No. 7, Toronto Twp. (Lakeview), findin that the two rooms completed in 1921 were inadequate for the needs, have added four rooms to the two already occupied. A these rooms are now in use. In this building arrangements ar made for throwing two rooms into one, thus providing accommod

m for five hundred people. In the basement are a well equipped anual training room where instruction in the use of tools is given ily, a lunch room where a warm dish is supplied the children who pable of seating 200 or 300 persons, and two large play rooms hich may be used in inclement weather. The expenditure on the dition amounted to nearly $25,000.

S.S. No. 23, one of the new sections formed, has elected a Board Trustees who have had plans prepared and contracts let for the ection of a four-roomed building, which will, together with the ounds, cost approximately $50,000. But little progress has as yet en made, but it is hoped that the school will be ready to receive e pupils on the first of September next. This will also be a thor-ghly modern school house.

S.S. No. 4, Caledon, has almost completed a three-roomed hool of which the ratepayers may justly be proud. It will cost out $25,000, and will be occupied by both the Public School and e Continuation School. It will be equipped somewhat similarly the schools mentioned above. The total cost of the buildings mpleted this year and nearing completion will reach approximately 65,000. New buildings are being considered in S.S. No. 21e, and , Toronto Township, and in Bolton and Brampton. The amount be expended in 1923 will probably reach $125,000.

In addition to the new buildings referred to, several have been nproved. The interest in the personal comfort of the children as ell as in their mental development is gradually increasing. Many the people living in the rural districts are fully alive to the nec-sity of obtaining for their children educational advantages equal those given to the children of urban centres, but the difficulty, not impossibility, of obtaining these advantages in the small one-omed school is not yet entirely apparent. When the parents wake to the enormous educational waste under the present system, ere will arise a demand for a better type of school. If education nsisted in mental training alone, the one-teacher room would not so open to criticism, but that is only one phase of the function of public school. The development of the physical and moral na-res is equally desirable and necessary for the making of such tizens as this country must have if it is to take its place among e nations of the world.

Owing to the geographical conditions of this county, many of e graduates of the public schools find it more convenient to attend secondary school in one of the adjoining counties than a High hool lying within the County. To overcome the necessity of their aving home, Continuation Schools were established at Bolton and ort Credit. This still left a district lying between Terra Cotta id Palgrave unprovided for. To overcome this handicap and to

give to the young people of this district the advantages enjoyed b the rest of the county, Continuation Schools were established Caledon East and Inglewood. The urgent need for such schools seen in the attendance at these schools, which is most satisfactor and which will in time be greatly increased. In the two years b tween 14 and 16 a person's future may be made or marred. Th earlier age is too young at which to place a boy or girl on his her own responsibility. More training and greater maturity of mi are needed to guide the child safely past the pitfalls that lie in path.

Arbitrations

A request for the formation of two new sections in the southe part of the Township of Toronto Township having been made t Council of that municipality, found itself unable to take upon its the duty of the formation of the sections. In consequence the Cou cils of Port Credit and Toronto Township, both of which muni palities were concerned in the matter, appointed Mr. W. T. Gra of Port Credit, and Mr. D. McCaugherty, of the Township of T ronto, respectively to form with the public school inspector a boa of arbitration to determine the boundaries of the new sections a to make an award in the matter. This was done. No objection w taken to the boundaries of S.S. No. 23, but in the case of No. 22 appeal was made to the County Council and to the County Judg This appeal was not sustained.

School Grants

The grants made to the schools of the county were as follows

Township Grants	$ 50120 00
County Grants	904 48
Legislative Grants	26774 91
	$ 77798 39

The supplementary grant which was continued last year a apportioned on the same basis as in the preceding year, was mu appreciated and fully justified on the part of the Legislature in vi of the rapidly increasing revenue of the province. I desire to c your attention that urban municipalities having a population of 2(or less shared in this grant.

FIRST REPORT OF COMMISSIONERS ON HOUSE OF REFUGE

o the Warden and Council of the County of Peel:

Your Commissioners on the House of Refuge beg to report as llows:

1. Your commissioners have considered the advisability of in-alling machinery for washing clothes, blankets, etc., which would lieve a situation which at prersent constitutes a hardship. The cost up-to-date machinery which would be adequate to handle the tuation would cost in the neighborhood of $1200.00.

2. We recommend that your Commissioners be authorized to rchase the same, providing the County Council of Halton will as-me its proportion of the cost. (No action.)

All of which is respectfully submitted.

Adopted March 27th, 1923.

J. E. FULLERTON, Chairman.
O. R. CHURCH, Warden.

REPORT OF DELEGATES TO THE GOOD ROADS CONVENTION

the Warden and Council of the County of Peel:

Your Delegates to the Good Roads Convention beg to report follows:

The Ontario Goods Roads Convention was held on Feb. 28th, rch 1st and 2nd.

Addresses of welcome were delivered by Lieut.-Governor Cock-tt and Hon. P. Smith on behalf of the Governmnt, and by Mayor guire on behalf of the city, which were full of congratulations for Convention and strongly in favor of more roads and better roads.

W. A. McLean gave a lengthy address as to the total expendi-e on Township and County Roads, and reading the Government editures in the County of Peel, we find that all the local Town-ps have taken advantage of the Government 20% grant for wnship roads.

There was considerable discussion as to truck haulage of gravel and stone for road building purposes, and we should congratulte our County Superintendent on being able to get material hauled cheaper than any estimates given at the Good Roads Convention.

There was considerable discussion re road building, and the road drag received considerable credit in keeping down expenditure when properly used, and we believe it might be used to a greater extent in our own county.

There were several resolutions passed asking the Ontario Government to improve the Highway Improvement Act by making certain amendments. Two of these were moved by delegates of the County of Peel and carried.

1. To have an area assessment on Township roads rather than a frontage assessment.
2. To allow a Local Improvement on County roads.

Mr. Fullerton presented a resolution re making a different adjustment re urban and rural municipalities, but owing to lateness of presenting it, it was not dealt with.

Your Good Roads Committee waited on the Ontario Government to protect the County's interest re the Brampton Secession Bill, and on hearing that the town were open to negotiate, they passed the following resolution:—

Moved by Mr. Riddell, seconded by Mr. Lindsay—That whereas the Town of Brampton has applied for an Act separating the town from the jurisdiction of the County Council.

AND WHEREAS the town has asked for a postponement of the discussion of this Bill before the Private Bills Committee and have requested the Warden to negotiate an agreement whereby the town will receive 66⅔ per cent. refund of money raised for Good Roads purposes.

BE IT RESOLVED that the Warden and members of the Good Roads Committee will not negotiate on these terms, but that if the town will submit a scheme whereby the urban municipalities will pay their full share of maintenance and whereby in any year when urban municipalities are not able to receive full benefit of money raised for construction purposes, owing to having no specific use for same, that the County Council remit to them 50 per cent. of the construction money raised by them that year; that the Good Roads Committee will recommend that such an agreement be adopted at the March Session of the County Council, and that the Warden be instructed to forward a copy of this resolution to the Mayor of the Town of Brampton.

(In Committee "Moved that the attached resolution be filed." W. Little, Chairman.)

We recommend the following payments:—

SECOND REPORT OF THE COMMITTEE ON MISCELLANEOUS MATTERS

the Warden and Council of the County of Peel.

Your Committee on Miscellaneous Matters beg to report as lows:—

1. We have received a communication from the County of rth, asking that we endorse the principle of Government assist- ce to small villages and hamlets seeking Hydro power. We rec- mend that this Council endorse the said principle, thereby also ing farmers along the transmission lines to obtain the benefits of dro power. (No action was taken.)

2. We have also received a communication from the County uncil of Welland regarding the amount of crime in the said Coun- and the effect thereon by the commuting of the sentence of two n guilty of murder, and requesting this Council to go on record opposed to the too easy commutation of sentences imposed. We ommend that the memorial of the County of Welland be endorsed d forwarded to the proper authorities.

3. We would recommend the communication from the Peel morial Hospital to our Warden for perusal.

4. We also extend our thanks to the officers of the Peel Regi- nt for the complimentary invitation to their dance on Easter nday.

All of which is respectfully submitted.

SECOND REPORT OF THE COMMITTEE ON EDUCATION

To the Warden and Council of the County of Peel.

Your Committee on Education beg to report as follows:

We have received a statement of claim of the Galt Collegiate Institute for education of pupils from the County of Peel. Your Committee, after carefully going into the said claim, would recommend that the Clerk write the Secretary of the Collegiate, requesting information as to what part of the Statutes they hold this County liable.

We have received a claim from the High School of Brampton for the sum of $1190.00. This, under the existing circumstances, we, as your Committee, cannot recommend payment, but refer same to the Council as a Whole for their consideration. It was decided in Council that this bill be paid upon the Treasurer receiving assurance that Brampton has paid their share.

We have received the amended report from the Public School Inspector, which we would recommend to the Council as a Whole, and that the report be incorporated in the proceedings of this Council.

We have received a communication from the County Council of Ontario re a resolution passed by them at their January session, and recommend the same to the Council as a whole for consideration. (Laid over).

Mr. Graham has asked that Entrance Examinations be held at Inglewood Continuation School, and your Committee recommend that this request be referred to the Council as a whole.

All of which is respectfully submitted.

SECOND REPORT OF COMMITTEE ON FINANCE

To the Warden and Council of the County of Peel.

Your Committee on Finance beg to report as follows:

1. We have received an account from O. R. Church, Warden, for days and mileage at Brampton countersigning cheques and recommend that same be paid.

2. Received an account from E. Rutledge, Constable, Streetsville, for rental of telephone, and recommend same to consideration of the whole Council. (No action taken.)

3. We have received a communication from the National Institute for the Blind, asking for a grant, and recommend this to the consideration of the whole Council. (No action).

4. We have received an account from H. P. Moore, Police Magistrate, for supplies, and recommend this to the consideration of the whole Council. In Council it was decided to refer this account to Mr. Morphy, County Solicitor, for written legal opinion.

5. We have received a communication from Sheriff Henderson re an increase of two hundred dollars in salary of Mr. O'Neill, Gaoler, and refer this to the whole Council. (No action).

6. We have received from S. R. Hart & Co. an account of $88.00 for supplies to John Clarke, Bailiff, and recommend payment of same.

7. With reference to request that Toronto Township be refunded $500.00 granted by them to Northern Relief Fund, we recommend this to the Council as a whole. (In Council the following resolution was passed—Moved by Mr. Jamieson, seconded by Mr. Burton: Be it resolved that the Treasurer of the County of Peel pay to Toronto Township five hundred dollars ($500.00), same being a rebate to the Township of the Northern Fire Relief grant forwarded to Relief Committee by the Township of Toronto, said Township now being a party to the County of Peel grant of three

thousand dollars ($3,000.00), and that the Clerk be instructed to write to the Township of Toronto and any other Municipality concerned, making any necessary explanations.

8. With reference to grant to Peel Memorial Hospital, we recommend this to the consideration of the whole Council.

9. Re request of Peel Battalion for a grant of five hundred dollars ($500.00), we recommend this to the consideration of the whole Council. (In Council a grant of two hundred and fifty dollars ($250.00) was made).

EPORT OF MESSRS. JAMIESON AND TAYLOR, DELEGATES TO ONTARIO EDUCATIONAL ASSOCIATION CONVENTION AT TORONTO ON APRIL 2nd-5th, 1923

o the Warden and Members of Peel County Council.

Being appointed delegates by this Council to the Convention the Ontario Educational Association held in Toronto from the cond to the fifth of April, we beg to report as follows:

We attended the Convention on the third and fourth days of pril, and our report is for the fourth day. On this day there was a ry large attendance of delegates at the Convention held in Conocation Hall, which is an ideal place for a large convention. We stened to addresses from delegates from Newfoundland, New Zeand, Manitoba, and British Columbia. At the morning session the elgates from Manitoba and British Columbia spoke, but as their lucational systems are much the same as that of Ontario, they did ot impart anything new to us. They were, however, very strongly favor of "Consolidated Schools." After they had finished speakg a delegate from Ontario took the platform in opposition to conolidation and seemed to have the support of the majority of the elegates present. As this delegate said, it was unfair to give just ne side of the question, so it was arranged to have a debate on his qustion at the Convention next year. I am sure that this will e very interesting.

The delegate from Newfoundland spoke next. He said that in Newfoundland they have no Trustee Boards as is the system in Ontario, but that the schools are managed by Commissions. In the ourse of his address he also told us that the people of Newfoundand are celebrated for their hospitality. When a visitor enters the ouse they hang a kettle over the fire and give the stranger all he vants to eat and drink, and charge him nothing.

The address from the delegates from New Zealand was very ifferent. He said that in New Zealand they have no school taxes o pay, and that education is entirely free. Children can travel to nd from school night and morning as far as forty miles on the railoads free of charge. Their school teachers in rural sections that ave no more than thirty-five pupils are receiving a salary of two housand dollars per annum. All pupils, after they have Matriculated and taken the extra year's work which gives them Honor Matriculation, can attend any university in the land free of charge, as the universities are all controlled by the state, as are all other ublic utilities.

We had a demonstration of how children are taught by the help of music in our schools. We think it splendid how these children are taught writing and other work by the help of music, but we do not think it would be practicable nor advisable in our country schools where there is no regular Caretaker to look after the musical instruments.

Also at the afternoon session Rev. Dr. Cody gave an address on "The Value of the School in the Life of the Nation." He made an eloquent appeal that the universities should not become closed corporations,but should become interested in the Primary Schools in each Province. "Education," he said, "is bound up with social and industrial reconstruction. A nation advances in proportion to the training and ability of its citizenship. Therefore, the progress and prosperity of the country is dependent upon the adequate training at its youth. Education should be utilized in helping to solve national problems relating both to Canada and the Motherland.

Rev. Manson Doyle, of the Department of Religious Education of the Methodist Church, who spoke on the religious education of the school child, asserted that unless the school and its work were developing character, the graduates were fundamentally failures. He said that the most dreaded spectre in the world to-day was spiritual illiteracy, the country where this was an outstanding example being Russia. He told us that in the United States there is a strong movement for religious instruction in the schools, and he advises that Canadians should look across the "line" in this matter of religious instruction in our Public Schools.

We recommend that the delegates be paid as follows:

Geo. Taylor, 2 days and registration fee	$ 12 00
J. Jamieson, 1 day and registration fee	7 00

SECOND REPORT OF THE PEEL AND HALTON HOUSE OF REFUGE COMMISSIONERS

To the Warden and Council of the County of Peel.

Your Commissioners on the Peel and Halton House of Refuge beg to report as follows:

The total number of inmates in the House of Refuge at the present time is 38. There have been to date this year three admissions and six deaths, the deaths being due to diseases usually prevalent in the early spring and to old age. The general health of the inmates at present is good.

Your Commissioners desire to highly recommend the Superintendent on his efficient conduct of the affairs of the Institution. In his handling of the additional fifty acres and stock, he has given good service.

Your Commissioners also desire to compliment the new Matron, Mrs. McCurry, on the very efficient discharge of her duties. The County was fortunate in securing her.

Tenders were called for a supply of coal, and 50 tons were purchased at a cost of $16.00 per ton.

In view of the nature of the washing and also the quantity of same, a very great hardship has always been in evidence in the handling of this department, the three women who are able to work having to spend practically all their time in the wash tub. The Commissioners have had in view the purchase of a suitable washing machine, also extractor and motor, but have not as yet been able to secure all the information they desire as to the most economical type of machine. They unanimously recommend that when they are satisfied on this point that a machine with proper additional equipment be purchased. (This was laid over until November session.

The estimate of money required for Peel County's share of maintenance, etc., is, as usual, about $5000.00.

All of which is respectfully submitted.

Adopted June 9, 1923.

J. E. FULLERTON, Chairman
O. R. CHURCH, Warden

SECOND REPORT OF COMMITTEE ON CHILDREN'S SHELTER

To the Warden and Council of the County of Peel.

Your Committee on the Children's Shelter beg leave to report as follows:

1. The Peel and Halton Committees on the Children's Shelter met at the Shelter on May 15th.

The Matron, Mrs. Holloway, resigned in April and the management were successful in securing the services of Miss Telfer, a trained nurse, to take charge of the Institution.

2. We feel it our duty to report that repairs will have to be made to the drainage system as we find it in very bad condition.

3. We would also recommend that the old original building be shingled this year if possible and also that a high board fence be erected on one side of the property.

4. We recommend that the following account be paid:
O. R. Church, 1 day and mileage .....$ 5 30

All of which is respectfully submitted.

Adopted June 9th, 1923.

W. N. RIDDELL, Chairman
O. R. CHURCH, Warden

THIRD REPORT OF COMMITTEE ON FINANCE

To the Warden and Council of the County of Peel.

Your Committee on Finance beg to report as follows:

1. We have received a communication re Peel's share of maintenance of the Toronto-Hamilton Highway for the year 1922, the amount being $895.18. We recommend that this amount be paid.

2. We have received an account from Gordon V. Jackson re services rendered in connection with Separation Bill of the Town of Brampton for $25.00, and recommend payment of same.

3. We have received an account for $1.00 for express paid by W. J. Galbraith. We recommend that this amount be paid.

4. We have also received an account from Police Magistrate Moore, of Acton, re rent and supplies for $102.56. We recommend that this account be referred to the Council as a whole. (In Council the Warden and County Solicitor were appointed to interview the Department re this account.)

5. We have received a report from the County Treasurer re estimates for the current year 1923, said estimates being $56,300.00. We recommend this to the consideration of the whole Council.

6. We have received a request from the Gaoler for an increase in salary. We recommend this to a Committee of the whole Council.

All of which is respectfully submitted.

Adopted June 9th, 1923.

D. B. KENNEDY, Chairman
O. R. CHURCH, Warden

THIRD REPORT OF COMMITTEE ON EDUCATION

To the Warden and Council of the County of Peel.

Your Committee beg to report as follows:

We have received claims from the following schools:

Port Credit Continuation School for the sum of $2943.73.

Erin High School for the sum of $180.64.

We find these claims to be in order and recommend payment of same.

We have received a memorial from the County Council of the County of Perth passed at the April session, stating that in the opinion of their Council the High School Act, 1921, Chap. 89, Section 14, Sub Sec. 1, should be amended by striking out the words the next preceding three years and inserting the word year. We recommend that memorial receive the consideration of th Council as a whole. (It was decided in Council that no action be taken.)

All of which is respectfully submitted.

Adopted June 9th, 1923.

May 28, inspecting and taking measurements, Norval bridge	$ 9 00
Making calculations and preparing report re Norval bdg.	25 00
June 9, inspecting Cold Creek bridge with Committee ..	11 75

Your Committee recommend the payment of the account, and that Halton be billed with one-half cost re Norval bridge.

All of which is respectfully submitted.

Adopted June 9, 1923.

JAS. F. McDONALD, Chairman
O. R. CHURCH, Warden

FOURTH REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Good Roads beg to report as follows:

1. A letter was received from C. R. McKeown re claim for damages of T. J. Robinson for horse injured on County Road.

We recommend this to the whole Council. In Council no actions were taken.

2. We received a communication from the County of York re appointing a Committee to act with them, and recommend this to a Committee of the Whole Council

It was decided in Council that a committee composed of Messrs. Pallett, Riddell, Lindsay and Kennedy meet the committee from York at Claireville on Monday, Dec. 17th, at 11 a.m.

3. A communication was received from the Highway Department re a bill for County's share of construction. We recommend this to a Committee of the Whole Council.

4. A committee composed of Messrs. Pallett, Riddell, Lindsay and Kennedy waited on the York County Council on two occasions re making certain roads County roads. We recommend that they each receive $10.00.

All of which is respectfully submitted.

Adopted Dec. 7, 1923.

L. H. PALLETT, Chairman.
O. R. CHURCH, Warden.

REPORT OF THE COMMISSIONERS OF PEEL AND HALTON HOUSE OF REFUGE

To the Warden and Council of the County of Peel.

Gentlemen:

Your Commissioners for Peel and Halton House of Refuge beg to report as follows:

The total number of inmates in the House at present is 45, 27 men and 18 women. Those admitted since the June Session are as

follows: From Halton County—Chas. Stewart, John Butler, Hiram Smith, Chas. Foster, Tom McHenry, Wm. Whaley, Wm. Dunda, John McConnell, and Thos. Webster, and two women, Dorothy Buckle and Tilley Leach. From Peel County—Sydney Snell.

Since last session there have been three deaths, due to the usual causes contributory to old age.

The inventory statement of the house furnishings shows an increase of a little, $225.00 over last year, and the valuation is on a conservative basis. The furnishings in general are in good repair.

An increase in the value of live-stock to the extent of $525.00 is shown, due to improvement through feeding and general care. The implements are in good condition.

Your Commissioners since last session located a firm handling the Thor washing machine, which on careful investigation proved to be a very satisfactory product at the reasonable price of about $400. One of these machines was purchased by the Commission, and is giving entire satisfaction.

The produce and provisions do not represent as great value as formerly, due to the general decrease in the value of all farm and garden produce, and also partly due to the death of one of the inmates, Thos. Smith, who took a great interest in the handling of the garden products.

The summary of all inventory shows an increase of about $550.00. The Superintendent is to be congratulated, as in addition to this increase, he handed over to the Treasurer $612.00 for produce and live-stock sold, a very creditable showing indeed, and an indication of the interest taken by him in his duties.

The average number of inmates for the year will be about 40, and on this basis the Government grant of ten cents per day per inmate may be expected, which should bring about $1200. Last year the grant was only operative for two months and netted only $127.26.

One matter particularly worthy of note is the apparent contentment and satisfaction displayed by the inmates with conditions.

Some of the closets in the Women's apartments are pretty well worn out and will need replacement next year.

A complete inventory of the House of Refuge, with valuation placed thereon is appended, and also a statement of the names of inmates admitted, the deaths, those leaving the institution, etc.

The number of days chargeable to Halton County is 7160, and to Peel 6396. There are in addition 940 days charged to boarders.

The Commission at a recent meeting unanimously decided to recommend to the County Councils of Peel and Halton an increase of $300.00 per year for the superintendent. His services have been more than satisfactory. He has, as stated, increased the assets of the farm by care in the handling of live-stock and has also been able to turn over to the Treasurer the sum of $612.00. The Commission believe that such services should be better recompensed than at present. The Matron, Mrs. Partridge, is assisting to make the House a real home for the inmates. We commend this increase to your very serious consideration.

(It was decided in Council that no action be taken in regard to increase.)

All of which is respectfully submitted.

W. IRVINE,
E. A. HARRIS,
O. R. CHURCH,
J. E. FULLERTON, Chairman.

O. R. CHURCH, Warden.

BY-LAW NO. 605

A By-law Authorizing the Issuing of Debentures of the County of Peel to the Amount of $18,000.00.

WHEREAS by an Act entitled "An Act for the Improvement of Public Highways" being 7 Edward VII., Chapter 16, the sum of $1,000,000.00 was set apart to be paid out of the Consolidated Re-

venue Fund of the Province of Ontario, to aid in the improvement of Public Highways, subject to the terms and conditions therein set forth:

AND WHEREAS by an Act entitled "An Act to Amend the Act to aid in the Improvement of Public Highways, being 2 George V., Section 1 of said Act, 7 Edward VII., Chapter 16, was amended by striking out the figures $1,000,000.00 in the first line and substituting therefor $2,000,000.00:

AND WHEREAS by the Statutes of Ontario entitled "The Highway Improvement Act, 1916, 6 George V., Chapter 14; "The Highway Improvement Act, 1918, 8 George V., Chapter 16, and "The Highway Improvement Act, 1919," 9 George V., Chapter 18, the said sum of $2,000,000.00 was further increased, making a total of $9,000,000.00:

AND WHEREAS the County Council of the County of Peel did participate in the said money set apart as aforesaid, and for that purpose did adopt a system of County Roads and construct and repair the same in accordance with the regulations of the Public Works Department of the Province of Ontario, with respect to Public Highways as in said Act prescribed:

AND WHEREAS the said County Council of the County of Peel did participate in the said moneys so set apart as aforesaid for the purpose of enabling the Municipality of the Township of Toronto in the County of Peel to complete the construction of the portion of the Public Highways in the said Municipality of the Township of Toronto designated and assumed by the County Council of the County of Peel by By-law No. 341 and amending By-laws:

AND WHEREAS said Act, 2 George V., enables the Council of any County in which a system of roads is established upon the application of a Township Municipality under the jurisdiction of the County Council and with the approval of the Minister of Public Works to levy a special rate upon such township municipality for the construction, improvement or maintenance of County roads within such township municipality:

AND WHEREAS the Municipality of the Township of Toronto in the County of Peel has made application to the Council of the County of Peel for the sum of $18,000.00 for the construction of certain bridges on the County Good Roads system within the Township of Toronto and has requested that a special rate be levied upon the said Township of Toronto for the re-payment of the said sum of $18,000.00 and interest thereon.

AND WHEREAS in order thereto it will be necessary to issue debentures of the said County of Peel for the sum of $18,000.00 as

hereinafter provided, which said sum of $18,000.00 is the debt intended to be created by this By-law:

AND WHEREAS is is desirable to make the principal of the said debt payable by yearly sums, during the period of ten years, being the currency of the said debentures, said yearly sums being of such respective amounts that the aggregate amount payable in each year for principal and interest of said debt, shall be as nearly as possible equal to the amount so payable in each of the other nine years of the said period.

AND WHEREAS the total amount required by the Municipal Act to be raised annually by special rate for paying the said debt and interest, as hereinafter provided, is a sum sufficient to discharge the instalment of principal and interest accruing due on the said debt for such year as shown in the fourth column of Schedule "A" hereto annexed:

AND WHEREAS the amount of the whole rateable property of the County of Peel according to the last revised and equalized assessment roll is $17,908,500.00:

AND WHEREAS the existing debenture debt of the said County is the sum of $321,499.36, of which no principal or interest is in arrear:

NOW THEREFORE the Municipal Corporation of the County of Peel enacts as follows:

1. TREASURER'S STATEMENT OF ACCOUNTS FOR THE COUNTY OF PEEL FOR THE YEAR 1923

o the Warden and Council of the County of Peel.

entlemen:

I beg leave to report that the accounts for the year ending December 31, 1923, have been prepared in detail and audited.

he receipts from all sources in the General Account are	$400248 38
nd the disbursements	361408 58
eaving a balance to the credit of the County, Jan. 1, 1924, of	38839 80
his balance belongs to the debenture accounts payable from April 3 to October 31, 1924, amounting to	39970 77
his shows a deficit in our County General Account to begin the year, of	1130 97
This indebtedness is owing to the Debenture Accounts.	
he Good Roads Account shows a balance on Jan. 1, 1924, of	23429 65
ouse of Refuge Account shows a balance of	40 00
ublic Schools Account shows a balance of	10 28
his balance is accrued interest on deposits.	

The non-resident Land Taxes collected by your Treasurer have l been paid over to the Treasurers entitled to the same, leaving no alance.

I have made several copies of the Abstract Statement which ves you an opportunity to compare the receipts and payments un- r the different headings with the previous year. This will be the planation of why there is no balance in the General Account on ecember 31, 1923, but a deficit of $1,130.97, as against the balance hand for the previous year of $4546.53. Adding this balance d the deficit will give us a total of $5,677.50, and adding our in- eased County Taxes of $14,000.00 more that in 1922. This will ow an expenditure $19,677.50 more in 1923 than the previous year.

I find a difference in the following items showing the increase er the previous year:—

oad and Bridges over 1922	$ 4869 92
ood Roads Taxes	2848 00
iscellaneous	1429 84

Mothers' Allowance	953 50
Miscellaneous Grants	6192 60
Schools	4996 36
	$ 21290 22

These items more than make the deficiency.

The cheque we got from the government in 1922, balance due from Port Credit Bridge, accounts for the large difference in Roads and Bridges.

We borrowed from the bank in the past year $88,000.00, and paid interest on the same, amounting to $1,267.52, and got interest on deposits amounting to $723.52, so that our borrowing only costs the County $544.00 to run all the accounts.

Your obedient servant,

ROBERT CRAWFORD, Co. Treasurer.

AUDITORS' REPORT

To the Warden and Council of the County of Peel.

Gentlemen:

We, your Auditors for the year ending Dec. 31st, 1923, beg leave to report as follows:

We have gone over and checked the receipts, accounts and payments of your Treasurer, accepted as authority for payment your County Commissioners and Criminal Auditors in the County General Account.

In the House of Refuge accounts we find a pay list made out by your Committee.

In the Good Roads account we have accepted the pay list made out by your Road Superintendent and signed by the Chairman of your Good Roads Committee.

We find the receipts from all sources in the General Account are	$ 280322 94
With disbursements	241493 14
Leaving a balance to the County	$ 38839 80

In the County General Account there is still $5.00 to the credit of the County in the Bank of Montreal to meet an outstanding cheque of same amount.

House of Refuge

The Peel and Halton House of Refuge shows receipts amounting to	$ 10997 62
Disbursements	10957 62
Leaving a balance of	$ 40 00

Good Roads

In the Good Roads:—	
Receitps amounting to	$ 217818 49
Disbursements	194449 74
Balance	$ 23368 75

The credit of $6.00 in the Bank of Montreal was taken by an outstanding cheque of same amount and this account is closed.

Non-Resident Land Tax

The Non-Resident Land Taxes collected by your Treasurer have all been paid over to the Treasurers entitled to the same, leaving no balance.

Public School Accounts

The receipts of this account amount to	$ 30574 86
Disbursements	30564 58
Balance	$ 10 28

Your Auditors desire to express their thanks to the Treasurer and Road Superintendent for their kind assistance, and to commend the Treasurer for the very admirable manner in which his accounts are kept.

THE ANNUAL REPORT OF THE CHILDREN'S AID SOCIETY

The annual meeting of the Halton Children's Aid Society wa held in the school room of the Presbyterian Church, Milton, on th evening of Tuesday, November 20th. Mr. J. M. Denyes in the chai

Officers for the year 1923-24—Honorary President, His Hono Judge Elliot; Honorary Solicitor, Crown Attorney W. I. Dick; Presi dent, J. M. Denyes, B.A.; Treasurer, C. H. Stuart; Secretary, Mrs T. J. Brown.

The Rev. Peter Bryce gave an address on Modern Development in Child Welfare. He said that he had visited many shelters, and th Peel and Halton Shelter, the Gordon Home, was one of the best After discussing the various acts passed, and organizations forme recently to help mothers and children, he said that during the last te years much stress has been laid upon infant mortality. New Zea land has the lowest rate. The reasons given are: the climate, n large cities, comfortable homes for the laboring classes, and the em ployment of nurses, clinics, dentists.

Very satisfactory reports were given by the Treasurer, C. H Stuart; Convener of House Committee, Mrs. Gorham, and Inspecto W. H. Stewart.

The Board of Management of the Gordon Home consists of rep resentatives from Peel and Halton Counties.

Officers for the year 1923-24—President, T. W. Duggan; Treas urer, C. H. Stuart; Secretary, Mrs. T. J. Brown.

JOHN SPEERS, Auditors, County of Peel.

COUNTY ROAD SUPERINTENDENT'S ANNUAL REPORT OF EXPENDITURE ON PEEL COUNTY GOOD ROADS SYSTEM DURING 1923

To the Warden and Council of the County of Peel.

Gentlemen:—

I beg to submit herewith a statement of moneys expended in accordance with the Regulations of the Dept. of Public Highways, Province of Ontario, on the Peel County Good Roads System for the year 1923, together with the tabulated statements, declarations, etc., necessary to be forwarded with your petition for the Government subsidy.

These statements show 12½ miles of road have been gravelled, 25 miles resurfaced with gravel, 11½ miles graded, 4½ miles more of grading shown as maintenance since it was widening roads, etc., on roads shown as constructed in previous years, five bridges built and one concrete culvert.

I would recommend the following points to your consideration:

1. Would it not be possible to decide the amount to be raised for Good Roads purposes at the January session each year, so that your Good Roads Committee and Road Superintendent could have the year's program ready to submit to the March session of Council and adopted, and so get away to an early start on the season's work.

2. Very little progress was made in 1923 in the work of widening roads and culverts. Some places are urgent, as they might easily be the cause of accidents.

3. Hedges and rail fences in many places cause much of the expense of keeping roads open in winter for sleighs and close them for autos much sooner than would otherwise be the case. Some action should be taken.

4. The cost system should be settled definitely and given a chance for a good start.

All of which is respectfully submitted.

Brampton, January 26th, 1924.

PEEL COUNTY ROAD SYSTEM

STATEMENT OF EXPENDITURE FOR THE YEAR 1923
CONSTRUCTION

County Road No. 5—The Third Line East—Toronto Township

The section from Dundas St. to Burnhamthorpe, 1¼ miles long was graded and gravelled with screened gravel delivered by truck from the Summerville pit. The grading was a contract job at 34 per cu. yd. The gravel was rolled with a steam roller.

Cost—Clearing and grubbing	$ 34 80	
Gravel delivered	3361 03	
Grading	1460 45	
Spreading and rolling	506 32	
		$ 5362 6

A carload of McCracken concrete tile was stored near Dixie Station for farm entrances. Ordinarily the farmers put these in place themselves, the County supplying the tile, some of these were placed but most of them are on hand yet.

Cost ..... $ 288 7

County Road No. 6—The Five Sideroad—Chinguacousy and Toronto Gore

The only construction on this road was the supplying but not placing of a 12 in. metal culvert for the corner of the Fourth Line West, Chinguacousy.

Cost ..... $ 41 8

County Road No. 7—The Seventeen Sideroad, Chinguacousy

A new concrete culvert, 28 ft. long, 6 ft. span, was constructed in the First Con., E.H.S., one-eighth mile east of the Centre Road.

Cost ..... $ 761 38

A wing wall twenty-five feet long and from 5 to 11 ft. above water level was built on the south-east corner of the Etobicoke Bridge in the 1st Con., E.H.S.

Cost ..... $ 316 76

The grading and gravelling on the Sixth Con. East was completed. About three-quarters of a mile.

Cost—Grading	$ 255 15	
Gravelling, labor	2102 14	
Gravel	265 76	
Railings	21 40	
		$ 2644 45

County Road No. 8—27 Sideroad, Chinguacousy, and 10 Sideroad, Albion

In Chinguacousy the only construction was the placing of three steel culverts, one at the corner of the Third Line West, and two in the Fifth Con. W.

Cost—Culverts	$ 96 98	
Labor	22 00	
		$ 118 98

In Albion the hill leading into Bolton was straightened as much as possible without excessive cost. The work was only two-thirds done owing to the busy season and trying to do it by day labor. The maximum grade when completed will be 7 per cent. instead of 13 per cent., and eliminates a dangerous blind corner. See plan and profile.

Cost—Grading	$ 1660 35	
Culverts	27 50	
		$ 1687 85

County Road No. 9—The Fifteen Sideroad, Caledon

The west half of the Sixth Con., E.H.S., was graded, also a new road constructed cutting off the swampy jog in the centre of the concession. This involved the purchase of 1½ acres of land and the filling of several swampy places. Most of this was gravelled.

Cost—Clearing	$ 7 50	
Ditching	15 50	
Purchase of land	165 00	
Grading	845 02	
Culverts, labor	18 00	
Culverts, material	105 34	
Gravel, labor	357 55	
Fencing	24 30	
		$ 1538 21

During 1922 the Fourth Con., W.H.S., was graded and the East Third of the 4th Con. During 1923 the remainder of the 5th Con.

and the 6th Con. were graded and the three concessions gravelled. The jogs in 5th and 6th Cons. were straightened.

Cost—Clearing and grubbing	$ 95 25	
Grading	1541 79	
Gravel, labor	1420 38	
Gravel, material	251 03	
Purchase of land jogs	47 50	
		$ 3355 95

A new reinforced concrete bridge, 16 ft. span, 20 ft. clear roadway, was built in the Sixth Con., fifty yards from the Erin line. Contract price $12.50 per cu. yd.

Cost ..... $ 888 45

County Road No. 10—The Seventh Line, Albion

The only construction on this road was the placing of two culverts. One opposite Lot 22, and one entrance culvert near the north end of Palgrave Village.

Cost—Culvert, lot 22	$ 89 35	
Culvert, Palgrave	29 26	
Culvert, Palgrave, labor	5 00	
		$ 123 61

County Road No. 12—The Ninth Line, Toronto Gore

Construction consisted in the building of one bridge just above the Castlemore Sideroad, Lot II., Northern Section, 24 ft. span, 18 ft. roadway. Contract let at $16 cu. yd. for a reinforced concrete beam bridge.

Cost ..... $ 2103 31

County Road No. 13—Clarkson-Streetsville Road from the Toronto-Hamilton Highway and up the Fourth Line West to Road No. 6

From Toronto-Hamilton Highway to Streetsville

A steel culvert 40 ft. long was placed one-quarter mile above G.T.R. tracks in Clarkson and two tile culverts between there and the Middle Road.

Cost—Steel culvert	$ 100 32	
Placing	29 60	
Tile culverts	42 54	
		$ 172 46

Village of Streetsville

The Contractors' Guarantee on the bituminous macadam pavement built three years ago expired and the five per cent. retained under that guarantee was paid. Amount eligible for grant, $1427.58.

Fourth Line—From Road No. 20, Meadowvale Sideroad, to Townline, Toronto and Chinguacousy Twps.

This road was graded, nine new steel culverts placed and seven others lengthened, fills made wider, especially over the culverts.

Cost—Grading	$ 1065 41	
Culverts	470 54	
Placing culverts	60 30	
Brushing	1 20	
		$ 1597 45

Fourth Line—Toronto-Chinguacousy Townline to Road No. 6

This road was graded and gravelled, several culverts lengthened, the grading including cutting the hill on Lot No. 4 from a 15 per cent. grade to 10 per cent. The total height of hill being 75 ft. The grading of the hill was contracted at 50c per cu. yard and the gravel was also done by contract. Owing to the lateness of the season, some work has still to be done on trimming up the grade.

County Road No. 14—Orangeville-Alton Road, Caledon

About 1500 cu. yards of the excavation for the new creek diversion at the corner of the 2nd line and the Alton sideroad was used to widen the road grade and the land damages paid. This diversion, including the new bridge to be built on the second line just south of the Alton Sideroad, will cost under $5000.00 and save the construc-

tion of two bridges, one on second line and one on the sideroad, which would cost $8000.00 to $9000.00 owing to the soft bottom.

Cost—To January 1st, 1924, grading	$ 559 50	
Land	400 00	
		$ 959 50

Borings to determine the bottom of the two bridges above, also three others on the sideroad.

Cost	$ 222 80

Two new culverts at the corner in Alton of the Sideroad and the Third Line were placed.

Cost—Culverts	$ 200 02

The portion of the road opposite Lot 8, Albion, that only received a light coat of gravel in 1922, was given another coat to complete this gravelling. Lot No. 1, Albion, was graded and one culvert supplied, but not placed.

Cost—

Gravelling Lot 8	$ 261 71	
Grading	216 74	
Culvert	54 34	
		$ 532 79

Chinguacousy and Toronto Gore

Lots 13 to 17 were graded, including cutting of two hills at Lot 16 and widening grade. The fresh fills were gravelled with local creek gravel.

Four new steel culverts were placed and several lengthened from Lot 7 up.

Lot No. 2 to Lot No. 5, inclusive, were gravelled with pit run gravel truck hauled from Summerville. This is a fairly good quality of pit run, but was loaded with a gasoline shovel. This resulted in a large number of large stone being carried up to the road which had afterwards to be removed at the cost of the gravel company, but owing to the busy season and other causes these large stones were left three months before the road was trimmed up and the gravel did not get a chance to become compacted before wet weather. Screened gravel was not available and the pit run was put on as a base to be added to and completed another season.

Cost—

Gravel and hauling	$ 3373 63	
Labor and dragging	108 58	
		$ 3482 21

Lots 6 and 7 were given a top cost of pit run from Summerville, leaving Lots 8 to 10 to be still given a wearing surface.

Cost—

Gravel and hauling	$ 959 05	
Labor and dragging	27 00	
		$ 986 05

County Road No. 20, the Meadowvale-Malton Sideroad, Toronto and Toronto Gore

Toronto Gore

Two new reinforced concrete beam bridges were built as one contract over two branches of the Mimico Creek, the easterly one 28ft. span, and the westerly one 26 ft. skew span. The bridges are in the east half of seventh con. and about 100 yds. apart.

Cost	$ 4227 21	$ 4227 21

East of Hurontario St.

The grade was trimmed up through the 4th and west half of the fifth concessions and then gravelled. This road is now gravelled from the centre road to the sixth line at Malton with the exception of the 200 yd. section at the west side of the 4th con. on either side of the Etobicoke bridge. There will be a new bridge erected there to replace the present wooden structure and in preparation for that the channel for 150 yds. north of the bridge was straightened.

County Road No. 21, Toronto Twp.

The Streetsville Subway Road, Con. 5 and 6, W.H.S.

Screened gravel from Erin was used to gravel this road and bonded with pit run in the proportion of one load pit run to three loads of screened. Three new culverts and a number of extensions placed, the grading done in 1922 settled on the side of the old grade making too much crown and most of the work of bringing the grade up to standard was completed.

The Old Base Line, Cons. 1 to 4, incl., W.H.S.

The hill in the fourth concession was cut, the location being changed to eliminate as far as possible a 99 degree bend and 13% grade, the grade being reduced to 8% and the bend to 400 ft. radius. A six-foot steel culvert 40 ft. long with concrete headwalls was placed at the foot of the hill and two other culverts, one 36" x 30 ft. long near the Credit Bridge, and a 12" one on the old hill 24 ft. long. The section is 1200 ft. long and was gravelled with screened gravel from Erin and bonded with pit run. A railing and fence erected on the

north side. The old road allowance was only 29 ft. wide. The new allowance is 66 ft., and most of it was through the Toronto Milling Co. property who gave the land free of cost. The remainder had to be paid for. The grading was let by contract at 45 cents per cu. yd.

PUBLIC SCHOOL INSPECTOR'S REPORT

Brampton, February 15th, 1924.

Warden and Council, County of Peel,
tlemen:—

In accordance with the Statute governing the duties of Public ool Inspectors, I have the honor to present herewith my annual rt for the year 1923. I regret that I was unable to place this re- before you at your January session, but in the absence of a num- of Trustees' reports I could not make a complete statement.

I have the honor to be, Gentlemen,

Your obedient servant,

Public School Inspector's Office.

W. J. GALBRAITH,
Public School Inspector.

Visits

During the school year I made at least two visits to every room he inspectorate and spent the required time on each occasion. In eral cases I was forced to return owing to finding the school ed. If the Trustees who sanction the closing of their schools for y or more were to notify me of their action, I could make a much er disposal of my time, which is now much more fully occupied n formerly, due to the increased number of teachers employed.

School Attendance

In the municipalities of the county, with the exception of the vn of Brampton and the Township of Toronto, there has been but e variation in the enrolled and average attendance from the pre- ing year. In these two municipalities there has been a marked ease, sufficient to make the increase for the whole county more n 10 per cent. above the year 1923.

Your serious consideration is directed to the following condi- s existing in the Townships of Albion and Caledon. Albion has School Sections, viz., Nos. 1, 2, 7, 11, 12, in which the total en- ed attendance was only 56, with a daily average attendance of 3. The total enrolment in the following sections of Caledon, s. 1, 2, 5, 10 and 19, was 75, with an average daily attendance of 2. The cost of maintenance in the five schools of Albion amount- to approximately $5,675,000, an average of $100.00 for every pupil olled, or $200.00 for the actual attendance. The actual cost of hing the children in these five sections was $1.00 for every child sent per day. The same applies to the school referred to situated he Township of Caledon. S.S. No. 9, Albion, has an enrolment

of 70, with an average attendance of 40 and a total cost of $156. The average cost of each pupil in this school was about $4 against $200.00 in the five other sections.

Ten schools had for the year a daily average attendance of than ten pupils. Is it wise to maintain schools at such a high c If not, what is the best solution for the situation? These are q tions that the leaders of thought in every portion of the co should consider seriously.

The possible aggregate daily attendance at all the schools in inspectorate for the entire year was 713884; the actual attenda was 619944, a percentage of 86.42. This may be regarded as a isfactory report.

The table below shows the attendance by municipalities.

	Possible Attendance	Actual Aggregate	Per cent.
Albion	53760	43055	80
Caledon	81169	66834	82
Chinguacousy	95111	81254	85
Toronto	217987	183582	84
Toronto Gore	17151	15010	87
Bolton	26106	24319	93
Port Credit	52769	44486	84
Streetsville	26521	22940	86
Brampton	143310	135463	94
All Rural Municipalities	465178	389736	83
All Urban Municipalities	248706	227208	91
Grand Total	713884	616944	86

To a very great degree the regularity of attendance depen primarily upon the teacher and the Attendance Officer. It is t duty of each teacher to report each month to the Attendance Offic the names of all pupils present less than eight per cent. of the f time. I hope that during the year 1924 special efforts will be p forth to make a still better showing than the above.

Teachers

The character of the mental, moral and physical training is d termined by the work of the teacher, therefore is becomes a duty the Trustees Boards to obtain the best teachers within the mea of the ratepayers. In passing, I wish to state that I feel that t quality of the work done in our schools is improving from year year. All teachers, for the most part, are fully cognizant of the r sponsibility resting upon them and are doing their utmost to pe

m their part in making of their country. The year's record shows increase in the number of teachers employed, ten having been ed during that time. We have now a staff of 131 teachers, of om 15 are males and 116 females. Twelve hold First Class and Second Class certificates. The average salary paid a male teach- was $1,400, and to a female, $1,030.60. The average salary for all chers was $1.052.90, a gain of $30.00 each for the whole inspec- ate. The highest salary paid a male teacher was $2,200.00, and a nale, $1,400.00. I may here add that the difficulty of obtaining lified teachers no longer exists.

School Accommodation

The year's activities in providing better and additional accom- dations were very marked. New schools were opened in the fol- ving sections: No. 4 Caledon, Inglewood; No. 1 Toronto, Erin- le; No. 22 Toronto, Lorne Park; No. 23 Toronto, Middle Road; o new rooms were added to No. 2 Toronto, Cooksville, and a new ht-roomed school in Brampton. In order to accommdate the ge number of pupils at Bolton Continuation School, two rooms re added, making the school a six-roomed building. When the posed changes to the old building are completed, Bolton will have modern building splendidly equipped. S.S. No. 6, Lakeview, has process of completion a new four-roomed building to take care the rapidly growing school population. The approximate cost of e new buildings is $250,000.00.

Several older buildings which were in fair condition were re- ired and modernized as far as possible, considering the means at nd. But whilst Trustees are doing splendid work in improving ass rooms, too little attention is being paid to the outbuildings, hich are too frequently placed at too great a distance from the hool and which have fallen into such a state of disrepair that they ay truthfully be described as filthy, dilapidated and disgusting. ecial attention is called to this matter, as I feel that I cannot order e payment of any grants that I control where these buildings are t up to the standard demanded by common d cency. The water pply in several sections is poor, some schools being compelled to pend upon the kindness of a neighbor. Again where the supply sufficient and otherwise satisfactory, the only provision for keep- g a supply at the convenience of the pupils is the unsanitary open ail. A covered tank having a bubble attachment is procurable at reasonable cost and which should find a place in every school not pplied with running water. These tanks when properly cared for e absolutely sanitary.

Very little legislation was enacted at the session of the Legisla- ure in 1923, the most important being an amendment to the Adoles-

cent School Act, the following subsection being added: "The ola gation to attend school under the section shall not apply to a adolescent whose parents or guardians reside in a rural school s tion and whose services are required in the household or on the fa of his parents or guardians, and adolescents exempt under this s tion shall not be required to obtain home permits as provided Subsection 1 of Section 4."

REPORT OF DELEGATES TO GOOD ROADS CONVENTIO

Brampton, March 12th, 1924.

To the Warden of the County of Peel:

Your Good Roads Committee submit the report on Good Roac Convention as follows:

We found a full attendance of delegates from all parts of th Province interested in the furtherance of Good Roads, which re sulted in the following summary being arrived at.

1. No organized opposition to oppose the ruling of Premie Ferguson on the Counties' Liability of 20 per cent.

2. A feeling for furthering County and Township work rathe than extending the Provincial System.

3. Satisfaction in the administration of the Deputy Minister S. L. Squires, and colleagues in endeavoring to establish a progres sive economic administration.

4. Dissatisfaction with the strict enforcing of the Act regulat ing signs, which is under control of Mr. Moore.

5. A strong feeling was shown regarding the various judgments against the Townships re road accidents, and we believe that more protection should be given to Townships against motor accidents.

We recommend the following named members, etc., be paid $10.00 each:—Thos. Elliott, O. R. Church, J. J. Jamieson, C. W. Campbell, W. W. Little, J. E. Fullerton, C. Sproule, J. W. Wilson, N. S. FIRST REPORT OF THE CHILDREN'S SHELTER COMMITTEE

the Warden and Council of the County of Peel:

Your Committee on the Children's Shelter beg to report as fol- s:

The joint Committee for Peel and Halton met at Milton on Fr day, May 30th. We found the inmates recovering from a mild a tack of mumps and chicken-pox. There are now eight children i the Home.

Upon request, the matrons salary was raised from $50 to $(per month, and the salary of one maid from $15 to $20 per mont There have been two maids employed, but one receiving a salary $30 per month left, the result being that the total salaries, includin the increases, is not as great as before.

The stable on the property is in such a dilapidated conditic that the Committee decided to sell it.

It was decided to re-shingle the roof on the main part of th house at once, and other minor repairs will also be made.

The Committee feel that they have a first class matron in Mi Telfer and that she deserves the increase in salary, as the Home well kept and the children are happy.

REPORT OF THE PHYSICIAN TO HOUSE OF REFUGE

To the Warden and Council of the County of Peel.

Gentlemen:

This report dates from Dec. 5th, 1923, to the present. During this time there have been six deaths among the inmates, averag age 80 years.

There was no epidemic during the years. One inmate died in Toronto Hospital.

John Giffen, aged 80, died Feb. 28, gangrene in foot.
Martha Bowman, aged 79, died April 19, due to stroke.
Mrs. A. Silverthorn, aged 84, died June 13, due to accident.
Elizabeth Hatton, aged 72, died June 11, due to stroke.
William Sparrow, aged 74, died Sept. 17, uraemic poisoning.
Hugh McDonald, aged 88, died Oct 7, heart disease.

There are a number sick from time to time, who should be placed in an open sunny room. This could be provided for by enclosing the two verandahs with glass. This could be done without a large expenditure of money and would be an ideal arrangement.

Your Committee had the approaches to a bridge on lot 15, Twps. f Caledon and Erin, between the Counties of Peel and Wellington, ravelled at a cost of $69.54; Caledon having paid ½ cost we recom- end that the Treasurer forward a cheque to the Treasurer of Cale- on for $34.79.

We had three bridges painted at a cost of $236.00, and recom- end that balance be paid, $200.00 of which has been paid.

We had a cement retaining wall built at the Middle Road ridge costing $198.75, and a fill made costing $134.50, and recom- ends that these amounts be paid to Toronto Twp.

Toronto Twp. also paid $123.00 for extra work on Craig's ridge, and we recommend that ¼ of this amount, $30.75, being the ounty of Peel's share, be paid to Toronto Twp.

We also had a fill made on the Craig hill costing $450.00, and ecommend payment of one-half, the County of York to pay the ther.

We recommend payment of the following accounts of Commis- ioners:

Jas. F. McDonald, 7 days and 150 miles	$	43
W. W. Little, 5 days and 100 miles		30
W. N. Riddell, 4 days and 100 miles		26
L H. Pallett, 5 days and 100 miles		30
N. S. Lindsay, 4 days at 80 miles		24

All of which is respectfully submitted.

TREASURER'S STATEMENT OF ACCOUNTS FOR THE COUNTY OF PEEL FOR THE YEAR 1924

To the Warden and Council of Peel County,—

Gentlemen,—

I beg leave to report that the accounts for the year ending December 31st, 1924, have been prepared in detail and audited.

The Receipts from all sources in the General Acct. are		$484,473 10
The Disbursements are		443,884 17
Leaving a balance to the credit of the County on January 1st, 1925, of		$40,588 93
This balance belongs to the Debenture Accounts payable from Apr. 3rd to Oct. 31st, 1925, amounting to		53,411 40
This shows a deficit in our County General Account to begin the year 1925, of		12,822 47
The Good Roads Account shows a deficit on January 1, 1925, of		18,774 13
The House of Refuge had a balance on January 1st, 1924, of		40 00
The County of Peel has paid cash to the House of Refuge during 1924 amounting to		4710 01
The County of Halton paid cash to the House of Refuge during 1924 amounting to		4045 00
This makes a total expenditure for 1924 of cash paid by the united Counties		$ 8795 01
The Public Schools acct. shows a balance on Dec. 31st, 1924, of		77 18
This balance is made up of Bank Interest	$ 10 78	
and extra taxes collected over the amount required	66 40	
		77 18

I have transferred this balance to the County General account and this shows the Public Schools account balanced.

You will notice that our County Taxes were		500 00
higher than any previous year, and yet our County account shows a deficit of		12822 47

as against a deficit of $1,130.97 the previous year.

This is accounted for by the following items:

1st.	We had a deficit to begin the year of	1130 97
2nd.	We had to take from our County Account to pay the Provincial Highway claim	8621 50
3rd.	Plowing Match, extra grant	1500 00
4th.	Increase in High School Grants	5532 37
5th.	Peel & Dufferin Regiment colors	256 00
6th.	Peel Memorial Hospital Grant	2000 00
7th.	Mothers' Allowances, increase	162 00
	These are increases and extras	19202 89
	Deducting our indebtedness of	12822 47
	This would give us a balance of	$ 6380 37
	Our Debenture debt at this date, including Toronto Township Debentures, is	$478665 29
	We have a balance on hand to pay in 1925 of	31881 91
	Balance to be raised in Taxes	$446783 38

(This does not include the coupons.)

The first Debenture to be paid off in the Patriotic By-law 495. This will be retired in 1927.

	Our annual payments for Debentures and Coupons for the next two years for Peel County will be	$ 53411 40
	and for Toronto Township for the next 9 years	4339 56
	After two years the Patriotic Debenture will be paid and that will reduce our regular payments	6633 39

Yours respectfully,

R. CRAWFORD, Co. Treasurer.

AUDITORS' REPORT

Toronto, February 13, 1925.

The Warden and Council of the County of Peel,
Brampton, Ontario.

Gentlemen:

We have, with the exception of the Good Roads Detailed Vouchers, audited the accounts and records of your Municipality for the year 1924, and submit herewith the following Statements:

(1) Cash Assets and Immediate Liabilities as at December 31, 1924.

(2) Capital Assets and Debenture Liabilities as at Dec. 31, 1924.

(3) Revenue Account for the year ended December 31, 1924.

(4) Deficit Account as at December 31, 1924.

(5) Details of Receipts and Disbursements for the year ended December 31, 1924—Public School Accounts.

(6) Treasurer's Statement of Land Tax Account for the year ending December 31, 1924.

(7) Treasurer's Statement of Debenture Debt on December 31, 1924.

(8) Abstract Statement of Receipts and Expenditure for the year ended December 31, 1924.

(9) Details of Receipts and Expenditure for the Quarter ended March 31, 1924—General Account.

(10) Details of Receipts and Expenditure for the Quarter ended June 30, 1924—General Account.

(11) Details of Receipts and Expenditure for the Quarter ended September 30, 1924—General Account.

(12) Details of Receipts and Expenditure for the Quarter ended December 31, 1924—General Account.

(13) Details of Receipts and Payments for the year 1924, Peel and Halton House of Refuge.

(14) Details of Receipts and Payments for the year 1924, Good Roads Construction and Repair.

(15) Statement of Insurance in force on December 31, 1924.

We are submitting, under separate cover, certain recommendations which, if carried out, would in our opinion be of considerable benefit to all concerned.

Our report on the audit and attached statements is as follows:

With the exception of the Good Roads items referred to above and some other items, the various entries in the Treasurer's cash book for receipts and disbursements during the year have been verified by proper and sufficient vouchers. We have verified the bank accounts at the close of the year by letters from your bankers.

Good Roads—In connection with the good roads detailed vouchers, these were audited by Mr. John Speers, who was appointed for that purpose under By-law 619.

We were supplied with detailed statements of payments certified to by Mr. Speers. We audited the bank account in connection with the good roads and verified the balance as at December 31, 1924.

Receipts—The exception (other items) referred to above is in connection with receipts entered in the Treasurer's cash book.

In many cases we were supplied with letters and statements supporting items entered as receipts in the cash book. It is not, however, the custom of your Treasurer to issue receipts for all amounts received by him. There were, therefore, some items which we could not verify. (This point is more fully covered in our recommendations).

Statements—Schedule No. 1 attached, is a statement of cash assets and immediate liabilities.

By reference to this schedule you will observe that some municipalities in the County expended more on good roads than was provided for in the annual assessment, while others did not expend the full amount.

The difference between over-payments and the balances referred to above represents an overdraft in the Good Roads Bank Account.

You will also observe that there were debenture monies on hand which are for the purpose of paying the principal and interest maturing between April and October in the year 1925.

The debenture monies referred to above total $53,466.64, and he balance in the General Bank Account is $40,588.93, which means hat the difference is $12,877.71 has been used for current expendi- ure from the debenture monies. This is contrary to provisions of he Municipal Act, whereby money raised for one purpose should e used for that purpose only. It will, therefore, be necessary to rovide for this deficit in the 1925 Levy.

Schedule No. 2 shows in detail, capital assets and debenture lia- ilities.

In connection with the good roads items, it will be observed hat we are showing the original amount as authorized by the By- aw and deducting therefrom the amount paid off debentures to late. The total of these net amounts is equal to the debenture lia- ility per contra. The amount to be deducted will increase each ear by the amount of principal maturing on each debenture.

In connection with the values shown for the House of Refuge, tc., Court House, etc., we have taken the figures supplied by your reasurer, against which there are no debenture liabilities.

The capital surplus represents the values referred to immediate- y above less the amount of the Patriotic Debenture Liability for hich there is no corresponding asset. This surplus will be increas- d each year by the principal amount of the Patriotic Debenture naturing.

Revenue Account—Schedule No. 3 attached, shows in detail the ncome and expenditure for the year and also reveals the fact that he expenditure exceeded the income by $11,746.74. This, together ith the deficit of $1,130.97, as shown by the Treasurer, January , 1924, makes a total deficit of $12,877.71, as at December 31, 1924.

This indicates that during the year expenditures have been au- horized in excess of the income. This should be guarded against, s it now means that the 1925 assessment will require to be suffi- ient to liquidate the deficit as at December 31, 1924.

Schedules (5) to (14) show in detail the receipts and payments, tc., during the year and require no special comment.

Schedule (15) is a detailed list of insurance in force as at De- ember 31, 1924. According to the value placed on the Court House, Gaol and Registry Office as per Schedule (2), the insurance in force s not, in our opinion, sufficient.

We wish to thank your Clerk and Treasurer for the assistance they rendered us while conducting the audit.

Respectfully submitted,

GORDON PETERS & CO.,

Chartered Accountants; Auditors.

Treasurer's Statement

OF ACCOUNTS FOR THE COUNTY OF PEEL FOR THE YEAR 1925

To the Warden and Council of Peel County,
Gentlemen:—

I beg leave to report that the accounts for the year ending December 31st, 1925, have been prepared in detail and audited.

The Receipts from all sources in the General Account are		446082 75
The Disbursements are		386712 25
Leaving a balance to the credit of the County on January 1st, 1926, of		59370 50
A portion of this belongs to the Debenture Account, which amounts to		53411 40
Leaving a balance to the credit of the County General Account on Jan. 1st, 1926, of		5959 10
As compared with a deficit on Jan. 1st, 1925, of		12822 47
The Good Roads Account shows a deficit on Jan. 1st, 1926, of		8455 81
The House of Refuge Account shows a credit balance on Jan. 1st, 1926, of		754 30
The County of Peel has paid cash to the House of Refuge during 1925 amounting to		4850 00
The County of Halton has paid cash to the House of Refuge during 1925 amounting to		5053 00
This makes a total in cash paid by the united counties during 1925 of		9903 00
The Public School Account shows the amount received during the year 1925 to be		32713 22
The Public School Account shows the amount disbursed during the year 1925 to be		32713 22

leaving no balance in this account on Jan. 1st, 1926.

Good Roads—By-law 480 for $52,000.00 is now fully provided for as there is only one more payment to make to redeem the last Debenture and Coupons.

Patriotic—By-law 495 for $50,000.00 is all provided for but one payment of $6,633.39. This will be levied for in this year.

The Debenture debt for the County, including Toronto Township, on Jan. 1st, 1926, is $444,497.50.

R. CRAWFORD, County Treasurer.

Auditors' Report

Toronto, January 27, 1926.

The Warden and Council, County of Peel,
Brampton, Ontario.

Dear Sirs:

We have made a quarterly audit of the accounts and record of your municipality, which includes the Good Roads Accounts, fo the year 1925 and submit herewith the following:—

Exhibit

"A" Cash Assets and Immediate Liabilities as at De cember 31, 1925.

"B" Capital Assets and Debenture Liabilities as at De cember 31, 1925.

"C" Revenue Account for the year ended December 31 1925.

"D" Deficit Account as at December 31, 1925.

Schedule

(1) Details of Receipts and Disbursements for the yea ended December 31, 1925—Public School Accounts

(2) Treasurer's Statement of Land Tax Account for th year ended December 31, 1925.

(3) Treasurer's Statement of Debenture Debt on De cember 31, 1925.

(4) Abstract Statement of Receipts and Disbursement for the year 1925.

(5) Details of Receipts and Disbursements for the Quar ter ended March 31, 1925—General Account.

(6) Details of Receipts and Disbursements for the Quar ter ended June 30, 1925—General Account.

(7) Details of Receipts and Disbursements for the Quar ter ended September 30, 1925—General Account.

(8) Details of Receipts and Disbursements for the Quar ter ended December 31, 1925—General Account.

(9) Details of Receipts and Disbursements for the yea ended December 31, 1925—Halton and Peel Hous of Refuge.

(10) Details of Receipts and Payments for the year 1925 Good Roads.

(11) Statement of Insurance in Force on December 31, 1925.

Good Roads—During this year the Township System was changed to the distinctive County System.

Statements—Exhibit "A" is a Statement of Cash Assets and Immediate Liabilities. By reference to this schedule it will be observed that, $8,455.81 more was expended on Good Roads than was provided for in the annual assessment, details of which are shown on Schedule (10) attached. This amount is covered by an overdraft in the Good Roads Bank Account.

The asset item, "1924-5 Provincial Highway Construction—$1,739.35," is according to a statement rendered to the County by the Department of Public Highways and represents the Construction charge to the County for the years 1924-5. The Maintenance charges appearing in the same account have been charged to Revenue Account for the year 1925 and Deficit Account for the year 1924. This Construction item has been treated as a Cash Asset pending the disposition of same by the Council.

The total of the Construction, Maintenance and Interest Charges are shown on this statement as a liability. The 1925 account is payable in July, 1926.

The item, "Debenture Monies on Hand,' represents the amount levied for in 1925 to pay debentures payable in 1926. In this connection it will be observed that the General Account Bank Balance at December 31, 1925, was more than sufficient to meet this liability.

Exhibit "B"—shows in details Capital Assets and Debenture Liabilities which are shown on the same basis as last year, after giving effect to the transactions for the year.

The figures for the House of Refuge Stock, Implements, Produce, Provisions, House Furnishing and Wearing Apparel are as supplied us by the Superintendent.

Exhibit "C"—Revenue Account, shows in detail the income and expenditure for the year; the net result being an excess of income over expenditure of $12,483.34. This is after having provided for the 1925 Provincial Highway Maintenance charge of $5,058.85 and the Toronto and Hamilton Highway Maintenance charge of $1,293.88, together with the other general annual charges.

Exhibit "D"—Deficit Account. As reported last year, there was then

a deficit of $12,877.71. This amount has been increased this yea by the 1924 Provincial Highway Maintenance and Interest charge amounting to $10,385.94, against which has been credited a surplu of $12,483.34, referred to previously in this report. This still leave a deficit of $10,780.31, which will require to be provided for in th 1926 levy.

Schedules (1) to (11) are self-explanatory and require no speci comment.

As reported last year, the insurance in force is not, in our opin ion, sufficient.

We wish to thank your Clerk, Treasurer and County Engine for the assistance they rendered us while conducting the audit.

Respectfully submitted,

GORDON PETERS & CO.,
Chartered Accountants,
Auditor.

CHILDREN'S AID SOCIETY ANNUAL REPORT

The Annual Meeting of the Children's Aid Society was held in the Gordon Home on Monday, November 2nd, 1925, the President, J. M. Denyes, B.A., I.P.S., in the chair.

The meeting was opened with prayer, led by the Rev. Canon Naftel.

The minutes of the previous annual meeting were read by the Secretary, Mrs. T. J. Brown, and approved.

In his address the President referred to the efficiency of all who had to do with carrying on of the work, and that everything was moving along very satisfactorily.

The Treasurer, C. H. Stuart, as he has done for years, presented the financial report, which was well received.

Mrs. Gorham, who, for many years, has been interested in child welfare, Convener of the House Committee, in her interesting way, gave an account of what had been accomplished, referring to improvements made in the Gordon Home, and to the harmony which has existed during the year.

W. H. Stewart, the Local Superintendent, gave a very comprehensive summary of his activities. He referred to the fact that East York Council appointed a man to be School Attendance Officer and Relief Officer, and thought that every municipality should appoint a Relief Officer to deal with cases of poverty, and in some cases with unemployment. During the year the Gordon Home sheltered 42 children. Investigations were made involving 169 children. It was noteworthy that few applications are received for children between the ages of five and ten. He called attention to the helpfulness of county officials and women's organizations in the work.

J. J. Kelso, Provincial Superintendent, sent his regrets at not being able to be present.

COUNTY ROAD SUPERINTENDENT'S ANNUAL REPORT

Expenditure on Peel County Roads During the year 1924

To the Warden and Council of the County of Peel,

Gentlemen:—

I beg to submit herewith a statement of moneys expended accordance with the Regulations of the Dept. of Public Highw of the Province of Ontario, on the Peel County Good Roads Syst for the year 1924, together with the tabulated statements, decla tions, etc., necessary to be forwarded with your petition for the G ernment subsidy.

These statements shows that 16½ miles have been graded and -8 miles gravelled, in addition to the maintenance and improve- t of the roads built in previous years. Ten cement culverts, five ges and sixty-nine pipe culverts built and placed on the County ds during the year.

There are a number of points that I might bring to your atten- but I have thought it better to leave them to the March Ses- , when the change in the system is being worked out.

All of which is respectfully submitted.

npton, Ontario, January 30th, 1925.

Carried.

LESLIE H. PALLETT, Warden.

The diversion above was to eliminate the necessity of building two bridges on a very soft bottom at an estimated cost of $8,000.00 to $9,000.00 for the two. Owing to the diversion, only one bridge was necessary on a good bottom.

The gravelling and grading would have been necessary in case and could not have been done any cheaper even if the diver had not been made so instead of the $8,000.00 estimated above same result was obtained by an expenditure as follows:—

1923 Purchase of Land	$ 400 00

County Road No. 18—The Albion and Adjala Townline

Owing to poor materials having been used at the time of the construction of the Ballycroy Bridge, opposite con. 6, Albion, it was necessary to repair or replace the abutments of this bridge. The span is 34 ft. steel construction with 14 ft. roadway. The original intention when the work was started was to repair the old abutments, but, after lowering the water level, they were found in such poor shape as to make it impossible to repair them, except at a large expense, and they were removed entirely and replaced by new abutments wide enough to provide for an eighteen-foot clear roadway concrete top at some future time. The work was carried on under difficulty, owing to the amount of water in the stream and the bottom being coarse gravel.

Concession seven and part of concession eight were gravelled and graded. Work on this road was held up owing to the line of the road being uncertain and the property owners bordering, it being unable to agree with the County so that the road could be widened. A municipal survey is now being made. Several accounts were paid re the two bridges built in 1923.

County Road Supt. Peel County.

R. CRAWFORD,
County Treasurer, Peel County.

June 5th, 1925.
Adopted.

LESLIE H. PALLETT,
Warden.

COUNTY ROAD SUPERINTENDENT'S ANNUAL REPOR OF EXPENDITURE ON PEEL COUNTY GOOD ROADS SYSTEM DURING 1925.

To the Warden and Council of the County of Peel:

Gentlemen:

I beg to submit herewith a statement of moneys expended in a cordance with the Regulations of the Dept. of Public Highway Province of Ontario, on the Peel County Good Roads System f the year 1925, together with the tabulated statements, declaratio etc., necessary to be forwarded with your petition for the Gover ment subsidy.

These statements show that 19.8 miles of road have been gra ed, 21.1 miles gravelled, 55 steel culverts installed and 21 ti entrance culverts placed, three concrete culverts and six reinforce bridges built and two bridges extended.

I would recommend the following points to your consideratio

1. That the year's program be settled as soon as possible, t amount to be spent determined and the places as far as possible.

2. That the Road Committee make their inspection trip as soo as the roads will permit when they can make any alterations in th program considered necessary, but if the general plan is decided previously, it will aid in making the revision.

3. Owing to the change in the system during 1925 there are o number of points to be considered which I will not enumerate he but requiring full consideration by this year's Council at the comi sessions.

4. On the roads taken off the County System and returned the Townships, the Department advise that they will pay 40 p cent. on 1925 expenditure and on those remaining and added th will pay 50 per cent. for the whole of 1925 expenditure.

All of which is respectfully submitted.

Jan. 30th, 1926.

NEWTON L. POWELL,
County Engineer and Road Supt

Toronto Twp., Dundas St. to Streetsville

This is the old Streetsville Gravel Road, narrow and winding places, records show it was planked in 1847. It was decided to iden the road allowance to 66 ft.; since the road is a given road was necessary to arrange the widening below the old base line.

The road was surveyed by W. F. B. Rubidge, O.L.S., and it is intended to register the plan under the Highway Act (1) 1922. The contract was let for grading on the lower quarter mile next Dundas St. but only a small amount was done in 1925.

A new bridge was built at Stanley Mills, Lot 13, span 18 ft., eight 6 ft., 6 in.; 26 ft. long. Also a culvert, span 12 ft., height 4 , length on the skew, 31 ft., 26 ft. square with road. This culvert as moved some distance up the road opposite the place where the atercourse entered the road allowance and a culvert 12 in. x 30 ft. as placed where the old bridge was out. The new culvert is near e upper end of lot No. 13. The old concrete culvert, 10 ft. span ove it, opposite lot No. 14, was lengthened from a fourteen foot adway to twenty-four feet, 26 ft. over all. The bridge just above e fifteen sideroad ,known as Sargeant's bridge, 26 ft. span, 14 ft. gh and fourteen foot roadway, was found to be in bad shape, just st of the northerly abutment a six foot hole had been washed it and the northerly abutment was undermined for about eight et at the east end. This abutment was only about three feet under e stream bed. The bridge was lengthened twelve feet on the east d. Since the old bridge was not on the centre line of the road is centres it fairly well. The approaches to all of the above idges were graded and gravelled with the exception of Sargeant's, here some more grading will be necessary.

Minutes of yesterday read and adopted.

Mr. Riddell, Chairman of Committee on Children's Shelter, gave verbal report with reference to matters pertaining to the Shelter. The members discussed this matter for a considerable time.

Moved by Mr. Burton, seconded by Mr. Jamieson, that the Clerk be asked to write Mr. McIntyre, Warden of Halton County, that it is the opinion of this Council that an investigation should be made at once by the proper officials as to the origin of the fire at the Halton-Peel Children's Shelter. Carried.

Moved by Mr. Jamieson, seconded by N. S. Lindsay, that this Council hereby confirm the action of our representative on the Board of Children's Shelter of Peel and Halton, in procuring the services of an appraiser in order to have our claim for damages properly adjusted. Carried.

Moved by Mr. Elliott, seconded by Mr. Lindsay, and resolved, that whereas during the past week our community has suffered the loss of a valued and beloved member in the person of Hattie James, wife of an equally valued and beloved member of the community, Senator Richard Blain, whom it has pleased an All-wise Providence to remove from our midst, and whereas, we the County Council of Peel now in Session assembled, desire to place upon record our appreciation of the one who has been called from our midst, and to express our sympathy with one who has been called upon to suffer so deep and irreparable a loss.

During her lifetime, Mrs. Blain won a deep and enduring regard from the community in which she lived, as a woman of sterling character. She was ideal in home relations. As wife of a man much before the public, she won the esteem of all by the manner in which she supported him at each step on the way to success. Her removal leaves a very great gap in Peel and Brampton, takes from our midst a beautiful and worthy example, and leaves scores of people mourning a friend. Be it therefore resolved that the deepest sympathy of this Council be extended to Senator Blain, his son and his daughter, in their sad bereavement, and that the Clerk be in-

structed to forward Senator Blain a copy of this resolution. Carried.

Moved by Mr. Falconer, seconded by Mr. Wilson, that whereas the County Council of Peel in Session now assembled, realizes that the entire British Empire has bowed to-day in sorrow over the bier of the Beloved Queen Mother, uniting in loyal expressions of regret at the removal of one who played a valiant part in the upbuilding of the Empire and in equally loyal expression of sympathy, to her son, our beloved Monarch George V., and his family, and resolved that, whereas the County of Peel has upon all occasions given free and voluntary expression to its loyalty to the reigning house of Great Britain and Ireland, we, the representatives of the County of Peel, do hereby utter for the County, the expressions of loyal sorrow and sympathy that are fitting to the occasion, and resolved further that we do observe a period of silence for two minutes after convening on the afternoon of Friday, November 27th, as fitting demonstration of that sympathy and sorrow. Carried.

On motion the Warden left the chair until 1.30.

The report of Dr. R. G. Edwards, Physician to the House of Refuge for the year 1925, was received and on motion adopted.

Moved by Mr. Burton, seconded by Mr. Smith, that the Clerk be requested to send by mail to each member of this Council a report from the Treasurer up to and including December 15th, 1925. Carried.

A communication from Fred Speirs claiming $20.00 bounty for capturing Thomas Smith, who stole a horse.

Moved by Mr. Fullerton, seconded by Mr. Campbell, that a grant of $1500.00 be made to the Peel Memorial Hospital Board. Lost.

On motion Council adjourned till 10 o'clock to-morrow morning.

L. H. WILLIS,
Clerk.

LESLIE H. PALLETT,
Warden.

FIFTH DAY OF SESSION

On motion the Warden left the chair till 1 p.m.

Council resumed at 1.30.

Moved by Mr. Burton, seconded by Mr. Lindsay, that the Committee on County Property be instructed and empowered to have the necessary repairs made to the flag pole at the County Buildings, or a new one erected if considered necessary by the Committee. Carried.

Mr. McDonald, Chairman, presented and read the 3rd report of Committee on Roads and Bridges, which was on motion adopted.

Moved by Mr. Burton, seconded by Mr. Jamieson, that in regard to the communication from the Dept. of Lands and Forests, Surveys Branch, Toronto, re proposed survey of the boundary line between the Townships of Etobicoke and Toronto, that the Warden wait upon the said Department explaining the desire of this Council that an application be made direct for said survey by the Militia Department to this Council and relieving Toronto Township of all liability in the matter. Carried.

The Warden, Mr. Pallett, was requested to vacate the chair and Mr. Elliott asked to occupy the same, when it was moved by Mr. Lindsay, seconded by Mr. Kelly, that this Council wishes to show its appreciation of the able manner in which our Warden, Mr. L. H. Pallett, has performed his duties during the year now drawing to a close. He has shown courtesy and ability and has enjoyed the respect and confidence of every member of the Council in the fullest degree. Carried.

After short speeches and the singing of the National Anthem, Council adjourned sine die.

(Adopted)

L. H. WILLIS,
Clerk.

W. N. RIDDELL,
Warden.

FIRST REPORT OF THE CHILDREN'S SHELTER COMMITTEE

the Warden and Council of the County of Peel:

Your Committee on The Children's Shelter beg to report as llows:

The joint Committees of Peel and Halton met at Milton on Fri- y, September 24th, and also on Friday, November 13th. The meet- g which is usually held in the month of May was not called at this ne on account of Measles and Chicken Pox being in the Home.

There are in the Home at present 12 children ranging in e from under 1 year to 10 years of age.

The meeting was called in September with reference to some ry needful repairs. We found the bathroom in a very unsanitary ndition; also we found that fire escapes had never been provided , which is entirely against the law; we also found the floor in one

of the large bedrooms in very bad condition, very rough and wo through in many places; also when the Home was quarantined t Caretaker had no means of entering the Home from outside oth than through the cellar window, or to convey ashes from the furna except through the kitchen; the roof, too, leaked in two places. was therefore moved by Mr. McIntyre, Warden of Halton, and se onded by myself, that the joint Counties grant the sum of $250.(each for the improvement and repairs of the Home.

We found the children all happy and in good condition und the care of Miss Telfer, the matron.

At a former meeting a resolution was passed that the Comm tee offer for sale a portion of the vacant land for building lots, b upon further consideration it was decided to rescind this motion a not sell these lots, as the selling of the same might bring undesirab residents and depreciate the appearance and value of our excelle and beautiful home.

Mr. W. H. Stewart, the Inspector, gave a splendid report of t 135 wards of the Shelter and read several letters from them, speaking of the excellent foster homes that had been obtained f them, and all appeared happy and satisfied with their surrounding

We regret to report the absence of Mr. Burton, Peel's other r presentative, and would ask that the Secretary of the Committee asked to announce and notify the Committee as to the date of the joint meetings at an earlier date.

We would recommend that the following named member of t Committee be paid the following amounts:

W. N. Riddell, Sept. 24th, 1 day and mileage .....$ 6
W. N. Riddell, Nov. 13th, 1 day and mileage ..... 6.

All of which is respectfully submitted.

W. N. RIDDELL, Chairman.

Adopted November 25th, 1925.

LESLIE H. PALLETT, Warden.

An account from H. P. Moore, P.M., for the sum of $80.25, being Peel's share due for office rent and equipment, which we recommend be paid.

A request from Peel Women's Institute for a grant, which we refer to the Council as a whole. (In Council a grant of $25.00 was made.)

An account from Mr. Whitelock for $33.98 for equipment for Peel softball team, which we refer to the Council as a whole.

A report from the Treasurer of the County, which we would refer to the whole Council.

From Fred Speers, re apprehending Thos. Smith, convicted for horse theft. We would also refer this to the whole Council.

All of which is respectfully submitted.

N. S. LINDSAY, Chairman.

Adopted November 28th, 1925.

LESLIE H. PALLETT, Warden.

THIRD REPORT OF THE ROAD AND BRIDGE COMMITTEE

To the Warden and Council of the County of Peel:

Your Committee on County Boundary Roads and Bridges beg to report as follows:

2. Construction work during 1925 has been confined to replacing Bridge No. 11, Lot 6, Toronto Gore and Etobicoke.

3. Your Committee decided that owing to the Boundary Line Bridges not having been inspected by the Committee since 1921, and a number of changes having taken place since then both in the members of the Committee and the state of the bridges as listed to make a complete inspection.

Owing to the weather this inspection has not been completed and your Committee recommend that the inspection be completed as soon as possible.

Your Committee found as follows:—

Bridge No. 2 is now on the Provincial Highway.
Bridges Nos. 16 to 21 are now on County Roads.
Bridges Nos. 33 to 41 are now on County Roads.
Bridges Nos. 65 to 69 are now on County Roads.
Bridges Nos. 101 to 106 are now on County Roads.
Bridge No. 117 is now on County Roads.

Several Bridges are in poor condition and need rebuilding, and a number of the smaller ones have been replaced, some by the Townships.

4. Your Committee recommend that they be instructed to bring in a full report at the next Session of the Council as to the condition of the Bridges, repairs needed and changes in the lists.

5. Your Committee note that the Provincial Govt. now pay a 40 per cent. grant on Boundary line Bridges over 50 feet in span, but nothing on smaller spans.

6. Your Committee recommend the payment of the following accounts:

J. F. McDonald, 4 days and mileage	$ 21 40
N. S. Lindsay, 5 days and mileage	23 00
W. N. Riddell, 4 days and mileage	23 20

SCHOOL INSPECTOR'S REPORTS

For the Year 1925

Public School Inspector's Office,
Brampton, January 27th, 192

The Warden and Council, County of Peel,
Gentlemen:—

I have the honor to submit herewith my report on the condition obtaining in the Public Schools in the County of Peel for the yea ending December 31st, 1925.

I have the honor to be,

Your obedient servant,

W. J. GALBRAITH,
Public School Inspector.

School Buildings

Until about sixteen years ago the school houses in this inspectorate, as well as in others, were constructed with very little regard to sanitation or to the comfort and welfare of teachers and children and should be replaced in many cases with modernly planned buildings, but owing to prevailing conditions of the educational problems throughout the county and the entire province, I do not consider it wisdom to recommend that all houses that do not conform to the plans suggested by architects of to-day should be scrapped and that so many sections should be called upon to provide the funds necessary for the construction of new buildings. Several school houses, however, might be made to comply with most of the requirements of the Department of Education at comparatively little cost by improving the light, heating, ventilation and sanitation. It has been stated on excellent authority that during the past ten (10) years, due to advanced sanitation and attention to hygienic methods, the average span of life has been lengthened by thirteen (13) years. Some of our School Boards are taking their part in this splendid work, whilst others, by their actions, convey the impression that the purpose of their lives is to reduce the expenditure on education to a minimum at the expense of the children. The effect of such a policy cannot fail to act disastrously upon the lives and the characters of the future citizens of our country. Trustees are in a position to do much to elevate or depress the citizenship of the future, and every one interested in the welfare of his country should lend his assistance.

The only new building erected in this inspectorate during the past year is a six-roomed addition to the Forest Avenue School in Port Credit, which was approaching completion as the year closed. The Continuation School, which, for some years, has been greatly inconvenienced by lack of accommodation, will be housed in this new wing, and rooms will be released for Public School purposes. The cost of this structure is about $45,000.

The Attendance

I have to report a slight decrease in the enrolment of pupils during the year, the total loss being 47. The rural schools show a gain of 38 and the urban a loss of 85. Notwithstanding the lower enrolment, the aggregate attendance exceeded that of 1924 by 3,000, and the average attendance was 50 greater than in the preceding year. The percentage of attendance is given below:—

Municipality	1924	1925
Albion	82.52	79.49
Caledon	82.77	85.49
Chinguacousy	86.82	86.13
Toronto	84.75	85.53
Toronto Gore	91.12	85.04
Total	84.98	85.24
Bolton	95.2	91.24
Port Credit	86.66	96.72
Streetsville	86.97	90.42
Total	89.89	94.9
Brampton	93.57	94.
Grand Total	87.3	92.

The total number of days lost through non-attendance amount ed to 105,268, or the equivalent of 223 days for all pupils enrolle The number of teaching days was 195, and the average number th schools were open 191.

The main factors determining the regularity of attendance ar weather conditions, the roads, the health of the children, the in terest shown by teachers and parents, and the zeal of the Attenc ance Officers. The above statement shows that all these factor have co-operated in securing a very satisfactory condition.

Financial Statement

At the beginning of the year there was in the hands of trustee $118,154.24. The year closed with a balance on hand of $127,893.9 From Township, Village and Town grants $88,242.08 was receive The County grant amounted to $930.76. Legislative grants totalle $35,417.98; from the several sections on the requisitions of Scho Boards the Councils levied and collected $75,411.15. The sale o debentures netted $931.87. Some boards found it necessary to e fect temporary loans amounting to $11,667.35. From all othe sources the sum received was $9,656.11.

The total amount paid to teachers for the year was $139,890.5 for improvements to b[illegible]s, furniture, etc., $11,556.09; for libra ies, maps, etc., $[illegible] debentures, $5,149.09; for Temporar Loans, $4,70[illegible], for fuel, caretaking, etc., $49,270.77. The tot amount paid for all purposes, $215,518.52

For the information of school officials, I should like to point ut some of the sources of revenue upon which they may base calulations when determining the amount to be levied on and collected rom the rateable property of the sections. Section 96 of the Public chools Act, 1920, makes it obligatory upon municipal councils to aise a sum sufficient to pay each section, for its principal teacher 600.00, and for each assistant teacher $400.00; the Legislature pays general grant based upon the salaries paid to teachers, their certiicate and experience and the assessment of the section; a supplenentary grant based on the salaries only paid to teachers; and a urther grant on the character of the accommodations and the value f the equipment. This last grant is supplemented by a similar rant by the County. These will amount on the average to $850.00 o $900.00 where a salary of at least $1,000.00 is paid. The Legislaive and County grants are paid in August or September of each ear and the Township grant as required by School Boards. Sec-ion No. 98 of the Act says: "All moneys required to be levied and ollected and applied to the salaries of teachers shall be paid to the reasurers of the respective School Boards from time to time as nay be required by them. If this were thoroughly understood, trusees would not need to carry over from year to year balances of nore than from $600 to $800.

Teachers' Salaries

The fact that the supply of teachers is now in excess of the dehand has been regarded by many as an indication of an immediate eduction in salaries. In one section only was the salary of a teacher emaining in the employment of the board from the preceding year educed, although some boards where changes were made are now aying less amounts than before. At the close of 1924 the average alary of male teachers was $1,371.00, and of female teachers $1,-39.00, and in 1925 the salary of the male teacher had increased to 1,410.00 and that of the female was reduced to $1,013.00.

In conclusion, I am pleased to be in a position to report that he schools of the inspectorate made substantial progress during the chool year and that increased interest is being taken in the training f the youth of the County.

For the Year 1924

Brampton, January 29th, 1925.

The Warden and Council, County of Peel,
Gentlemen:—

I have the honor to submit herewith for your consideration the following report on the condition of the Public Schools in the County of Peel for the year ending December 31st, 1924.

I have the honor to be,

Your obedient servant,

W. J. GALBRAITH.

Accommodations

During the year just ended, S.S. No. 7, Toronto Township, completed a four-roomed school at Lakeview Park and on the first of September opened two rooms which, with the five occupied at Lakeview Beach, make seven rooms in use. There remain three to be opened as the circumstances demand. S. S. No. 21, Toronto, selected a new site, erected a one-room school which was ready for occupation early in September. This school is constructed in compliance with the requirements of the Department of Education and is a monument to the excellent judgment of the Board of Trustees. Several other schools made substantial improvements and have expressed their intention to continue these changes until the schools are modern in their appointments. I do not anticipate any further building of new schools during the year 1925.

Equipment

In almost all the schools of the inspectorate there is found a number of books for library purposes, but, unfortunately, many of these books are not within the mental capacity of young children. Teachers and trustees making an addition to the school library are advised to exercise great care in choosing such books as can be read and understood by the grades for which they are intended. The Minister of Education, in the Regulations and Course of Study which he placed in the hands of teachers in September last, stressed the importance of developing in the pupils a taste for literature and recommended that books that would accomplish this should be provided. A taste for reading good books will provide the reader with the means of worthily enjoying his leisure, of extending his knowledge, of moulding his character, and of developing an appreciation of artistic expression. It is generally true that a non-reading com-

munity is unprogressive. Every child should leave school with a taste for reading well developed in order that he may be not only provided with the means of, but also with a desire to, fit himself for the highest type of citizenship.

Attendance

As compared with the year 1923, there has been a slight falling off in the number of pupils enrolled, 4,892 being enrolled in the former year and 4,759 in the latter, a decrease of 133. This decrease is distributed among all the municipalities in the County with the exception of Toronto Gore, where a small gain is shown.

Attendance by Municipalities

Municipality	Aggregate Attendance	Possible Attendance	Percentage of Attendance
Albion	41797	50652	82.52
Caledon	64461	77882	82.77
Chinguacousy	82605	95140	86.82
Toronto	210144	247960	84.75
Toronto Gore	16204	17782	91.12
Bolton	23466	24647	95.2
Port Credit	39145	44154	86.66
Streetsville	22904	26332	86.97
Brampton	132559	141655	93.57
All Rural Municipalities	415911	489416	84.98
All Urban Municipalities	218072	236788	92.09
Grand Total	633983	726204	87.3

Whilst the above may be regarded as a very satisfactory report, it will be seen that the number of lost days amounted to 82,221, or the equivalent of nearly 18 days for the entire enrolled attendance. Nearly 10% of the expenditure for maintenance and of the teachers' efforts has been irretrievably lost through irregularity of attendance due to illness, inclemnt weather, and other causes. Too much time is lost to the pupils by remaining at home to assist in the work of the home.

Teachers

The total number of teachers employed throughout the inspectorate was 130, of whom 15 were males and 115 females; 17 held First Class and 113 Second Class certificates. Changes were made at midsummer in 43 rooms, and five teachers tendered their resignations at the close of the year.

The 15 male teachers received in salaries $20,516 and the 115 female $119,550; the average for a male teacher was $1421 and for a female $1039 a year. The highest salary paid a male teacher was $2000, and a female $1400.

Finances

The importance of educating the children of the County from a monetary viewpoint, is seen in the fact that during the year $266,234 were expended on maintenance; the amount invested in sites, buildings, furniture, $937,765, and in equipment of the school rooms, $29,375, a total of $967,140.

Many of the school boards closed the year with a balance on hand greater than the expenditure for maintenance for the entire year. Whilst a balance may be very desirable under the system of financing, it does not seem good business to extract from the ratepayers more than is absolutely necessary . It is true that the wide powers given school boards permit them to do what has been done, and that councils are required to raised such sums as the trustees demand, but the interests of the ratepayers should be safeguarded.

The main sources of revenue to school boards are given below and a careful study of these sources will show that there is not a necessity of carrying over a very large balance. A balance of $500 or $600 for a one-roomed school is sufficient.

In the first place the Township grant amounts to $600.00 in this inspectorate, and treasurers may draw upon that sum for the payment of teachers as required. The Public Schools Act, Section 96, says: "The council of each township in a county shall each year levy and collect by assessment upon the taxable property of the public school supporters of the whole township, not included in an urban school municipality, for school purposes, at least the sum or sums set forth below for every public school a teacher or a principal teacher is engaged for two consecutive terms and the additional sums set forth where an assistant teacher is engaged for two consecutive terms:

(a) Where according to the equalized assessment the equalized assessed value of all the taxable property of the public school supporters in such a township is at least equal to an average assessment of $100,000 for each section therein, the sum of $600.00 at least for every principal teacher and an additional sum of $400 for every assistant teacher."

Secondly the Legislative grants. These grants are divided into General and Supplementary; the former being based upon the

assessment of the section, the salary paid the teacher, the grade of certificate held by the teacher. Where the assessment is $60,000 but less than $100,000, the grant on the assessment is $62.50, and where the assessment is $100,000 or over the grant is $40.00. A teacher holding a Second Class certificate with from two to five years' experience earns a grant of $30.00, with more than five years' experience $70.00. One holding a First Class certificate brings to the section a grant of $40.00 or $90.00 with experience as above. The supplementary grant is based upon the salary alone irrespective of certificate or experience. The following tables will show how this grant may be computed.

For an assessment of $60,000, but less than $100,000. On an excess over $350.00 for Principal and $250.00 for Assistant:

5% on a Principal's salary of $600.00 but less than $700.00
5% on an Assistant's salary of $500.00 but less than $600.00
10% on a Principal's salary of $700.00 but less than $800.00
10% on an Assistant's salary of $600.00 but less than $700.00
20% on a Principal's salary of $800.00 but less than $900.00
20% on an Assistant's salary of $700.00 but less than $800.00
40% on a Principal's salary of $900.00 but less than $1000.00
40% on an Assistant's salary of $800.00 but less than $900.00

For Assessments of $100,00 but less than $300,000. On an excess over $500.00 for Principal and $400.00 for Assistant:

5% on a Principal's salary of $700.00 but less than $800.00
5% on an Assistant's salary of $600.00 but less than $700.00
10% on a Principal's salary of $800.00 but less than $900.00
10% on an Assistant's salary of $700.00 but less than $800.00
20% on a Principal's salary of $900.00 but less than $1000.00.
20% on an Assistant's salary of $800.00 but less than $900.00
40% on a Principal's salary of $1000.00 and over.
40% on an Assistant's salary of $900.00 and over.

For an Assessment of $300,000 and over:

5% on a Principal's salary of $800.00 but less than $900.00
5% on an Assistant's salary of $700.00 but less than $800.00
10% on a Principal's salary of $900.00 but less than $1000.00
10% on an Assistant's salary of $800.00 but less than $900.00
20% on a Principal's salary of $1000.00 but less than $1100
20% on an Assistant's salary of $900.00 but less than $1000
40% on a Principal's salary of $1100.00 and over.
40% on an Assistant's salary of $1000.00 and over.

The third grant is a Legislative and County grant based on the character and value of the Accommodations and Equipment.

The fourth is the tax levied and collected from the taxab property of the section. This revenue is controllable and truste may increase or reduce their balances by its means.

Another course of revenue in a limited number of municipa ties is that derived from the Clergy Reserves. The Schools Act pr vides for the apportionment of this and any other municipal inves ment as follows: Section 41 of the Public Schools Act. "The cou cil of every township may by by-law apportion among the scho sections in the township the principal or interest of any investmen held by the corporation for school purposes according to the salari paid to the teachers engaged by the respective boards during t past year, or according to the average attendance of pupils in ea section during the same period.

In the Prefatory Notice to the Course of Study now in use our schools, the Minister of Education says:

"In response to a widespread belief that the former courses study were too burdensome, a serious attempt has been made lighten them and give them greater elasticity. In some subjec the field of work to be covered has been considerably reduced by t omission of topics formerly included. In other subjects, many d tails that have but little relation to the pupil's life have been elimi ated. A reduction in the number of subjects has been secur through combining in one course those that are closely correlated material. Greater freedom has been provided in some subjects the prescription of a brief minimum course to be taken in all schoo and a broader supplementary course from which selections has be made to suit the conditions of individual schools."

It may be stated that the Course of Study referred to is tent tive and will be revised next year and that in the meantime the Mi ister invited criticism and recommendations from all persons inte ested in the elementary education of the children of the provinc
